

TOWN COUNCIL MEETING
Jamestown Town Hall
Rosamond A. Tefft Council Chambers
93 Narragansett Avenue
Tuesday, January 22, 2019
6:30 PM

The public is welcome to participate in this Town Council meeting. Open Forum offers citizens the opportunity to clarify an item on the agenda, address items not on the agenda, or comment on a communication or Consent Agenda item. Citizens are welcome to speak to the subject of a Public Hearing, and are allowed to speak at the discretion of the Council President or a majority of Councilors present, or at other times during the meeting, in particular during New or Unfinished Business.

Anyone wishing to speak should use the microphone at the front of the room, stating their name and address for the record; comments must be addressed to the Council, not the audience. It is the Town Council's hope that citizens and Councilors alike will be respectful of each other's right to speak, tolerant of different points of view, and mindful of everyone's time.

Attachments for items on this meeting agenda are available to the public on the Town website at: <http://www.jamestownri.gov/town-government/town-council/town-council-meetings-minutes/2018-meetings-minutes/2018-meetings>

(No scheduled requests)
- 2) Non-scheduled request to address:
(No non-scheduled requests)

REPORT OF TOWN OFFICIALS

1) **Pumping Report:**

The Public Works Director reported the following:

- Pumping was down slightly for the months of October and November.
- JR-1 was turned off for the winter to protect the equipment and piping from freezing.
- Rainfall was up for the months of October and November (had 24 inches of rain over the past two months).
- Transfer pumping has been disconnected to protect the equipment and piping from freezing.
- North Reservoir is @ capacity, usable storage-60MG
- South Pond is @ capacity, usable storage-6MG

2) **Town project reports: (See attached Project Update Report dated December 2018)**

Water Treatment Plant:

The Public Works Director briefly outlined the membrane filtration annual maintenance process and stated that he has included photographs of the membrane filters and the staff completing this maintenance task at the Water Treatment Plant.

North Reservoir:

The Public Works Director stated that North Reservoir is currently full and overflowing, which is earlier than usual. The Public Works Director further stated that this overflow usually happens in the spring.

Public Facilities:

The Public Works Director stated that he is working with the Town Administrator to set up a tour for the incoming Town Council/Commission to view the Town owned facilities.

The Public Works Director stated that along with his monthly report, he has included a detailed report for the incoming Town Council/Commission to provide them with information for the major components of the water system consisting of wells, treatment plant, transfer pumping to the reservoir, the distribution system and general information on the Wastewater Treatment Plant operation.

Following clarification on a few items, it was the consensus of the Commission to accept the Public Works Director's report, as presented.

LETTERS AND COMMUNICATIONS

1) Letter of Joseph McGrady of Dutch Harbor Boatyard to Public Works Director Michael Gray re: request for relief from his 10/2018 Water and Sewer bill (Account #11-021010, Plat 8 Lot 463, 252 Narragansett Avenue)

Joseph McGrady of owner of 252 and 244 Narragansett Avenue stated that the water meter for 252 Narragansett Avenue supplies water to one sink in the shack and to the hose at the end of the dock for boat washing and that a leak was discovered in the hose to the dock. Mr. McGrady stated that since the Water and Sewer Bills are mailed to Ridgefield, CT to his partner and where the accountant is located, he was not aware of the issue.

Commission Vice-President Meagher stated that Michael Gray, Public Works Director had provided the Commission a memorandum regarding the situation, noting the following:

- Mr. McGrady is requesting relief from the sewer portion of the 10/18 Water and Sewer Bill as the water did not enter the sewer system.
- Historically, the Commission has granted relief, if it is determined that that the discharge was outside of the dwelling or into the ground.
- The Commission has not granted relief to a property owner for the water portion of the bill, since there is a cost associated with treating and delivering the water to the property.
- Water staff confirmed that the leak did not enter the municipal sewer system.

The Finance Director suggested that if relief was given on the sewer charges, that an average is taken on previous usage and that the adjustment be made accordingly.

Following brief discussion and clarification by the Commission, motion was made by Commissioner Randall White, seconded by Commissioner Beye to grant the request from Joseph McGrady of Dutch Harbor Boatyard located at 252 Narragansett Avenue (Plat 8, Lot 463) for relief on sewer charges, as prorated by an average of usage, as suggested by the Public Works Director and the Finance Director. So unanimously voted.

Project Update December 2018

WELLS

JR-1, JR-3

- JR-1 is turned off for winter conditions to protect equipment and piping from freezing.

TREATMENT PLANT

- Water department staff removed the membranes filters from the steel tanks to perform maintenance on the system. Individual membranes cartridges are placed in a tray of water and inspected for leaks. Strands that are found with a leak are cut-out and the membrane termination is injected with a silicone-based material and sealed. Over the past two weeks both filters were removed for inspection. I have included photos of the filter and of the staff performing maintenance on one membrane cartridge.

TRANSFER PUMPING/RESERVOIR

- The piping for our transfer pump has been disconnected to protect equipment from freezing during the winter months.
- Work on the south pond dam was postponed until the 2019 summer season.
- The improvements of the dam at south pond include a precast concrete system that will be installed on the surface of the earthen dam to protect it from erosion. The precast concrete mats have been delivered and were off loaded and stacked at the transfer station until we begin the project next year.

DISTRIBUTION SYSTEM

South Pond @ 6 MG

Usable Storage, 6 Million Gallons

North Pond @ 60 MG

Usable Storage 60 Million Gallons

- The water department, with the assistance of the highway department, completed the installation of a new 8" PVC watermain in Conanicus Avenue between East Ferry and Union Street. This pipe replaces a 6" cast iron main and provides the connection to loop two dead ends in the system. In 2019 the water department will complete the Conanicus Avenue watermain replacement project by extending the 8" main to Lincoln Street eliminating another dead-end piping segment.

WASTEWATER TREATMENT PLANT

- The monthly average daily flow at the treatment plant for November was 1.09 million gallons per day. The peak daily flow was 2.10 million gallons. The permitted monthly average flow is 0.73 million gallons per day. The average monthly flow for November exceeded our discharge permit but the wastewater plant still met our treatment standards for the sewer effluent discharged to the bay. Many wastewater plants experienced higher than normal flows due to the rain received over the past few months.

- Over the past three months Jamestown has received close to 2 feet of rainfall. Rain continues to have an impact on the sewer collection system due to I/I (Inflow & infiltration). There were no sanitary sewer discharges from the collection system during this period of heavy rain due to improvements made to our system and the work of our wastewater staff. Rain events in November resulted in almost 40 hours of overtime to monitor and maintain our pumping stations and treatment plant.
- Wolfe Construction has completed the sewer main replacement project on Grinnell Street. This project included the replacement of 900 linear feet of clay sewer piping with 8" PVC and the installation of new services within the Town Right of Way.

Project Update January 2019

WELLS

JR-1, JR-3

- JR-1 is turned off for winter conditions to protect equipment and piping from freezing.

TREATMENT PLANT

- To provide safe drinking water to our customers, the water is disinfected with chlorine as the last step in treatment before distribution. Disinfectants can react with naturally occurring materials in the water to form byproducts that can pose health risks. The water department is responsible for monitoring water from the distribution system once every quarter for disinfection byproducts that include Total Trihalomethanes (TTHMs) and Total Haloacetic Acids (HAAs).

The Stage 2 Disinfection by-products rule requires us to collect and analyze a sample taken from the Town Hall each quarter. The fourth quarter testing results were 53.2 ppb for TTHMs and 15.2 ppb for HAAs. The EPA has set a maximum level of 80 ppb for TTHMs and 60 ppb for HAAs. The EPA determines maximum levels of contaminants in drinking water at which no adverse health effects are likely to occur. As the results show we are below the levels set by EPA.

TRANSFER PUMPING/RESERVOIR

- The piping for our transfer pump has been disconnected to protect equipment from freezing during the winter months.
- Work on the south pond dam was postponed until the 2019 summer season.
- We have completed our second round of E. Coli monitoring of the reservoir. We were required by the RI Department of Health to collect a sample from the reservoir every two weeks to be analyzed for E. Coli. I will be submitting a report to the RIDOH summarizing our analytical results. Based upon these results the RIDOH may require cryptosporidium monitoring for the next 12 months.

DISTRIBUTION SYSTEM

South Pond @ 6 MG

Usable Storage, 6 Million Gallons

North Pond @ 60 MG

Usable Storage 60 Million Gallons

- There were no leaks reported in the system for the month of December.

WASTEWATER TREATMENT PLANT

- The monthly average daily flow at the treatment plant for December was 0.66 million gallons per day. The peak daily flow was 1.3 million gallons. The permitted monthly average flow is 0.73 million gallons per day. There were no sanitary sewer overflows for the month of December. Rain and groundwater continue to have an impact on the sewer collection system due to I/I (Inflow & infiltration).

The RIDEM Office of Water Resources completed their annual compliance evaluation of the wastewater treatment facility in December. I am currently working on a response to comments received regarding this inspection. There are two items that I would like to note:

1. The RIDEM is requiring a more robust program to remove Inflow and Infiltration (I/I) from our collection system. They have concerns with the recent sanitary flows received at the plant that have exceeded the permitted discharge of 0.73 million gallons per day and the Sanitary Sewer Overflow (SSO) to the Bay that occurred in March 2018.
 - o In March 2018 the Staff at the Wastewater Treatment Facility dealt with excessive flows with the rains received and the groundwater levels in the village. During the weekend of March 2nd through the 4th the staff at the wastewater department had to deal with high flows at all 4 pump stations and power outages due to the coastal storm that dumped 2.47 inches of rain and winds in excess of 50 MPH. Flows recorded at 6:00 am on March 2nd before the storm were at 0.6 million by 8:00 pm flows were in excess of 2 million gallons at the wastewater plant. Staff worked around the clock for three days manning the pump stations, responding to alarms, dealing with pump and electrical issues and keeping generators running and fueled. Sanitary sewer overflows (SSOs) were logged at Conanicus, Knowles Court, and Mackerel Cove due to the event.

I am working with our Wastewater superintendent to develop a plan to address issues of I/I in the sewer collection system. Elements of the plan will include sump pump inspections, collection system cleaning, TV inspection of piping, and developing a long-term capital investment plan for improvements to the collection system with pipe lining and/or replacement.

