Thursday, December 17, 2015
6:00 PM

The public is welcome to participate in this Town Council meeting. Open Forum offers citizens the opportunity to clarify an item on the agenda, address items not on the agenda, or comment on a communication or Consent Agenda item. Citizens are welcome to speak to the subject of a Public Hearing, and are allowed to speak at the discretion of the Council President or a majority of Councilors present, or at other times during the meeting, in particular during New or Unfinished Business.

Anyone wishing to speak should use the microphone at the front of the room, stating their name and address for the record; comments must be addressed to the Council, not the audience. It is the Town Council's hope that citizens and Councilors alike will be respectful of each other's right to speak, tolerant of different points of view, and mindful of everyone's time.

Current board/commission/committee members were notified of expiring terms and asked to submit a letter of request for reappointment or notified they have reached their limit of three consecutive full terms, per Charter.

Affordable Housing Committee (Three year terms). The terms of members Debra Murphy and Barbara Szepatowski expire May 31, 2016 and will be addressed in early 2016.

Beavertail State Park Advisory (Three year terms). The second term for member Neil Blitz expires December 31, 2015, and he has sent a letter requesting reappointment. This will appear on the January 4th agenda.

Per Council vote, the appointment for the unexpired term and for Mr. McGuirl's term will be placed on the January 4th agenda in order to appoint both outstanding applicants (for the unexpired term) to the Harbor Commission. The Commercial Mooring Operator position will also appear on the January 4th agenda.

Mary Lou Sanborn was appointed September 8th to serve the unexpired term ending December 31, 2015 (vacated by Craig Watson). It has been the past Council custom to reappoint such recent appointees without an interview, as they have just come on the Board. These appointments will appear on the January 4th agenda.

Planning Commission (Four year terms). There is one vacancy for the unexpired term to December 31, 2018 due to the resignation of Michael Jacquard (moving out of state). The possible appointment for this unexpired term is on the December 17th agenda. - A) Licenses
 - 1) Victualing License Renewals
 - a) Tallulah, LLC dba: **Tallulah's Tacos**
252 Narragansett Avenue

- b) Tallulah, LLC dba: **Tallulah's Tacos – Mobile Unit**
252 Narragansett Avenue
Mackerel Cove Beach (east side of lot) and Head's Beach

Owners Kelly and Jacob Rojas in attendance. President Trocki noted the letter from Tallulah's emailed on December 3rd that did not make it past the town firewall; a copy the letter is an addendum to the meeting packet. President Trocki read the letter from Mr. and Mrs. Rojas, owners of Tallulah's, in response to letters of concern by West Ferry neighbors regarding the operation of Tallulah's, license renewal, their menu, the Planning Board recommendations outlined in the April 6, 2009 memorandum, and respect for the Dutch Harbor Boatyard and West Ferry neighborhood. This letter and a copy of their menu will be added to the public meeting packet and reposted on the Town website.

Public comment.

Ken Newman of Avenue B referenced neighbors' concerns with the original proposal and stated he has never heard anyone state they do not want a business located there. The Rojas' are very forthright and we could all do better communicating the issues. The neighbors hope the spirit of the original approval is maintained, the operation does not evolve into something more, and meets all codes and adheres to the original variance granted in 2009.

President Trocki noted that clearance by all Town departments is required prior to going forward with the application approval process.

Julia Held of Westwood Road stated no one is trying to get rid of Tallulah's; they just wish it were quieter. They feel the fan is more than just for ventilation and is noisy. If it is only used when employees are present, that is fine.

Kelly and Jake Rojas of Seaside Drive, owners of Tallulah's, state the fan is turned off at the end of business and turned on when it opens in the morning.

Mary Brennan of Narragansett Avenue reviewed the history of The Shack opened in 2009, which was primarily for the sale of lobster rolls and prepared deli foods, and that no food would be cooked on site, a provision in the original variance. Ms. Brennan noted a television show on WGBH-TV that presented a lobster going from live, raw lobster to cooked and prepared lobster at Tallulah's.

Vice President Meagher stated per the original variance, only a microwave and electric heating element are used, and food is not cooked on the premises, only reheated as part of preparation and to comply with food safety guidelines.

