

THE TOWN OF JAMESTOWN, RI

Public Shoreline Access & Rights-of-Way

N

Site #1: Mast Street
CRMC G-6
Plat 14

Street View

Shoreline View

Aerial View

Description:

This ROW is located in the Jamestown Shores Neighborhood, south of the Jamestown Bridge. The ROW abuts 29 Seaside Dr (to the north) & 23 Seaside Dr (to the south). Access to the shore is westerly from Seaside Drive. The easterly portion of the ROW features a 40 wide paved section. A Grassy strip continues after the asphalt area, turning into a short path through brush, and ending abruptly at a large outcrop of ledge and boulders which drops approximately 15 feet to a cobble shoreline

Recommendation from 1999 Report:

Due to the close proximity of neighbors, limited shoreline access, steep drop to the water requiring a staircase, lack of parking, and nearby accessibility of two large shoreline access areas with full facilities (proposed Eldred Avenue and Jamestown Shores Beach), this potential right-of-way is given a priority rating of 3.