2. The second item of importance to the Board is the requirement of the RIDEM for additional staffing within the wastewater department. We currently have 3 full time operators at the facility. The operation and maintenance manual approved by the RIDEM list's a fourth position of seasonal laborer. This laborer position was not filled after sludge processing was eliminated at the treatment facility. Sludge is now hauled offsite in tanker trucks for disposal.

TOWN OF JAMESTOWN

P.O. Box 377
JAMESTOWN, RHODE ISLAND 02835

TO: HONORABLE TOWN COUNCIL
FROM: ANDREW E. NOTA, TOWN ADMINISTRATOR
SUBJECT: JANUARY 22, 2019 - PROJECT AND BUSINESS UPDATE
DATE: January 17, 2019

The following business items are provided as part of the January 22, 2019 - Administrators Report. These items reflect ongoing projects and initiatives that are under review and in various stages of development with the Town staff and some that may require further Town Council direction.

A) Fort Getty Building Improvement Bid Status Update:

The Request for Proposals (RFP) for the replacement of the Fort Getty Gate House and Lower Restroom facility were developed by the Parks and Recreation, Planning and Public Works Department's with the professional assistance of Union Studio, Don Powers, Architect. The bid results ranged between six qualified bidders, (Advanced Building Concepts, Tower Construction, Martone Service Co., The Damon Company, J.G. Edwards Construction, and Marino Construction LLC.), from a low of \$488,588 to a high of \$606,000. The spread of the top five companies amounted to only \$57,412 which tells us that the bids represent good estimates based on the overall consistency in each submittal.

These figures are beyond what was anticipated as a total cost for this scope of work, which seems to be more common in today's economic climate. This result has prompted the revisiting of the project and cost drivers with the six bidders of record. In a similar process used in other major community projects that have faced higher than anticipated costs, the professional staff will reach out to the pool of bidders to engage them in an open dialogue regarding a possible modified rebid to allow for value engineering practices to be used in order to assess where acceptable cost reductions may be possible.

In speaking with the Parks and Recreation Director, Andy Wade, the most important element of this project with the greatest impact heading into the 2019 season, is the proposed upgrade to the lower restroom facility. It remains our hope that a series of adjustments to this aspect of the project, along with funding to be budgeted in FY2020 will be sufficient in order to complete this work in the upcoming months. Should it become necessary, the Town staff may consider taking on aspects of the Gate House project internally for implementation for the 2020 season.

This agenda item will reappear on a future agenda in February/March once updated cost estimates are available to discuss with the Council.

B) Streetlight RFP Development and PUC Hearing regarding lights on State Roads Status Update:

In a recent settlement with National Grid, the Town of Johnston will no longer pay for electricity and maintenance costs for streetlights on state roads. Instead, the State of Rhode Island will be responsible for all expenses associated with those fixtures. The Town had previously ceased paying

the costs for these fixtures over an eight-year period, that eventually totaled in excess of \$3 million, and recently made payment as part of this settlement, although will no longer pay them going forward.

Mayor Joseph Polisena based his actions to cut off the payments when the state was facing budget difficulty and Cities and Towns were losing state aid in and around 2010. In assessing the lights in that community and finding many too close together, he initiated the process to significantly modify the system and he chose to cease payment in the interim.

There remains a handful of communities in Rhode Island that have not yet purchased its streetlights from National Grid and modernized them with new LED lighting and modern cost saving controls. As previously reported to the Council during this past year, the Town has been working with a group of communities, including Middletown, Smithfield, Lincoln and Portsmouth along with a consultant provided by National Grid, in developing a comprehensive Request for Proposals (RFP). The work associated with the RFP has come to a conclusion and the group was prepared to move forward until such time that the Johnston settlement was publicly released. As communities that do not yet have an ownership interest in the lights located on state roads, there may be options available to the group to engage National Grid in a similar conversation regarding payment, and upkeep of these fixtures in each community.

The process forward for this group of communities remains unclear, with research being conducted into a City of Pawtucket complaint filed with the RIPUC on this matter, which is set to be heard on January 23, 2019 while other communities are considering seeking relief in Superior Court. Until clarity can be brought to this matter, we continue to gather information in seeking the best course of possible legal action that we may/may not want to consider regarding this issue.

C) **RI League of Cities and Towns Status Update:**

- a. RILCT 2018 Accomplishments: (Attached)
- b. Status Update:
 - 1) **Registration for League's Annual Conference** – Registration is open for the League of Cities and Towns' Annual Convention – Thursday, January 24, from 8:30 to 4:00, at the Crowne Plaza in Warwick. There are planned eighteen training sessions/workshops scheduled and approximately 100 exhibitors with services tailored to municipal needs. Registration is free for all municipal officials and staff. Additional information about the convention, including a link to register, is available on our website at <http://ri-rileague.civicplus.com/index.aspx?NID=100>.
 - 2) **Ideas for Education Long-Range Planning Commission** – Brian Daniels will serve as the League's representative on the RI Foundation's Long-Term Education Planning Committee (<https://www.wpri.com/news/dan-mcgowan/group-to-craft-10-year-plan-for-improving-ri-schools/1640047439>). The goal is to come up with recommendations for a 10-year vision and goals for education in Rhode Island. We'll be looking at finance, governance, accountability, curriculum, interaction with employers/workforce needs, etc. Our goal is to make sure cities' and towns' perspectives are heard, so a request has been made to all League members for any ideas they would like to have conveyed to the Commission.
 - 3) **MERS Valuation Reports** – The Employees' Retirement System of Rhode Island has released its FY 2018 valuation reports for municipal pension plans in the MERS system. The report includes the employer contribution rates for FY 2021. Details are available at <http://www.ersri.org/actuarial-valuations/mers-actuarial-valuations/#gsc.tab=0>.
 - 4) **Amicus Brief Opportunity on Local Tobacco Enforcement** – The Department of Health alerted us to an *amicus curiae* brief that the Public Health Law Center is preparing in support of the Town of Johnston's efforts to pass local ordinances governing tobacco sales. Other

communities are invited to sign on. I have attached the PHLC summary and request for signatures and an example of sign-on language. If you have any questions or would like to sign on, please contact Hudson Jackson with PHLC at HUDSON.KINGSTON@MITCHELLHAMLINE.EDU.

- 5) **Commerce Request – Available Property** – The League has received the request below from the RI Commerce Corporation (Commerce RI), which is looking to establish a list of land available for development. You may use the attached spec sheet to collect the information, and send it to SHREYAS.REGUNATHAN@COMMERCE-RI.COM.

In an ongoing effort to promote Rhode Island as a notable opportunity for new or expanding companies, CommerceRI is reaching out to request real estate information from all municipalities across the state. They are looking for up to 3 submissions per municipality, focusing on development districts or large facilities/parcels. With Rhode Island vacancy rates at low levels (i.e. approximately 2% RI Industrial, and approximately 10% Providence Office) we would like to fully understand facility availability and priority development areas and opportunities in your jurisdictions.

Mr. Andrew Nota, Town Administrator
Town of Jamestown
Via: Hand Delivery

Dear Mr. Nota:

I am confirming my interest being appointed to the probate judgeship recently vacated by Judge Peter McGuirl.

I have lived in Jamestown for close to forty years, have raised four children here, and am now interested in serving my community by serving as Probate Judge.

I have been a practicing attorney in this state since 1977. I have represented people in multiple probate courts in Rhode Island, and am very familiar with probate statutes and rules of practice. In addition, I am very familiar with how probate affects land titles, as the bulk of my practice involves title examinations and closings.

I served on the Town Council of the Town of Jamestown when my children were very young. Now that they are grown and I am nearing retirement, I would like to again commit some time to giving back my community.

Sincerely,

Mark E. Liberati, Esq.

Re: Probate Judge - Town of Jamestown

Dear Mr. Nota:

I have enclosed my Resume in support of my application for the Judicial position in the Probate Court for the Town of Jamestown for the 2018-2020 term.

I held the position of Probate Judge for the City of Newport in 1981-1982, while filling out the term of Matthew Faerber who was the previous Probate Judge. I was again appointed in 2011 as the Probate Judge and have been re-appointed through 2020. Having had prior experience in the job and also extensive experience with Wills, Trusts and the Probate Practice, I would readily accept the responsibilities of the Probate Judge for the Town of Jamestown.

The Probate Court deals with sensitive lifetime issues in dealing with death in families or a person who has lost their ability to understand and needs a Guardian. In my Court sessions, I acknowledge the proposed Executor and Administrator and offer my sympathy for the death of the Town Citizen. In Guardianship Estates, I thank the proposed Guardian for accepting the responsibility to care for the Ward and request they follow the guidelines and if they have any questions, to ask their legal counsel. At their appointment, I also give them a booklet on how to be a Guardian which is published by the Federal Consumer Protection Bureau. These are small items but make a big difference in our citizens in dealing with crisis situations in their lives.

Additionally, I start Court at the time it is scheduled for a prompt and efficient hearing of the Court docket. In other Courts, it always perturbed me that the Judge would be late in starting the session, which is why I choose to be prompt with the start of all of my Court sessions.

My experience has included being a Secretary and Member of the Rhode Island Probate Judges Association. I am also a Member of the National College of Probate Judges and hold their position as the Rhode Island State Representative in the College. There are several other Judges that handle more than one jurisdiction. Judge Paula Cucalo (North Providence & Foster), Judge Richard D'Addario (Tiverton & Little Compton) and Judge Christine J. Engustian (East Providence & Richmond).

I am looking forward to speaking to you and the Council member through the interview process concerning my application for appointment of Probate Judge for the Town of Jamestown.

Thank you in advance for your consideration.

From: Christine Brochu, Tax Assessor
Subject: Veteran exemption details
Date: January 22, 2019

Good Evening,

Tonight in your packages you have a detailed comparison of the Veteran, Widow/Widower and 100% Service-related Veteran exemptions. I would like to go over these comparisons and answer any questions. I will also discuss making some updates to the Rhode Island General Law regarding all the veteran related exemptions.