Ms. Brennan stated only a crock pot and microwave are allowed by the original variance, and neighbors want the original restrictions adhered to.

Kelly and Jake Rojas from Seaside Drive, owners of Tallulah's, state what was done for WGBH-TV was for marketing purposes, and was only done one time for the video. They use frozen pre-cooked lobster that is not cooked and is heated using the heating element on premises. The statements on their menu that Tallulah's is a "to-go" shack on a private dock, picnic tables are shared, and respect the privacy of boatyard clients was noted.

Carol Cronin of Narragansett Avenue stated the neighbors are not trying to shut Tallulah's down. Kelly and Jake have been responsive to the neighbor's concerns. The fan is an issue as it runs 24/7, and she requests it be turned off at the close of business each day.

President Trocki stated the Rojas' are open to working with the neighbors and addressing concerns, and this meeting is an opportunity to address problems and concerns.

There were no Council comments.

A motion was made by Vice President Meagher with second by Councilor White to approve the Victualing License for Tallulah, LLC dba: Tallulah's Tacos located at 252 Narragansett Avenue. President Trocki, Aye; Vice President Meagher, Councilor Dickinson, Aye; Councilor White, Aye; Councilor Tighe, Aye.

A motion was made by Vice President Meagher with second by Councilor White to approve the Victualing License for Tallulah, LLC dba: Tallulah's Tacos Mobile Unit (located at Mackerel Cove Beach and Head's Beach). President Trocki, Aye; Vice President Meagher, Councilor Dickinson, Aye; Councilor White, Aye; Councilor Tighe, Aye.

- 2) One Day Event/Entertainment License Application
 - a) Applicant: Rhode Races & Events, Inc.
 - Event: Jamestown Half Marathon Rhode Race
 - Date: October 15, 2016
 - Location: Fort Getty/streets of Jamestown/Fort Getty

Karen Zyons of Rhode Races & Events, Inc. in attendance. Town Administrator Nota commented on the new organization and changes that will take place with this year's proposed event. Ms. Zyons introduced Rhode Races & Events co-founder Susan Rancourt and commented on the meeting with Town Administrator Nota and Police Chief Mello to vet issues for this year's proposed event. Their revised application includes three potential Saturday dates of September 24th, October 15th, and October 22nd, with September 24th their first choice. (The Fort Getty season may be revised, which will appear later in the agenda.) The move to Fort Getty was a success, and they would like to move their location further into the park to avoid cars and racers using the roadway at the same time. Their organization would make a financial contribution to Jamestown based on runner participation (down last year due to date change from mid July). They request a date confirmation in order to secure sponsors and increase runner participation for 2016.

Mr. Nota reviewed event conditions, including safety plans, private EMS coverage, police patrols, equipment, and other issues, and details would be worked out with the Fire Chief and Police Chief. He is in favor of approving the application subject to the revisions outlined. Police Chief Mello commented on last year's race, there were no complaints, the group was organized, and there was little demand for services not reimbursed.

Ms. Zyons expressed the organization's appreciation for the Jamestown community and the race course, and the half marathon is their premier event. Mr. Nota stated if the Council is supportive he would negotiate a base fee plus a per-participant fee that would return a sizable contribution to the community.

A motion was made by Vice President Meagher with second by Councilor White to approve the license application pending a schedule and fee to be determined by the Town Administrator. President Trocki, Aye; Vice President Meagher, Aye; Councilor Dickinson, Aye; Councilor White, Aye; Councilor Tighe, Aye.

V. OPEN FORUM

Please note that, under scheduled requests to address, if the topic of the address is available to be put on the agenda, the Council may discuss the issue.

A) Scheduled to address.

1) Taxpayers Association of Jamestown re: Jamestown Fire Station

Mary Lou Sanborn and Fritz Attaway in attendance. Fritz Attaway of Decatur Avenue thanked the Council for the opportunity to speak this evening, referencing and summarizing the Taxpayers Association of Jamestown letter regarding the RFP being prepared for renovation of the Fire Department building. The voters approved \$2,200,000 to renovate the fire house, TAJ is concerned the 5% project contingency is not enough, and they recommend a 25% contingency reserve. TAJ requests the Town clarify all cost issues prior to posting a bid and seeks assurances the Town will not move forward with an RFP until it is clear the project can be completed within the \$2,200,000 cap approved by the taxpayers. They respectfully request a copy of the RFP when it is posted.

