### THE TOWN OF JAMESTOWN, GIS DEPARTMENT

#### *Digital Data Release Agreement*

1. Data provided is for planning purposes only. It is the responsibility of the user of this data to evaluate its suitability for the intended use.
2. The Town of Jamestown provides Geographic Information Systems (GIS) data in good faith. The Town makes no warranty in regard to the data whatsoever, including, but not limited to, a warranty of the accuracy of the data. The party requesting the data (hereafter Requester) agrees that the town has no liability arising from any incomplete, incorrect, inaccurate, or misleading data provided.
3. The Town makes no warranties of the fitness or merchantability either express or implied in regard to the data provided to the Requester hereunder. The data provided is provided as is and with all faults.
4. The Requester will have no claims to data updates.
5. The Requester shall indemnify and hold harmless the Town and its officers, employees and agents from and against all losses, claims, demands, actions, payments, costs, suits, liabilities, including attorney's fees, expenses and damages (direct or consequential) whether or not caused by the negligence of the Town, its officers, employees or agents, which are incurred by or recovered against the Town for any reason whatsoever arising out of or relating to this Agreement, or the data, or to any use to which the Requester might put the data. The Requester acknowledges that he/she has read this agreement, understand it and agrees to be bound by its terms and conditions.
6. Data provided by the Town is intended for the use of the Requester. Redistribution of the data without notification to the Town is discouraged. The Town suggests that Requester refer other parties interested in obtaining GIS data directly to the Town. This recommendation is made in an effort to maintain data currency and ensure that the data is correctly documented for the eventual user.