A statewide analysis of Veteran and Widow/Widower exemptions on Real Estate and Motor Vehicle is on the attached Comparison #1 and the 100% Disabled Veteran exemption analysis is on the attached Comparison #2. They are listed with the largest tax credit on the top to the lowest tax credit on the bottom. The average is the sum of all tax credits divided by the total number of cities and towns. There are 39 cities and towns in Rhode Island. The mean is the value midway between the two extremes. Since there are 39 cities and towns, the mean would be the 20th line. (This is between the 19th from the top and the 19th from the bottom). When a Veteran's exemption is applied to an account, it is first applied to real estate and if the veteran does not own real estate then it will be applied to a motor vehicle account.

The Veterans' exemption law (RIGL 44-3-4) is very specific on qualifying dates, conflicts and types of medals received in order to qualify for any of the Veteran exemptions. Charlestown is the only town cited in the law to allow this exemption to ALL veterans of the United States armed services regardless of their qualified service dates and who was honorably discharged. I have worked in other towns and you would be surprised how many veterans do not qualify for these exemptions because they were not enlisted during a qualifying event. Historically, Jamestown has recognized all veterans to receive the veterans exemption regardless of their qualified service dates and who was honorably discharged. I am proposing in the attached updates to request that the Veterans' exemption law reflect that Jamestown may grant the exemption to all veterans of the United States armed services regardless of their qualified service dates and who was honorably discharged. Jamestown's recognition of all veterans allows more taxpayers to receive this exemption. In comparison, other towns will have fewer veterans because they utilize the qualifying dates outlined in the law. Because fewer applicants qualify, these towns may be able to give a greater exemption.

I have completed a review of Jamestown's Veteran's exemptions and noticed the Rhode Island General Law will need some updating. During the May 15, 2017, meeting the town council approved the recommendations set forth by the tax assessor and town administrator, which allows for our current tax credits:

<u>Exemption Category:</u>	<u>Amount (tax credit)</u>
Veteran	\$150.00
Widow/Widower of a Veteran	\$150.00
100% Totally Disabled Service Connected	\$300.00

Specially Adapted Housing	\$500.00
Prisoner of War	\$500.00

The following updates will insure the councils wishes are fully executed within the Rhode Island General Law:

- 1) Veteran and Widow or Widower Exemption as it applies to real estate. The benefit is currently a \$150.00 credit. The updated language is worded to include all veterans not just the veterans that served in one of the required qualifying events prescribed in the law, or to the unmarried widow or widower of that person who is not currently receiving this statutory exemption.. Replace 44-3-4 (a) (1) (iv) with the following: Jamestown, where the town council may, by ordinance, provide for a tax credit or exemption to any veteran of the United States armed services regardless of their qualified service dates, who was honorably discharged or who was discharged under conditions other than dishonorable.
- 2) Veteran and Widow or Widower Exemption as it applies to personal property. This is considered the motor vehicle section of the law and it only allows for a value exemption, not a tax credit. Currently this benefit is equivalent to a credit up to \$150.00. This section of the law is typically used if a veteran does not own real estate, then the exemption will be applied to motor vehicles. The updated language is worded to include all veterans not just the veterans that served in one of the required qualifying events prescribed in the law or to the unmarried widow or widower of that person who is not currently receiving this statutory exemption. Add to 44-3-4 (a) (2) with the following: Jamestown, where the town council may, by ordinance, provide for an exemption to any veteran of the United States armed services regardless of their qualified service dates, who was honorably discharged or who was discharged under conditions other than dishonorable, or to the unmarried widow or widower of that person who is not currently receiving this statutory exemption.
- 3) Historically if someone qualifies for the 100% disabled veteran exemption they will receive the regular veteran exemption (which is \$150.00 credit) and the 100% disabled veteran exemption (which is a \$300.00 credit) in Jamestown. In short the 100% disabled veteran receives a \$450.00 tax credit. All of the cities and towns interpret this part of the law differently. Some only give either the veteran exemption or the 100% disabled veteran exemption. Add to 44-3-4-(a)(3) with the following: Jamestown, where the town council may, by ordinance, provide for an additional tax credit or exemption on real or personal property to any veteran of the United States armed services, who is considered 100% totally disabled through a service connected disability and who was honorably discharged or who was discharged under conditions other than dishonorable, or to the unmarried widow or widower of that person who is not currently receiving this statutory exemption.
- 4) The section of the law for specially adapted housing requires each municipality to offer a \$10,000 exemption (or \$88.50 credit) on real estate accounts only for the Veteran or the unmarried Widow or Widower. Jamestown has historically allotted for this exemption to be a tax credit of \$500.00. We currently do not have any qualified veterans utilizing this section, but we would like for the Rhode Island law to be updated to add to 44-3-4-(b) with the following: Jamestown, where the town council may, by ordinance provide a tax credit of \$500.00.
- 5) The law also specifies that the real estate or personal property of any veteran who has been classified or determined to be a prisoner of war by the Veterans' Administration or the unmarried Widow or Widower may receive an exemption of \$15,000 (or \$132.75 credit) Jamestown has historically allotted for this exemption to be a tax credit of \$500.00. We currently do not have any qualified veterans utilizing this section, but we would like for the Rhode Island law to be updated to Add to 44-3-4-(e) with the following: Jamestown, where the town council may, by ordinance provide a tax credit or exemption on real or personal property.

TITLE 44

Taxation

CHAPTER 44-3

Property Subject to Taxation

SECTION 44-3-4

§ 44-3-4. Veterans' exemptions.

(a)(1) The property of each person who served in the military or naval service of the United States in the war of the rebellion, the Spanish-American war, the insurrection in the Philippines, the China-relief expedition, or World War I, and the property of each person who served in the military or naval service of the United States in World War II at any time during the period beginning December 7, 1941, and ending on December 31, 1946, and the property of each person who served in the military or naval services of the United States in the Korean conflict at any time during the period beginning June 27, 1950, and ending January 31, 1955, or in the Vietnam conflict at any time during the period beginning February 28, 1961, and ending May 7, 1975, or who actually served in the Grenada or Lebanon conflicts of 1983-1984, or the Persian Gulf conflict, the Haitian conflict, the Somalian conflict, and the Bosnian conflict, at any time during the period beginning August 2, 1990, and ending May 1, 1994, or in any conflict or undeclared war and who was honorably discharged from the service, or who was discharged under conditions other than dishonorable, or who, if not discharged, served honorably, or the property of the unmarried widow or widower of that person, is exempted from taxation to the amount of one thousand dollars (\$1,000), except in:

(i) Burrillville, where the exemption is four thousand dollars (\$4,000);

(ii) Cumberland, where the town council may, by ordinance, provide for an exemption of a maximum of twenty-three thousand seven hundred seventy-two dollars (\$23,772);

(iii) Cranston, where the exemption shall not exceed three thousand dollars (\$3,000);

(iv) Jamestown, where the town council may, by ordinance, provide for an exemption for veterans, and a tax credit for one hundred percent (100%) service-related disabled veterans at the discretion of the council;

(v) Lincoln, where the exemption shall not exceed ten thousand dollars (\$10,000); and where the town council may also provide for a real estate tax exemption not exceeding ten thousand dollars (\$10,000) for those honorably discharged active duty veterans who served in Operation Desert Storm;

(vi) Newport, where the exemption is four thousand dollars (\$4,000);

(vii) New Shoreham, where the town council may, by ordinance, provide for an exemption of a maximum of thirty-six thousand four hundred fifty dollars (\$36,450);

(viii) North Kingstown, where the exemption is ten thousand dollars (\$10,000);

(ix) North Providence, where the town council may, by ordinance, provide for an exemption of a maximum of five thousand dollars (\$5,000);

(x) [As amended by P.L. 2015, ch. 168, § 1]. Smithfield, where the exemption is ten thousand dollars (\$10,000);

(x) [As amended by P.L. 2015, ch. 179, § 1]. Smithfield, where the exemption is four thousand dollars (\$4,000). Provided, effective July 1, 2016, the Smithfield town council may, by ordinance, provide for an exemption of a maximum of ten thousand dollars (\$10,000);

(xi) Warren, where the exemption shall not exceed five thousand five hundred dollars (\$5,500) on motor vehicles, or ten thousand one hundred seventy-five dollars (\$10,175) on real property;

(xii) Westerly, where the town council may, by ordinance, provide an exemption of the total value of the veterans' real and personal property to a maximum of forty thousand five hundred dollars (\$40,500);

(xiii) Barrington, where the town council may, by ordinance, provide for an exemption of six thousand dollars (\$6,000) for real property;

(xiv) Exeter, where the exemption is five thousand dollars (\$5,000);

(xv) Gloucester, where the exemption shall not exceed thirty thousand dollars (\$30,000);

(xvi) West Warwick, where the city council may, by ordinance, provide for an exemption of up to ten thousand dollars (\$10,000);

(xvii) Warwick, where the city council may, by ordinance, provide for an exemption of a maximum of four thousand dollars (\$4,000);

(xviii) [As added by P.L 2016, ch. 238, § 1]. Charlestown, where the town council may, by ordinance, provide for an additional exemption to any veteran of the United States armed services, regardless of the veteran's qualified service dates, who was honorably discharged, or to the unmarried widow or widower of that person who is not currently receiving this statutory exemption;

(xix) [As added by P.L 2016, ch. 268, § 1]. Charlestown, where the town council may, by ordinance, provide for an additional tax credit to any veteran of the United States armed services, regardless of the veteran's qualified service dates, who was honorably discharged, or to the unmarried widow or widower of that person who is not currently receiving this statutory exemption;

(xx) Narragansett, where the town council may, by ordinance, provide for an exemption of a maximum of twenty thousand dollars (\$20,000) from the assessed value of real property, or twelve thousand dollars (\$12,000) from the assessed value of a motor vehicle; and

(xxi) Tiverton, where the town council may provide, by ordinance as may be amended from time to time, a tax credit of two hundred dollars (\$200) or greater.