President Trocki inquired why TAJ proposed the large contingency fund. Mr. Attaway gave the Police Department expansion project as an example, which came in over budget. Vice President Meagher disagreed stating the scope of the original proposal was changed to include needed roof and heating system replacement. Public Works Director Gray addressed the meeting stating the project changes were made prior to proceeding to RFP, and in fact, the project when completed came in under budget. Discussion continued.

Mr. Attaway commented the TAJ wants to be sure the scope of the project will not change and if it does, includes contingency amounts prior to commencement of construction. Mr. Gray referenced the architect's bid estimate, and alternatives and flexibility that will be included in the RFP in order to ensure that project costs remain in line with the bid

amount. There will be an itemized budget and bids come before Council for approval and must be in line with the amount approved by the voters. Discussion continued.

President Trocki stated the bid will be revised as needed, and will not be awarded for more than the amount approved by the voters. Discussion ensued that a 25% contingency is very unusual.

Town Administrator Nota commented on the preliminary research that went into the project and the extensive work involved in the RFP preparation so that when it goes out to bid in the spring it will be as flexible as possible, taking into account fluctuating construction costs and interest rates. The demolition of the Grinnell Street property that occurred today with the assistance of Town staff saved \$10,000 to \$12,000, elevating the contingency to 6%. As the process continues the Town will save money where applicable. Mr. Nota referenced other potential savings areas. Discussion continued.

Vice President Meagher noted the Council would not approve an RFP above the amount allocated by the voters. The project will not start as soon as awarded and alternatives will be used to keep on budget. Project design will meet the needs of JFD efficiently and modified to fit the budget.

Mr. Attaway stated his appreciation for Council's intention to stay on budget and asked them to use extra due diligence in evaluating costs and changes in order to stay within the amount approved by the voters. President Trocki agreed that is the Council's intention and thanked him for his comments.

Mary Lou Sanborn of Bay View Drive asked the Town Administrator if the demolition of the Grinnell Street property was part of the Town budget or JFD project budget. Mr. Nota explained the demolition was part of the fire station project and ultimately paid through that project. It was undertaken at this time as the equipment was available for the Bay View Drive project and the Town took advantage of the opportunity in order to save \$10,000 to \$12,000 in costs.

B) Non-scheduled to address. None

VI. COUNCIL, ADMINISTRATOR, SOLICITOR, COMMISSION/COMMITTEE COMMENTS & REPORTS

A) Administrator's Report: Town Administrator Andrew E. Nota

1) Goals and Objectives Update

President Trocki suggested bi-monthly or quarterly updates in lieu of monthly. Mr. Nota reported this can be done quarterly.

Mr. Nota reported on the RI League Cities and Towns 16th annual conference at the Crowne Plaza in Warwick on January 28th. The annual (free) conference features

numerous exhibitors and appropriate sessions on important issues faced by all municipalities. It is well worth attending for elected officials and municipal staff.

B) 3rd Quarter 2015 GZA Monitoring Report

Public Works Director Gray reported on the conclusions and recommendations noted in the report. The wells tested did not exceed any drinking water quality standards. Almost 15 years of monitoring reveal fifteen significant decreasing trends, basically metals, and one increasing trend, Barium, which leaches out of the soil and may not be related to the landfill. By the end of the month all data for the landfill will be finalized, a report submitted, and a letter confirming successful landfill closure should be received in the near future.

Available vessels from various suppliers were researched and a bid was advertised, with three vendors responding. The 2013 vessel was the lowest bid, and if awarded, could take delivery in a matter of days.

A motion was made by Councilor Tighe with second by Councilor Dickinson to approve the award of bid to Silver Ships, Inc. as bid as recommended by Chief Mello. President Trocki, Aye; Vice President Meagher, Aye; Councilor Dickinson, Aye; Councilor White, Aye; Councilor Tighe, Aye.