(2) The exemption is applied to the property in the municipality where the person resides, and if there is not sufficient property to exhaust the exemption, the person may claim the balance in any other city or town where the person may own property; provided, that the exemption is not allowed in favor of any person who is not a legal resident of the state, or unless the person entitled to the exemption has presented to the assessors, on or before the last day on which sworn statements may be filed with the assessors for the year for which exemption is claimed, evidence that he or she is entitled, which evidence shall stand so long as his or her legal residence remains unchanged; provided, however, that in the town of South Kingstown, the person entitled to the exemption shall present to the assessors, at least five (5) days prior to the certification of the tax roll, evidence that he or she is entitled to the exemption; and, provided, further, that the exemption provided for in this subdivision to the extent that it applies in any city or town, shall be applied in full to the total value of the person's real and tangible personal property located in the city or town; and, provided, that there is an additional exemption from taxation in the amount of one thousand dollars (\$1,000), except in:

(i) Central Falls, where the city council may, by ordinance, provide for an exemption of a maximum of seven thousand five hundred dollars (\$7,500);

- (ii) Cranston, where the exemption shall not exceed three thousand dollars (\$3,000);
- (iii) Cumberland, where the town council may, by ordinance, provide for an exemption of a maximum of twenty-two thousand five hundred dollars (\$22,500);
- (iv) Lincoln, where the exemption shall not exceed ten thousand dollars (\$10,000);
- (v) Newport, where the exemption is four thousand dollars (\$4,000);
- (vi) New Shoreham, where the town council may, by ordinance, provide for an exemption of a maximum of thirty-six thousand four hundred fifty dollars (\$36,450);
- (vii) North Providence, where the town council may, by ordinance, provide for an exemption of a maximum of five thousand dollars (\$5,000);
- (viii) Smithfield, where the exemption is four thousand dollars (\$4,000);
- (ix) Warren, where the exemption shall not exceed eleven thousand dollars (\$11,000);
- (x) Barrington, where the town council may, by ordinance, provide for an exemption of six thousand dollars (\$6,000) for real property; of the property of every honorably discharged veteran of World War I or World War II, Korean or Vietnam, Grenada or Lebanon conflicts, the Persian Gulf conflict, the Haitian conflict, the Somalian conflict and the Bosnian conflict at any time during the period beginning August 2, 1990, and ending May 1, 1994, or in any conflict or undeclared war who is determined by the Veterans Administration of the United States of America to be totally disabled through service-connected disability and who presents to the assessors a certificate from the veterans administration that the person is totally disabled, which certificate remains effectual so long as the total disability continues; and
- (xi) Charlestown, where the town council may, by ordinance, create a tax dollar credit reduction to replace the tax assessment exemption, as so stated in all sections herein.

(3) Provided, that:

- (i) Burrillville may exempt real property of the totally disabled persons in the amount of six thousand dollars (\$6,000);
- (ii) Cumberland town council may, by ordinance, provide for an exemption of a maximum of twenty-two thousand five hundred dollars (\$22,500);
- (iii) Little Compton may, by ordinance, exempt real property of each of the totally disabled persons in the amount of six thousand dollars (\$6,000);
- (iv) Middletown may exempt the real property of each of the totally disabled persons in the amount of five thousand dollars (\$5,000);
- (v) New Shoreham town council may, by ordinance, provide for an exemption of a maximum of thirty-six thousand four hundred fifty dollars (\$36,450);
- (vi) North Providence town council may, by ordinance, provide for an exemption of a maximum of five thousand dollars (\$5,000);
- (vii) The Tiverton town council may, by ordinance which may be amended from time to time, provide for a four-hundred-dollar (\$400) tax credit or greater on the real property of each of the totally disabled persons;
- (viii) West Warwick town council may exempt the real property of each of the totally disabled persons in an amount of two hundred dollars (\$200); and

(ix) Westerly town council may, by ordinance, provide for an exemption on the total value of real and personal property to a maximum of forty-six thousand five hundred dollars (\$46,500).

(4) There is an additional exemption from taxation in the town of:

Warren, where its town council may, by ordinance, provide for an exemption not exceeding eight thousand two hundred fifty dollars (\$8,250), of the property of every honorably discharged veteran of World War I or World War II, or Vietnam, Grenada or Lebanon conflicts, the Persian Gulf conflict, the Haitian conflict, the Somalian conflict and the Bosnian conflict, at any time during the period beginning August 2, 1990, and ending May 1, 1994, or in any conflict or undeclared war who is determined by the Veterans' Administration of the United States of America to be partially disabled through a service-connected disability and who presents to the assessors a certificate that he or she is partially disabled, which certificate remains effectual so long as the partial disability continues. Provided, however, that the Barrington town council may exempt real property of each of the above named persons in the amount of three thousand dollars (\$3,000); Warwick city council may, by ordinance, exempt real property of each of the above-named persons and to any person who served in any capacity in the military or naval service during the period of time of the Persian Gulf conflict, whether or not the person served in the geographical location of the conflict, in the amount of four thousand dollars (\$4,000).

(5) Lincoln . There is an additional exemption from taxation in the town of Lincoln for the property of each person who actually served in the military or naval service of the United States in the Persian Gulf conflict and who was honorably discharged from the service, or who was discharged under conditions other than dishonorable, or who, if not discharged, served honorably, or of the unmarried widow or widower of that person. The exemption shall be determined by the town council in an amount not to exceed ten thousand dollars (\$10,000).

(b) In addition to the exemption provided in subsection (a) of this section, there is a ten-thousand dollar (\$10,000) exemption from local taxation on real property for any veteran and the unmarried widow or widower of a deceased veteran of the military or naval service of the United States who is determined, under applicable federal law by the Veterans Administration of the United States, to be totally disabled through service-connected disability and who, by reason of the disability, has received assistance in acquiring "specially adopted housing" under laws administered by the veterans' administration; provided, that the real estate is occupied as his or her domicile by the person; and, provided, that if the property is designed for occupancy by more than one family, then only that value of so much of the house as is occupied by the person as his or her domicile is exempted; and, provided, that satisfactory evidence of receipt of the assistance is furnished to the assessors except in:

(1) Cranston, where the exemption shall not exceed thirty thousand dollars (\$30,000);

(2) Cumberland, where the town council may provide for an exemption not to exceed seven thousand five hundred dollars (\$7,500);

(3) Newport, where the exemption is ten thousand dollars (\$10,000) or ten percent (10%) of assessed valuation, whichever is greater;

(4) New Shoreham, where the town council may, by ordinance, provide for an exemption of a maximum of thirty-six thousand four hundred fifty dollars (\$36,450);

(5) North Providence, where the town council may, by ordinance, provide for an exemption not to exceed twelve thousand five hundred dollars (\$12,500);

(6) Westerly, where the town council may, by ordinance, provide for an exemption of a maximum of forty thousand five hundred dollars (\$40,500);

(7) Lincoln, where the town council may, by ordinance, provide for an exemption of a maximum of fifteen thousand dollars (\$15,000);

(8) Narragansett, where the town council may, by ordinance, provide for an exemption of a maximum of fifty thousand dollars (\$50,000); and

(9) Tiverton, where the town council may, by ordinance, provide for a tax credit of two hundred dollars (\$200) or greater, as may be amended from time to time.

(c) In addition to the previously provided exemptions, any veteran of the military or naval service of the United States who is determined, under applicable federal law by the Veterans' Administration of the United States to be totally disabled through service-connected disability may, by ordinance, passed in the city or town where the veteran's property is assessed, receive a ten thousand dollar (\$10,000) exemption from local taxation on his or her property whether real or personal and if the veteran owns real property may be exempt from taxation by any fire and/or lighting district; provided, that in the town of: North Kingstown, where the amount of the exemption shall be eleven thousand dollars (\$11,000) commencing with the December 31, 2002, assessment; and for the town of Westerly, where the amount of the exemption shall be thirty-nine thousand dollars (\$39,000) commencing with the December 31, 2005, assessment; and in the town of Cumberland, where the amount of the exemption shall not exceed forty-seven thousand five hundred forty-four dollars (\$47,544); and the town of Narragansett, where the amount of the exemption shall not exceed twenty thousand dollars (\$20,000) from the assessed value of real property or twelve thousand dollars (\$12,000) from the assessed value of a motor vehicle; and in the city of Cranston, commencing with the December 31, 2016, assessment, where the exemption will not exceed two hundred fifty thousand dollars (\$250,000) and be extended to the unmarried widow or widower of such veteran, and in the town of Tiverton, where, by ordinance, a tax credit of two hundred dollars (\$200) or greater shall be applied to the qualified veteran's property assessment tax bill.

(d) In determining whether or not a person is the widow or widower of a veteran for the purposes of this section, the remarriage of the widow or widower shall not bar the furnishing of the benefits of the section if the remarriage is void, has been terminated by death, or has been annulled or dissolved by a court of competent jurisdiction.

(e) In addition to the previously provided exemptions, there may by ordinance passed in the city or town where the person's property is assessed, be an additional fifteen thousand dollars (\$15,000) exemption from local taxation on real and personal property for any veteran of military or naval service of the United States or the unmarried widow or widower of person who has been or shall be classified as, or determined to be, a prisoner of war by the Veterans' Administration of the United States, except in:

(1) Westerly, where the town council may, by ordinance, provide for an exemption of a maximum of sixty-eight thousand dollars (\$68,000);

(2) Cumberland, where the town council may by ordinance provide for an exemption of a maximum of forty-seven thousand five hundred forty-four dollars (\$47,544);

(3) Narragansett, where the town council may, by ordinance, provide for an exemption of a maximum of forty thousand dollars (\$40,000); and

(4) Tiverton, where the town council may, by ordinance, provide for a tax credit of six hundred dollars (\$600) or greater.

(f) Cities and towns granting exemptions under this section shall use the eligibility dates specified in this section.

(g) The several cities and towns not previously authorized to provide an exemption for those veterans who actually served in the Persian Gulf conflict may provide that exemption in the amount authorized in this section for veterans of other recognized conflicts.

(h) Bristol, where the town council of Bristol may, by ordinance, provide for an exemption for any veteran and the unmarried widow or widower of a deceased veteran of military or naval service of the United States who is

determined, under applicable federal law by the Veterans' Administration of the United States to be partially disabled through service-connected disability.

(i) In addition to the previously provided exemption, any veteran who is discharged from the military or naval service of the United States under conditions other than dishonorable, or an officer who is honorably separated from military or naval service, who is determined, under applicable federal law by the Veterans Administration of the United States to be totally and permanently disabled through a service-connected disability, who owns a specially adapted homestead that has been acquired or modified with the assistance of a special adaptive housing grant from the Veteran's Administration and that meets Veteran's Administration and Americans with disability act guidelines from adaptive housing or that has been acquired or modified using proceeds from the sale of any previous homestead that was acquired with the assistance of a special adaptive housing grant from the veteran's administration, the person or the person's surviving spouse is exempt from all taxation on the homestead. Provided, that in the town of Westerly where the amount of the above referenced exemption shall be forty-six thousand five hundred dollars (\$46,500).

(j) The town of Coventry may provide, by ordinance, a one-thousand-dollar (\$1,000) exemption for any person who is an active member of the armed forces of the United States.

(k) The town of Scituate may provide, by ordinance, in lieu of a tax exemption that grants to all disabled veterans with a one hundred percent (100%) service-connected disability, a tax credit in an amount to be determined from time to time by the town council.

 JAMESTOWN, RHODE ISLAND 02835

TO: HONORABLE TOWN COUNCIL
FROM: ANDREW E. NOTA, TOWN ADMINISTRATOR *AEN*
SUBJECT: VETERAN EXEMPTION MATERIALS
DATE: April 12, 2018

In accordance with the continuing review of the Towns Veteran Exemption program by the Town Council, the following information is provided for your use in anticipation of future discussions on this topic. The three main categories of exemptions with eligible recipients, include financial information resulting from the participation of 308 taxpayers receiving the Veteran's exemption, 77 taxpayers receiving the widow/widower and 14 taxpayers receiving the 100% service related disabled.

The below list provides for an added perspective of this data, that has not previously been discussed due to its limited and/or lack of impact on the overall program or any specific individual. These figures will draw your attention to the cumulative impact of certain qualifying categories of veteran recipients. This revised spreadsheet is structured to allow for an easier assessment for any future change that you should recommend for any of the base exemption totals.

Current Exemptions Types	Veteran	Widow	100% disabled	Specially adapted housing (SAH)	Prisoner of War (POW)	Gold Star Parent	Total possible exemptions

TO: HONORABLE TOWN COUNCIL
FROM: ANDREW E. NOTA, TOWN ADMINISTRATOR
SUBJECT: VETERAN EXEMPTION MATERIALS
DATE: April 6, 2018

In accordance with the continuing review of the Towns Veteran Exemption program by the Town Council, the following information is provided for your use in anticipation of the upcoming discussion scheduled for Tuesday, April 10th at 6:00pm. The attached spreadsheets include information previously provided to the Town Council in a different format. This information includes a listing of the three main categories of veteran exemptions used in the community that routinely have the greatest financial impact on the overall program. This list is provided in descending order from the highest to lowest exemption amounts as calculated and reflected by the Town's Tax Assessor. The three categories include financial information resulting from the participation of 308 taxpayers receiving the Veteran's exemption, 77 taxpayers receiving the widow/widower and 14 taxpayers receiving the 100% service related disabled.

Please review the attached materials and should you have any questions please contact me directly. Hard copies of this material will be provided in your packets in anticipation of Tuesday's meeting.

TOWN OF JAMESTOWN
 93 NARRAGANSETT AVENUE
 P.O. Box 377
 JAMESTOWN, RHODE ISLAND 02835

TO: HONORABLE TOWN COUNCIL
FROM: ANDREW E. NOTA, TOWN ADMINISTRATOR
SUBJECT: VETERANS TAX EXEMPTION PROGRAM
DATE: March 13, 2018

The Veterans' exemptions are prescribed by Title 44, Chapter 3 Sections 4, 5 and 24 of the Rhode Island General Laws. As noted in the exemption eligibility requirements, a veteran must have served or been discharged under conditions other than dishonorable and served during a war time period as specified by law. The eligible war time periods are included in the attached Exemption Eligibility Table Information. It should be noted that according to the present and past Tax Assessors, the benefits of this program have been offered to all Veterans residing in the community, with the above restriction of service during a war-time period with qualifying dates, not having been applied as noted in the R.I.G.L.

As noted in the RI General Laws, Veteran exemptions shall be applied on property in the municipality where the person resides, and if there is not sufficient property to exhaust the exemption, depending on the exemption format used, the person may claim the balance in any other town where the person may own property. An exemption shall not be allowed to persons who are not legal residents of the State of Rhode Island. To qualify for an exemption, appropriate documentation is required by the Town at the time of application.

According to records provided by the Towns Tax Assessor, Christine Brochu for the period encompassing the calendar year 2016 (Real Property \$8.58/per thousand and Motor Vehicle \$14.42 per thousand) and in 2017 (Real Property \$8.66/per thousand and Motor Vehicle \$14.42 per thousand), Jamestown accommodated the following veterans' exemptions by category:

2017-2018 Veteran Exemptions			
Type of Exemption	Number of Recipients	Tax Dollar Amount	Total Program Cost
Veteran	310	\$150	\$39,969.10
Widow/Widower	77	150	10,500
Disabled Veteran	14	150	3,600
Soldier / Sailor	44	Varies with vehicle	10,119
Gold Star Parents	0	300	0
Prisoner of War	0	500	0
Specially Adapted Housing	0	500	0
Total Program Cost			\$64,188.11
2016-2017 Veteran Exemptions			
Type of Exemption	Number of Recipients	Exemption Value	Total Program Cost
Veteran	304	\$5,000	\$11,282.70
Widow/Widower	77	5,000	2,960
Disabled Veteran	11	2,000	172
Soldier / Sailor	35	Varies with vehicle	10,509
Gold Star Parents	0	300	0
Prisoner of War	0	500	0
Specially Adapted Housing	0	500	0
Total Program Cost			\$24,923.40

The attached spreadsheets, including the data as provided by the Tax Assessor, reflect a comparison of exemption amounts and program format with nine of our neighboring Rhode Island communities. In addition, the Rhode Island Exemption Report developed by the Department of Revenue provides significant detail on all Rhode Island communities in terms of the individual exemption amounts and program format by assessed value or direct tax credit.

Based on the information provided from the 2016 schedule in May 2017, a series of recommended changes were offered in format and exemption amounts, designed generally on building into the program a new level of simplification and added equity in the award of exemptions and tax credit values that are in line or above the average in some cases, with our neighboring communities. A refresher as to the changes that were recommended in 2017 are included below.

Exemption Category

Regular Exemption/Credit	Change from \$5,000 Exemption to:	\$150 Tax Credit
Unmarried Widow/Widower	Change from \$5,000 Exemption to:	\$150 Tax Credit
Totally Disabled Service Connected	Change from \$2,000 Exemption to:	\$300 Tax Credit
Gold Star Parents:	Change from \$5,000 Exemption to:	\$300 Tax Credit
Specially Adapted Housing	Change from \$10,000 Exemption to:	\$500 Tax Credit
Prisoner of War	Change from No Exemption to:	\$500 Tax Credit

The impact of the above changes are noted in the spreadsheet on the first page, in the column highlighting Total Program Cost. The change to Tax Credit model and the specific dollar amount change resulted in an increase in exemption totals, from \$24,923.40 in FY2017 to \$64,188.11 in FY2018.

Should you require any additional information from me or the Tax Assessor regarding this program, please so advise.

Town of Jamestown

Resolution of the Town Council

No.: 2019-01

Town of Jamestown

**“A RESOLUTION RELATIVE TO THE
VETERANS EXEMPTION, RIGL § 44-3-4”**

WHEREAS, the Town Council of the Town of Jamestown (the “Town”) has been desirous to make the Town a welcome and desirous place for veterans of the armed forces to make their homes; and

WHEREAS, if the Town were able to provide an additional adjustment of the property tax exemption or provide a tax credit for veterans, it would ease the property tax burden on veterans; and

WHEREAS, under current state law, the Town is unable to exempt any further amount of property tax from local taxation other than is already provided in RIGL § 44-3-4; and

WHEREAS, the Town Council desires that the General Assembly authorize the Town to provide additional property tax adjustments to the following:

44-3-4 (a) (1) (iv) Jamestown, where the town council may, by ordinance, provide for a tax credit or exemption to any veteran of the United States armed services regardless of their qualified service dates, who was honorably discharged or who was discharged under conditions other than dishonorable.

44-3-4 (a) (2) Jamestown, where the town council may, by ordinance, provide for an exemption to any veteran of the United States armed services regardless of their qualified service dates, who was honorably discharged or who was discharged under conditions other than dishonorable, or to the unmarried widow or widower of that person who is not currently receiving this statutory exemption.

44-3-4 (a) (3) Jamestown, where the town council may, by ordinance, provide for an additional tax credit or exemption on real and personal property to any veteran of the United States armed services regardless of their qualified service dates, who is considered 100% totally disabled through a service connected disability and who was honorably discharged or who was discharged under conditions other than dishonorable, or to the unmarried widow or widower of that person who is not currently receiving this statutory exemption.

44-3-4 (b) Jamestown, where the town council may, by ordinance provide a tax credit of \$500.00.

44-3-4 (e) Jamestown, where the town council may, by ordinance provide a tax credit or exemption on real or personal property.

THEREFORE, BE IT RESOLVED, that the Town Clerk is hereby instructed to submit a copy of this Resolution to the Town of Jamestown’s State Senator and State Representative in the Rhode Island General Assembly in consideration of their support to submit an act to pass an amendment to become part of the Rhode Island General Laws.

By Order of the Jamestown Town Council

Michael G. White, President

Mary E. Meagher, Vice President

William J Piva, Jr.

Nancy A. Beye

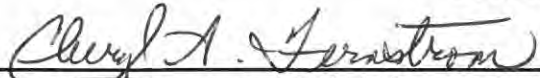

Randall White

IN WITNESS WHEREOF, I hereby attach my hand and the official
Seal of the Town of Jamestown this 22nd day of January, 2019.

Cheryl A. Fernstrom, CMC, Town Clerk

As adopted by the Jamestown Town Council
At a meeting held March 20, 2017

Attest:

Cheryl A. Fernstrom, CMC, Town Clerk

JAMESTOWN TOWN COUNCIL RULES & PROCEDURES

Upon adoption, this document supercedes all other existing resolutions regarding Town Council procedures.

RULE 1

Charter Requirements

- 1.1 All requirements of the Town Charter with respect to the proceedings of the Town Council are to be strictly followed, and no rules shall be adopted by the Town Council that are in conflict with the Charter requirements.