Town Administrator Nota will integrate the School Committee budget meetings into the schedule. Discussion ensued of proceeding with the December 21st regular meeting which has only a few items, scheduling interviews on December 17th, and scheduling a meeting with executive session so that vacancies can be filled. Vacancies and upcoming term expirations were noted and Council members urged citizens to come forward to apply for the volunteer board/committee/commission positions. This date and time will be finalized tomorrow. Scheduling the work session with the Board of Fire Wardens will be continued. Discussion continued.

- E) 2017-2025 Transportation Improvement Program: discussion and/or potential action and/or vote

- 1) Letter of State Planning Council Chairman Michael DiBiase re: Transportation Improvement Program for Federal Fiscal Years 2017-2025
- 2) Public Works Director's recommendation

Public Works Director Michael Gray in attendance. Mr. Gray noted the packet that contained the picture of a proposed bridge at Zeek's Creek. All municipalities were solicited to provide a list of projects for potential inclusion on the TIP plan for federal funding, which must be submitted by January 8th and focus on bridges, paving, and traffic issues (six projects are proposed). Current TIP Program Projects for 2011-2016 are as follows:

- Sidewalk and Curbing Replacement on Walcott Avenue
- Resurfacing Narragansett Avenue from Southwest Avenue to West Ferry
- Bike Path from North Road to East Shore Road (move from study and development to program for construction)

Current projects must be reviewed and a request made to remain on the TIP list, and Mr. Gray recommends continuance. Discussion ensued of the Bike Path project across the dam and the bicycle-pedestrian crossing over the Jamestown Bridge. Proposed new TIP Program Projects for 2017-2025 are as follows:

- Round Marsh Bridge, North Road at tidal inlet
- Curb Ramps for ADA access on Conanicus Avenue and Walcott Avenue, to provide curb ramps to existing sidewalks at all intersections and crosswalks on Conanicus and Walcott

Lengthy discussion ensued. Mr. Gray stated once the list of projects is decided, the projects should be prioritized. He recommends top priority for the Round Marsh Bridge at North Road.

Mr. Nota referenced other areas of interest, including road widening (shoulders) and ferry landings (piers at Fort Getty, Dutch Island). It may be appropriate to begin the discussion with RIDEM to partner on projects. Per Michael Gray, the TIP process will be open more frequently than in the past and prior to 2025. Discussion continued.

Council members discuss prioritizing the TIP list. Road widening and ferry landings will be added to the TIP application. Lengthy discussion ensued. The TIP list should include: North Road Bike Path, Sidewalk and Curbing Replacement for Walcott and Hamilton Avenues, Bicycle/Pedestrian Access to Jamestown Bridge, Pavement Resurfacing of Narragansett Avenue, Downtown Improvement Project.

- F) Fort Getty: discussion and/or potential action and/or vote
 - 1) Fee Schedule for 2016 Season

Town Administrator Nota referenced the recommended \$100 fee increase for resident and non-resident seasonal RV campers and 3% convenience fee for credit card payments. The convenience fee would save the \$7,000 cost incurred this past season.

Discussion ensued of the interest to use Fort Getty for community based activities into the fall season. Vice President Meagher referenced the September 15, 2015 camping season closing, which seemed rather early, and potentially extending the camping season or shifting the opening and closing of the season. The fee schedule proposed is not based on an extended season. Parks and Recreation Program Director Jill Goldstein suggested opening the season earlier in the week so that staff is available. Discussion ensued.

A motion was made by Vice President Meagher with second by Councilor White to approve the 2016 Fort Getty Fee Schedule as recommended with the fee increase of \$100 for the resident and non-resident seasonal campers and 3% convenience fee for credit cards with a 2016 season schedule of May 19th to September 19th. JAMESTOWN PHILOMENIAN LIBRARY
Revised Minutes of a Regular Meeting of the Board of Trustees
Tuesday, November 10, 2015

The meeting was called to order at 5 p.m. by President Peter Carson. The meeting was held in the Sidney Wright Museum Room of the library.