RULE 2

Presiding Officer

- 2.1 The Town Council President is elected pursuant to section 204 of the Charter. In the event of the absence or the disability of the President, the Vice President shall perform such duties during such absence or disability.
- 2.2 The President shall take the chair at the hour designated for the meeting of the Council and shall promptly call the members to order. The President shall enforce, on all occasions, the observance and decorum among the members and people in attendance. The President shall decide all questions and points of order, subject to an appeal to the Town Council by one member. No other business shall be in order until the question or appeal on the point of order shall have been decided by a majority of the members present. The President may speak on points of order in preference to other members and may speak on general questions. The President shall distinctly state and put to a vote all ordinances, resolutions and questions.

RULE 3

Meetings

- 3.1 The first meeting of a newly elected Council shall be held on the first Monday following certification of the election of its members by the canvassing authority; thereafter the Town Council shall meet according to section 205 of the Charter.

- 3.2 All meetings of the Council, including special and emergency meetings and work sessions, shall be open to the public, except those exempted under the Rhode Island Open Meetings Law, G.L. 1956 § 42-46-1 et seq. All matters shall be voted upon by the Council at an open regular meeting or at an open, special or emergency meeting consistent with the State Open Meetings Act and section 207 of the Charter.

The regular meeting of the Town Council shall be held on the first Monday of the month. This shall be understood to be the meeting during which the council conducts its business. On the third Monday of the month, the council will meet to propose items for the agenda of the next monthly meeting. The council may also use the third Monday to conduct either a meeting or workshop reviewing particular, specific issues or the work or concerns of a specific town commission. Additional meetings or workshops may be arranged as necessary.

- 3.3 All regular and special meetings and their agenda must be posted in advance in accordance with the requirements of the State Open Meetings Act. Such advance notice is not required when an emergency meeting is called. Such emergencies would be those affecting public peace, health, safety, comfort and welfare of the inhabitants of the Town and for protections of persons and property. An emergency meeting must comply with the requirements described in the Open Meetings Act, as amended.

Rule 4

Developing the Agenda

- 4.1 The agenda is the mechanism by which the Town Council as a group or body communicates with the town, making evident the Council's priorities and policy initiatives as well as the administration's efforts to promote and support those priorities. In anticipation of the first meeting of the month, *understood to be the Town Council's regular meeting during which most of its business is conducted*, the Clerk of the Town Council shall prepare and/or cause to be prepared a docket or agenda on which there will be a definite statement or summary of all ordinances, resolutions, orders, reports, communications and other business to be considered at each meeting of the Town Council.

On the *third Monday* of a month, the Town Council may also meet for which a docket or agenda as described above shall also be prepared. This meeting shall include the agenda of the Town Council sitting as the Board of Water and Sewer Commissioners.

Town Councilors may also propose items for the agenda, but must do so to the Town Clerk and Town Administrator, at least five (5) days prior to the next meeting.

Should a Town Councilor object to an item that another Councilor has placed on the agenda a vote may be taken by the Council to determine if there should be discussion of the item. To prevent or inhibit discussion requires a minimum of a 4 to 1 vote in opposition to the item if a full Council is seated or 3 to 1 vote in opposition to the item if only 4 Councilors are seated. If less than 4 Councilors are seated, the Council should delay discussion of items that have provoked such controversy.

The Town Administrator shall place items on the agenda, which are the responses or plans of action for council initiatives, under Unfinished or Old Business. The Town Administrator shall propose new items or initiatives not previously discussed by the Council first by communicating them through his report and then, if the item warrants a Council vote, at a future Council meeting under Unfinished Business. This also applies to staff initiatives which should be presented or noted in either the Administrator's Report or a staff report first then at a subsequent meeting as Unfinished Business.

A citizen may seek to place an item on the agenda by putting the request in writing, where it will be placed under Communications. The Council will then vote whether to place the item on a future agenda. When a citizen appears in front of the Council under Open Forum, without any notice described on the agenda, and requests an item to be placed on the agenda, that request shall be transformed into a communication on the next agenda that can be voted on by the Council.

If possible Councilors, the Administrator and staff should note the policy initiative or goal or action plan described by the Council in their Goals and Objectives to which the agenda item is most closely aligned. This provides a clear connection between the goals and their successful fruition. If possible Councilors should note their authorship of any item they propose for New Business.

- 4.2 Memos for Town Council review or requests for action from any Board, Committee, or Commission of the Town or from any Department Head shall be listed under New or Unfinished business to be distinguished from simple correspondence or minutes. These items are subject to the deadlines described below.
- 4.3 Letter from constituents (*residents of Jamestown*) shall be the first items of correspondence included under the agenda heading of Correspondence, followed

by requests for action from other communities in Rhode Island or state agencies or officials.

- 4.4 No ordinance, resolution, order, report, communication, and other business shall be considered as having been introduced unless notice has been filed with the Clerk, and said ordinance, resolution, order, report, communication or other business appears on the prepared docket. The Clerk shall cause a copy of the docket to be posted in accordance with the RIGL §42-46-6 governing the Open Meetings Act Requirements for meeting postings.

RULE 5

Order of Business for Regular Meetings

- 5.1 The Order of Business at each meeting shall be:
1. Call to Order;
 2. Roll Call;
 3. Town Council Sitting as the Board of Water and Sewer Commissioners
 4. Acknowledgements, Announcements and Resolutions;
 5. Public Hearings, Licenses and Permits
 6. Open Forum
 7. Administrator, Department, Solicitor Reports
 8. Unfinished Business
 9. New Business
 10. Ordinances and Appointments
 11. Consent Agenda
 12. Communications and Petitions
 13. Executive Session
 14. Adjournment.
- 5.2 Attached to the agenda (electronically through the town website and physically in the packets provided to the Town Council) are the support materials relevant to the particular items listed on the agenda or the items (license applications, proposed ordinances, minutes, communications) themselves. It shall be listed on the agenda that “attachments are available to view on our website at <http://www.jamestownri.gov/town-government/town-council/town-council-meetings-minutes/2017-meetings-minutes-agendas>. It is recommended that the Town Council should not vote on any issue in New or Unfinished Business that may appear on the docket but lacks support information. Any and/or all agenda item(s) requiring or potentially requiring action by the Town Council should include, at the end of the listed item of business, the language “review and discussion and/or potential action and/or vote.” For agenda items that are continued or have additional and/or a larger volume of attachments, the language “for discussion documentation, please visit <http://www.jamestownri.gov/town-government/town-council/town-council-meetings-minutes/2017-meetings-minutes/2017-meetings->”

RULE 6

Public Hearings

- 6.1 The public hearing portion of the agenda shall be conducted as follows. The Town Council President will invite the applicant or applicant's representative to give a brief explanation of the item for the benefit of the Council and the public. Members of the public may then be permitted to speak on the item until all who wish to speak have had an opportunity to do so. Members of the Council shall reserve their questions and comments until after the public has spoken. The Council President may allow brief, clarifying questions by the Council or brief discussion when such will be likely to expedite the business of the Council. After the public discussion is finished and the Council has had discussion, the Council President will close the public hearing. At this point, a motion is made for a decision to approve, deny or table the item.

- 6.2 The Council shall not enact any ordinance or resolution that shall in any way affect the Zoning Ordinance; the physical development plan of the Town; the existing and proposed location and arrangement of the uses of the land; transportation routes; plans of streets and revisions of such plans; public facilities; public utility systems; deteriorating or blighting neighborhoods planned for redevelopment, rehabilitation, or other improvement; natural resources and historic sites to be preserved; disaster survival proposals; and land subdivision plans, without first submitting any such ordinance or resolution to the Town Planning Commission for its recommendation. Nothing, however, shall be construed to restrict or prevent the Council from acting on any ordinance or resolution contrary to or in the absence of a recommendation of the Commission. The Council must further adhere to the relevant and applicable requirements of State law in implementing this Rule.

- 6.3 It is recommended that the Town Council should not grant any license or permit that lacks either the signature or affirmation by the clerk that the signature is forthcoming of any town official required to sign the application for license or permit.

Rule 7

Open Forum

- 7.1 Open Forum offers citizens the opportunity to clarify any item on the agenda, to address items not on the agenda or to comment on any communication or item listed on the consent agenda.

Persons who wish to be heard on the agenda shall present such requests in writing to the Town Clerk no later than five (5) days prior to the Council meeting for which they wish their request to be considered. In preparing the meeting agenda, a

determination shall be made by the Town Clerk in conjunction with the Town Council President as to whether the request is an appropriate subject/topic for inclusion on the final agenda. There will be a 10-minute time limit for such requests. Extensions will be granted at the discretion of the Council President. Other persons wishing to speak without prior arrangement will be given an opportunity to do so during the “Open Forum.”

- 7.2 If the subject of a scheduled request to address is provided on the agenda, Town Councilors may respond to that subject. Otherwise, Town Councilors may only respond to citizens in open forum to provide information or schedule the subject for another meeting. Comments from the floor under “Open Forum” on any subject not within the purview of the Town Council should not be discussed extensively, but rather, should be considered for inclusion as an agenda item at a subsequent meeting.
- 7.3 Town Councilors may not use open forum to bring up items themselves. If a town councilor wishes to present a subject to the Council and community, it must be listed on the agenda under New Business.

Rule 8 Reports

- 8.1 The Town Administrator’s report shall be in writing and submitted in advance of the Town Council meeting.
- 8.2 On a revolving schedule, at least once a year, each Department head will provide a written report for their department.

Rule 9 New and Unfinished Business

- 9.1 Each item tabled or postponed by the Council at any regular meeting shall appear on the agenda of the next succeeding regular meeting, or on a subsequent date set by the Council as unfinished business, until acted upon or removed from the agenda.
- 9.2 Citizens may speak at the discretion of the Council President or a majority of Councilors during New or Unfinished Business.

RULE 10 Appointments to Boards & Commissions

- 10.1 The Town Council will consider all requests for appointment and will continue to urge interested residents to obtain and complete the volunteer application available at the Clerk’s Office (also available at the Library and town website at

www.jamestownri.gov). Appointments of members to commissions, boards and committees shall be by a majority vote of the Council.