In Attendance: Peter Carson, Laura Yentsch, Donna Fogarty, Mary Lou Sanborn, Paul Housberg, Chris Walsh, and Jennifer Cloud

Absent: Kristine Trocki (Town Council President and Liaison to the Library Board of Trustees)

Guest: Andrew Nota (Town Administrator)

- I. **Roll Call of Members:** The roll call of attendance was completed by Secretary Laura Yentsch. The attendance is noted above.
- II. **Agenda Revision:** Mary Lou Sanborn made a motion to revise the November agenda based on one item not included on November agenda which was marked for this agenda in the October 13, 2015 minutes. This item was a discussion on the Annual Report. Andy Nota clarified the procedures for adding items to the formal agenda based on recent changes made by the Secretary of State office. It was decided by the Trustees that the Annual Report will be added to the December 2015 agenda.
- III. **Consent Agenda:** Peter Carson asked the Trustees if there were any items to be pulled from the consent agenda. Peter wanted to remove the Trustee Financial Report and discuss it under New Business. The consent agenda items included Financial Reports (Library) and the report of the Library Director, Donna Fogarty. A motion was made to accept the consent agenda. This motion was unanimously approved.
- IV. **Disposition of Minutes of October 13, 2015**
There was a motion to accept the minutes pending the following revision: the use of the Friends 501c3 account for fundraising, if necessary. The following Trustees voted to accept the minutes with this revision: Peter Carson, Paul Housberg, Jennifer Cloud, Laura Yentsch, Chris Walsh, and Mary Lou Sanborn.
- V. **President's Report:**
 - A. Peter Carson noted that an OLIS workshop with the coalition of Library Services will be held on Thursday, Nov. 12, 2015 in Cumberland, RI. Peter Carson and Mary Lou Sanborn stated that they will attend the meeting.
 - B. Peter wanted to review Title 29 of the Rhode Island General Laws, specifically sections 29-4-5, 29-4-6, and 29-4-7. These sections address the issue on the appointment of the Board of Trustees and the charge of the Trustees. It was decided by the Trustees to table this conversation until January 2016 when the new Trustee is appointed. There was a suggestion by Mary Lou Sanborn that we review these sections of the Rhode Island General Law before the January 2016 meeting; all Trustees concurred. Donna Fogarty will send out a link to this part of the Statute.
 - C. Peter Carson wants to accept Town Councilman Blake Dickinson's offer for the Trustees to meet with the Town Council to discover our roles as Trustees. Peter is also not clear on how to use Open Meetings Act (OMA). He thinks we should invite someone from OLIS or State Library Board to the meeting with the

Town Council. He is willing to come to meeting with the Town Council to get to the bottom of the responsibilities of the Trustees.

- D. Laura Yentsch brought up items noted in recent email correspondence among Paul Housberg, Peter Carson, and Blake Dickinson. The emails were sent to the Town Council members and ultimately to the Trustees. Laura Yentsch noted that three areas contained inaccurate information. The Items which were inaccurate were the appointment of Paul Housberg by all Trustees, the Trustee review of Board governance policies, and the issue of emailing the Town Council and the Town Administrator without notifying the Trustees. A discussion ensued about this issue. Donna Fogarty, Jennifer Cloud, and Peter Carson said that they thought there was discussion Paul's appointment. Laura Yentsch noted that this was inaccurate and referred to the approved minutes of September 22, 2015 Trustee meeting as proof. Peter Carson said that he will make sure that all appointments are voted on going forward.
- E. Jennifer Cloud asked about how to finance the survey. The Library Renovation Committee will research this information (revision).

VI. Progress and Service Report of the Library Director:

Prior to the meeting, Donna Fogarty submitted a report to the Trustees. The report was reviewed with no questions.

VII. Friends of the Library Report:

Jennifer Cloud attended the Friends' meeting this month. Items discussed were future programs, the renovation committee and secrecy issues, and Christmas programs. The Friends' group suggested an announcement in the *Jamestown Press* to make the Renovation Committee meetings known to the public. Peter Carson mentioned that it is important to have the liaison with the Friends and to continue improving communications. There was a question on the Friends' liaison to the Trustees. It was noted that Dorothy Strang was not a liaison to the Trustees, but was the representative to the Renovation Committee. A recommendation was made to have Laura Yentsch ask the Friends' group to appoint a liaison to the Trustees. Laura Yentsch will attend the December Friends' meeting.

VIII. Communications: None

IX. Old Business:

Library Renovation Committee Charge:

Chris Walsh reported the following took place at the last meeting:

- A. A lively discussion on what was an excellent library for Jamestown.
- B. A handout of topics was distributed. Topics included survey, children's room, community and patron spaces, technology, staff area needs, physical plant, and building needs. Chris Walsh reviewed the topics and asked the Trustees if any other topics needed to be added. Laura Yentsch mentioned adding "other libraries" to the list of topics.
- C. A survey was discussed at the last Renovation Committee meeting. Chris Walsh is hoping to complete the survey content at the next meeting. He wants to talk about disseminating the survey. Lisa Bryer volunteered to move this forward. Chris wanted to have the Trustees approve it in the December Trustee meeting in order to implement the survey by January 2016.
- D. Chris Walsh asked for a timeframe and direction on what needs to happen in Phase 1 of the project.

- E. Mary Lou Sanborn mentioned that we need a project outline. She took the initiative and worked and distributed a draft copy of the project outline. She suggested a special meeting to look at this draft copy and then present it to the Town Council. This would be a living document. Peter Carson's concern was about putting this out to the public in case things change going forward. Mary Lou Sanborn stated that this should be given to the Town Council. Chris Walsh said that this project plan was very helpful and he suggested refining the plan a bit. Chris Walsh said that this addresses the information. Mary Lou Sanborn said that the automation of the survey will make a difference in the timeline. Donna Fogarty asked about how to reach summer residents. Dissemination of the survey will be a discussion at the next Library Renovation meeting.
- F. Peter Carson mentioned marketing the survey and action plan need to be disseminated correctly; it is not to be rushed. This schedule will inform the Town Capital Improvement Plan for the budget in 2016. Mary Lou mentioned that this would come out of Phase 2, design. Andy Nota mentioned that the engineering study needs to take place by the end of the fiscal year, June 30, 2016. A discussion ensued on how to go about hiring an architect. Andy Nota mentioned that he and Donna Fogarty will work on an RFP to accomplish this task.
- G. Mary Lou Sanborn asked Chris Walsh if the suggestion at the October 13, 2015 Trustee meeting of adding members from all aspects of the community to the Library Renovation Committee took place. Chris Walsh mentioned that he will contact the Jamestown Chamber of Commerce to include different populations of the island.

X. New Business:

Governance Policies:

- A. Paul Housberg apologized to the Board of Trustees for creating all of the drama with recent email correspondence to the Town Council. Paul Housberg mentioned that he needs to have a better understanding of communication. This type of issue should be considered as part of the Library Trustees By-Laws/ Board Policies.
- B. Paul Housberg stated that he has experience in two different boards. He suggests that we try a couple of policies. Paul Housberg wanted to now take a vote on his appointment to the governance policy position. A motion was made to appoint Paul Housberg to lead the governance section. It was unanimously approved by the Trustees.
- C. Paul Housberg referred to a handout of topics for the proposed policies for Board Development.
- D. Peter Carson asked how to adopt policies; do we adopt each as the policies are reviewed. Mary Lou Sanborn mentioned that policies are distributed, reviewed, and placed on 30-day reads, pending a vote at the next Board of Trustee meeting.
- E. The first policy distributed was titled "Governing Style." Mary Lou Sanborn looked for a relation to Title 29. Jennifer Cloud asked specifically about orientation of new board members. A "Code of Conduct" policy was also distributed. In the January 2016 meeting, the two sections will be reviewed and either adopt or put aside.

b. Financial Reports (Trustee):

- A. Peter Carson asked about the details in the September 2015 report; specifically, activity of the accounts. Mary Lou Sanborn said that she can provide this information. Peter Carson wanted the Treasurer to include this information going forward. Mary Lou Sanborn noted that two checks were written from the 330 account to Blakeley Briscoe, there was a transfer from the Capital Campaign account to the checking account, and the Champlin Fund account was the same. Mary Lou Sanborn will include details going forward. A motion was made to accept the report. It was unanimously approved.
- B. Jennifer Cloud asked about a Christmas gesture for the staff of the library. All agreed that this was a good idea. Mary Lou suggested teaming up with the Friends to do the luncheon. Mary Lou Sanborn offered to contact Arlene Petit regarding this issue.
- C. Mary Lou Sanborn asked about evaluating the director, Donna Fogarty. Donna Fogarty mentioned that this is usually done every February.