- 10.2 The Council will continue the practice of appointing the best qualified persons to boards, commissions and committees without regard to personal or political affiliations, except as may be otherwise required by State law. Once appointed to a board or commission, citizens shall conduct themselves in a manner respectful of fellow committee members and the public. Failure to do so may prompt the Council to remove the person who, by virtue of a majority vote of the other committee members, is alleged to have violated decorum and propriety appropriate for committees and boards in Jamestown. Committees shall be conducted in accordance with the Open Meetings Act and all other relevant legal and procedural requirements.
- 10.3 The chairperson of each individual board, commission or committee shall keep a record of the terms of its members, as provided by the Town Clerk, and shall notify the Clerk within 45 days prior to the expiration of any member's term. Said notification shall include meeting location and schedule for that board, commission or committee.
- 10.4 The Town Clerk will announce upcoming vacancies for 30 days prior to the term expiration dates, or date set for filling vacancies.
- 10.5 The Town Clerk will communicate with individuals whose terms will be expiring by letter to determine if the person wishes to be reappointed, if applicable. The Town Clerk will also request a two-year attendance record from the Chair of the applicable board, commission or committee.
- 10.6 Application for the vacancy shall be by letter from the applicant to the Town Clerk's office stating qualifications of the applicant. Persons wishing to be reappointed shall follow the same procedure.
- 10.7 The Council Members shall make nominations from the files of applicants provided by the Town Clerk.
- 10.8 Individuals seeking appointment or reappointment must be qualified electors of the Town of Jamestown and residents of the Town of Jamestown.
- 10.9 In the event a special advisory committee is formed, a written charge will be given to the committee by the President of the Town Council. The Town Council shall have the authority to discharge the committee or to recall the committee as necessary.

RULE 11

Consent Agenda

- 11.1 Consent Agenda. In order to expedite the public business and provide additional time for deliberation by the Town Council on matters requiring such deliberation, Consent Agenda items are those items of business that are of a routine and non-controversial nature.
- 11.2 If the Town Council President, Town Administrator or Town Clerk determines that any item of business which requires action by the Town Council is of a routine and non-controversial nature, they shall cause it to be presented at a regular meeting of the Council as part of the Consent Agenda.
- 11.3 Upon objection by any member of the Council to inclusion of any item on the Consent Agenda, that item shall be removed from the Consent Agenda forthwith. Such objection may be recorded at any time prior to the taking of a vote on the motion to approve the Consent Agenda. Any item removed from the Consent Agenda shall be considered at the conclusion of the Consent Agenda to take the necessary action required.
- 11.4 The Consent Agenda shall be introduced by a motion “To approve the following listed items as the Consent Agenda” and shall be considered by the Council as a single item. There shall be a roll call vote after this motion.
- 11.5 There shall be no debate or discussion by any member of the Council regarding any item on the Consent Agenda beyond correcting typographical errors or asking questions for simple clarification.
- 11.6 Approval of the motion to approve the Consent Agenda shall be fully equivalent to approval, adoption or enactment of each motion, resolution or other item of business thereon exactly as if it had been acted upon separately.

RULE 12

Parliamentary Law

- 12.1 If there are any parliamentary practices, procedures, customs and rules not covered within these rules, the current edition of Robert’s Rules of Order, Newly Revised, shall govern where it does not conflict with the applicable State or Town laws, ordinances, or the Home Rule Charter.

Rule 13

Participation in Discussion

- 13.1 The heads of Departments or Divisions thereof and members of Boards and Commissions, in matters relating to the functions of their offices, and any other

elected officials, shall have the right to appear before the Council for the purposes of expressing their views on matters pending before it. Any citizen or group of citizens shall have the right to petition the Council with regard to any matter within the jurisdiction of the Council, setting forth specifically the purpose of the petition and relief desired. The press shall be allowed on the floor of the Town Council chambers.

- 13.2 With the objective of facilitating prompt attention to Council Member concerns, any member of the Town Council who knows in advance of a meeting that the member wishes to obtain certain data, or have a question or questions answered, or wishes specific figures or expenditures, or budget balances, etc., should, insofar as possible, inform the Administrator in writing of the nature of the inquiry so that the Administrator will have the opportunity to have the answer available at such meeting.
- 13.3 The Town Council requests that members of the public follow a similar procedure wherever possible.
- 13.4 The Town Administrator shall submit reports to members of the Town Council in advance of a Town Council meeting.

RULE 14

Motions

- 14.1 When a motion is made and seconded it shall be stated by the Town Council President.
- 14.2 No motion shall be debated until it is seconded. Any motion may be withdrawn by the mover at any time before the taking of a vote thereon or before an amendment is made to such motion.

RULE 15

Motions of Precedence

- 15.1 When a question is before the Town Council, no motion shall be received, except to:
 1. Fix the time at which to adjourn;
 2. Adjourn;
 3. Take a recess;
 4. Raise a question of privilege;
 5. Call for the orders of the day;
 6. Lay on the table;
 7. Previous question;
 8. Limit or extend the limits of debate;

9. Postpone to a certain time;
10. Commit or refer;
11. Amend;
12. Postpone indefinitely;
13. Main motion

The last motion on the list ranks lowest and the first on the list ranks highest. When any of the above motions are immediately pending, the motions before it on the said list shall be acted on first, and the ones below shall be acted on in order. Motion #s 13, 12, 11, 10, and 9 are debatable. Motion #s 13, 11, 10, 9, 8, 3 and 1 are amendable. Motion #s 13, 11, 10, 9, 7 and 1 are subject to reconsideration.

RULE 16

Actions of Members of the Town Council

- 16.1 Any Council member wishing to speak shall address the President, and after the right to speak has been recognized, the member shall not be interrupted while speaking except by a call to order, or for the correction of a mistake, or yield to a member. The member shall confine remarks to the question under debate and refrain from personal comments. *No member shall speak more than once on the same question until all members desiring to speak thereon shall have done so.* There shall be no conversation among members while another member is speaking or while anyone else is speaking, while a roll call is being taken, while a paper is being read or while the President is stating a question.
- 16.2 The affirmative roll call vote of three (3) Council members shall be necessary for the passage of any ordinance. The vote upon any matter shall, upon the request of two Council members, be taken by roll call which shall be called for by the President. The “yeas” and “nays” of the Council members shall be called for individually by the Town Council President or presiding officer, in the event of a conflict, and shall be recorded on the records of the Town Council by the Clerk. After a roll call vote has been ordered, said roll call shall not be interrupted, delayed or stopped by the President or any member of the Council for any reason whatsoever, including points of order, personal privilege or for a member to explain his or her vote. After the roll call and before the President announces the result, any member may change his or her vote. All roll calls shall be taken alphabetically, except that the name of the President of the Council shall be called last. In case of a tie vote, the motion is not carried or passed. A member may explain the vote only with the consent of the Council.
- 16.3 After the result of a vote is announced, a motion to reconsider is in order. A member who voted with the prevailing side must make the motion. Any member may second the motion. No ordinance, resolution, question or vote can be twice reconsidered.

- 16.4 Any member who realizes or anticipates a conflict of interest with respect to a matter before the Town Council for consideration should announce the intent to recuse themselves and to abstain from voting on the matter as soon as the conflict becomes apparent, and should thereafter refrain from further discussion of the matter.
- 16.5 Any member who believes they lack the information to make a proper vote may abstain from voting.

These rules and procedures shall take effect upon passage. The foregoing rules shall not be altered, amended, suspended or repealed at any time, except by a vote of the majority of the whole number of members elected to the Town Council.

TOWN OF JAMESTOWN
93 NARRAGANSETT AVENUE
P.O. Box 377
JAMESTOWN, RHODE ISLAND 02835

TO: HONORABLE TOWN COUNCIL
FROM: ANDREW E. NOTA, TOWN ADMINISTRATOR
SUBJECT: DEPARTMENT OF SENIOR SERVICES
DATE: January 17, 2019

In accordance with the Town Charter language under, **Article IV. - Administrative Departments, Sec. 401. - Creation of Departments and Sec. 402. Direction by Administrator**, it states:

Sec. 401: *"The town council may establish town departments, offices or agencies in addition to those created by this Charter and may prescribe the functions of all departments, offices and agencies, except that no function assigned by this Charter to a particular department, office or agency may be discontinued or, unless this Charter specifically so provides, assigned to any other."*

Sec. 402: *"All departments, offices and agencies under the direction and supervision of the town administrator shall be administered by an officer appointed by and subject to the direction and supervision of the town administrator. With the annual consent of the town council, the town administrator may serve as the head of one or more such departments, offices or agencies or may appoint one person as the head of two or more of them. "*

I present the following recommendation to the Town Council in support of the creation of a new **Department of Senior Services** with the creation and appointment of a Director of Senior Services.

In recent years, as the Town Council has refined its focus on specific Goals and Objectives within the community, a focal point of these community priorities has targeted those specific needs in the area of, ***Supporting Cultural, Civic and Recreational Opportunities that Promote a Sense of Community***. In the broad context of this objective and the corresponding direction provided to the Administration, two important community priorities were established:

- 1) *Provide expanded, accessible and diversified program offerings for Jamestown's seniors;*
- 2) *Ensure Senior Citizen program, facility, transportation and funding needs are being met;*

In addressing these priorities within the community, the Jamestown Senior Center and Senior program provides for opportunities for people of eligible age, (with over 25% of the total population being 60 years or older) to maintain and improve their physical, mental social and emotional well-being so that life is stimulating, full and enjoyable. Senior members of the community are involved in a variety of creative, educational, recreational, and social activities through local and extended program offerings, community interactions and an improved quality of life.

At the end of 2015, a community discussion began to expand the role of the Towns professional staff through the Towns Parks & Recreation Department, as a conduit to be utilized to enhance the professional

nature, quality and delivery of the broad spectrum of senior services within the community. These focused services were revised in such a way as to allow for a planned diversification and expansion of programs and services provided to the community's local senior-age population. This program is presently being managed as a division of the Recreation Department, in similar fashion with other community population segments. During this time, the part-time Senior Coordinator role was expanded from a 20 to a 30-hour position and integrated within the Recreation Department in the area of Recreation Programming as this was the area of greatest need at the time. The Senior Coordinator working with the Towns Recreation Director and other professional staff, along with support provided by the Friends of Jamestown Seniors (FOJS) has been responsible for a significant expansion and improvement of community services in this area.

Another area discussed and supported by the Town Council during this time, based on community and professional input, has been the need for facility enhancements at the Senior Center and other program spaces within the community. The Senior Center is a 3,800 sq/ft leased facility owned by the Conanicut Island Grange 21, located at 6 West Street, at which the Town and FOJS have established a 50-year lease arrangement to support senior and community-based programming. This facility has been utilized as the Towns base of operations for the community's senior program, congregate meal site and has provided support to various community organizations for many decades. From the time the facility was first utilized for community-type services, the FOJS has managed several improvements to the core building, providing for improved kitchen facilities, improved accessibility, general facility upkeep and many other equipment, fixture and smaller building improvements. With increased and diversified use of the facility still continuing today, a long-term capital improvement plan was established to address long-term infrastructure and equipment needs within the facility. This plan was developed through the joint efforts of the Town professional staff with input from the FOJS and coordination with Conanicut Grange representatives. In lacking a one-stop multi-purpose Senior Center facility capable of addressing all program needs, the senior service program utilizes other town assets including the Recreation Center, Library, Fort Getty Pavilion and is anticipating program use at the future Golf Course Clubhouse facility.

The Town Administration, supported by the Town Council and community during the period from FY2013-2014 and now looking at budget development for FY2019-2020, has more than doubled its investment in the Senior Program from approximately \$55,000, to a combined operational and capital annual investment in excess of \$130,000. It must be pointed out, that this figure does not include other in-kind services offered by other Town Departments and agencies, nor the significant contributions, financial, volunteer and otherwise from the FOJS. It is estimated that with these combined added resources, that the overall program investment is in the range of \$200,000 annually.

During the period which the program format and delivery was transitioning, it became clear that there existed unrecognized and counted demand for an expanded program and that the demographic of age-eligible senior residents represented a growing percentage of our local population. It was also clear based on trending census projections, that this segment of our population and service need would continue to expand for the foreseeable future. This fact has become evident through the following more recent program observations:

Meal Site Participation:

- Significant increases in participation in congregate meal program. In 2014, 1299 meals were served at the meal site, while in 2018, a total of 6,738 meals were served. This reflects an increase of 418%.

- This increase in attendance has required hiring of additional support staff persons and volunteers to maintain an appropriate level of service.
- The increase in staff levels requires a higher level of administrative management to hire, select, train, schedule, and manage employees.

Programmatic Offerings continue to increase since consolidation of Senior Services in December of 2015:

- 2016 – Average quarterly Session - 7 Programs were held, 1 seminar, 1 trip
- 2018 – Average quarterly session – 12 Programs, 5 informational Seminars, 2 trips, 2 Special large group meals
- Since April of 2017, 582 individuals over the age of 50 have participated in at least one program offered by the Recreation Department.
- Due to a steady increase of program offerings and their continued attendance, increased hours by the Senior Coordinator have been needed to continue meeting public expectations for this program.

Direct Coordination with Friends of Jamestown Seniors:

- The FOJS continue to be valuable and important resource in this process and instrumental in maintaining communication between the senior population and the Town when determining how to best meet resident expectations and needs.
- As a department, decision making and communication regarding program services can be streamlined and improved through the new Director position and in serving as a direct liaison with the FOJS Board.

Department Staffing:

The professional staffing of the Department is recommended to initially include, a Department Director, Meal Site Supervisor and meal support staff, along with various part-time program and transportation personnel. As many of our other Town Departments are managed, I am anticipating that significant administrative program and facility support will be provided by the Finance, Public Works, and Parks and Recreation Departments, along with other Town staff, on an as-needed basis. Should overall program expansion and facility demands continue to increase, the future broadening of the part-time and full-time workforce along with available volunteer resources within the Department should be anticipated. Should such anticipated growth not materialize in a timely fashion, then a revised staffing model would be implemented to address an appropriate level of service.

As the Towns Senior Program continues to change in adapting to diversified resident and community need, it is anticipated that the staffing, program structure and scope will also change to adequately address prioritized needs. Some of these areas of future need and program focus that have surfaced in local, state, regional and national discussions as priorities within the senior population include, Community and Health and Wellness Services, Health Screening and Education Services, General Educational Seminars, Fitness and Nutrition Programming, Communication, Technology-based Education and Training, Entertainment and Special Events, Intergenerational Programs, Creative Arts and Enrichment, Trips and Travel, Outdoor Environmental Spaces, Outreach Services, Social Inclusion focus, Transportation Services, Volunteer

Development, Social Services, Building and Support Facilities, active state representation and a commitment to adapting the community to address issues related to Livability as a long-term public policy.

The enhancements sought by community residents in terms of the Livability of a community in many cases relate to those services and amenities that affect people's lives the most. These issues mainly impact the broad categories of, housing options, neighborhood vitality and safety, transportation, environment, health, engagement and opportunity.

As the community embarks on the next stage in this process and in maintaining a quality of life that serves and protects the well-being of all residents, the Town will need to become a place synonymous with safe, walkable streets, affordable and accessible housing and transportation options, access to needed services and opportunities for residents to participate in all aspects of community life.

To achieve this expanded level of service for our senior residents will require an investment in the professional staff, program, facilities and infrastructure of the Town. In order to be successful to this end, will require a planned expansion in the professional staff of a dedicated department, that is focused on specific community-based senior priorities on a full-time and dedicated basis. It is my expectation that this transition will take several years to achieve in total, with key elements to be implemented by the end of the present, FY2018-2019 fiscal year in June. The timeliness of the full implementation of this recommendation will be driven by community demand and available resources, realized through program participation, community engagement and facility investment in determining and addressing specific population needs. The Town staff and I are looking to taking on this challenge in the coming months.

Should you have questions regarding this recommendation, please contact me at your convenience.

PUBLIC ARTWORK GIFT POLICY

As recommended by the Ad-Hoc
Committee for Public Art on
January 4, 2019

Adopted by the Town Council _____

Introduction

It is the goal of the Town of Jamestown to contribute to the cultural enrichment of the community by adding to its collection public art that is of the highest quality, visually stimulating and of enduring value. The Town adopted an artwork gift policy to achieve this goal.

Definition of public artwork

A public artwork may include any combination of art permanently affixed to a structure and/or its grounds that will be displayed at a public place or within a public space or building.

Gifts of public artwork considered

The Town will consider a donor's offer of an existing public artwork, commission of an artwork by a specific artist or artists, or to commission an artwork through a competitive public process. "Artist" means a person who has an established reputation of artistic excellence in the visual, performance, literary and/or media arts, as judged by peers, through a record of exhibitions, public commissions, sale of artworks, and/or educational attainment. Alternatively, the Town will consider a gift that is monetary for the purpose of acquiring public art for the community.

The Town will consider proposed gifts only with the understanding that no Town funds will be required for fabrication, siting or installation of the artwork. Donors shall provide a maintenance program for the proposed gift, including estimated costs. Excessive maintenance costs may be grounds for rejection of the gift.

Review process for proposed gifts

All proposed gifts will be referred by the Town Council to the Town of Jamestown Public Art Committee. The Committee's recommendation on the acceptance, ~~or~~ rejection or modifications of proposed gifts will be referred to the Town Council for final action.

If the Town Council approves the acceptance of a gift, it shall execute a formal agreement between the Town and the donor and/or artist. This agreement will include the costs, responsibilities, and schedule of all aspects of the project, including project funding, design, fabrication, site preparation, installation, maintenance and budget requirements, transfer of title, donor's and/or artist's rights, project supervision, documentation, an identification plaque, Town's rights (including deaccessioning), and other requirements established by the Town Council.

Review Criteria and Standards for Acceptance

The proposed artwork will be reviewed by the Public Art Committee based on, but not limited to, the following criteria:

Relationship to the community: The proposed artwork will be assessed and evaluated for its reflection, understanding and enhancement of the cultural, historical, social, community, and aesthetic qualities of the town.

- ♦ Aesthetic quality. The foremost consideration will be the inherent quality of the proposed artwork as assessed by the critical review of the Committee. The history, reputation, and/or promise of the artist may also be key considerations.
- ♦ Relationship to the collection and to the community. The proposed artwork will be analyzed for its potential relationship to the Town's present public art collection and whether it will enhance the aesthetic quality of the community.
- ♦ Compatibility. Conceptual compatibility and appropriateness of the proposed artwork to the surrounding built and/or natural environment will be factors for consideration, and will include scale, form, content and design.
- ♦ Materials, fabrication and installation. The Committee will evaluate the existing artwork's materials or the artist's proposed materials and their appropriateness as regards structural and surface integrity, protection against theft, vandalism, public safety, and weathering, and an analysis of long-term maintenance needs. The Committee will also evaluate the proposed method of permanent or temporary installation and an evaluation of safety and structural factors involved in the installation.
- ♦ Budget and time schedule: Consideration will include an evaluation of the donor's proposed budget and the artist's ability to successfully complete the project within the proposed time schedule and budget, and review to assess realistic estimates and comprehensiveness of the budget and schedule as it addresses all costs of the proposal.
- ♦ Terms. Proposed gifts to the Town will be clear and unrestricted. In the event of suggested terms, they must be reviewed by the committee and referred to the Town Council for action and recommended in an agreement between both parties.

- ♦ Unique artworks. Only one-of-a-kind or numbered limited-edition artworks will be considered.
- ♦ Cost of artwork. Acceptance of the gift is contingent upon receipt by the Town of payment from the donor or artist for all costs associated with the gift not covered by the donor or artist directly, such as transportation and installation.
- ♦ Alterations to proposed artwork design. Any significant change to the design or concept made by the artist or donor after approval of the gift proposal must be reviewed and recommended by the Committee and approved by the Town Council.
- ♦ Review of fabrication and installation. Artworks accepted from maquettes or drawings will be subject to committee review and Town Council action throughout design, fabrication and installation. Specific plans for site design, installation, maintenance and protection will be submitted to the committee for review and recommendation to the Town Council for approval and action.

Ownership of accepted artwork

Gifts of public artwork that are accepted by the Town will be owned by the Town as part of its collection.

In accepting an artwork into its collection, the Town will not be bound by any agreement with a donor of artwork that restricts its ability to act in the Town's best interests. Nothing in the acceptance of an artwork will prevent the Town from approving subsequent disposal (removal, relocation, and/or sale) of such artwork if it serves the Town's best interest to do so. If disposal is proposed, the Committee will review the proposal and make a recommendation to the Town Council for final action. The Town will deaccession and sell or otherwise dispose of artworks in its collection in consultation with the following as it may apply Rhode Island Antiquities Act. RIGL 4-45. 1 et seq and the Rhode Island historic preservation and heritage commission, powers and duties, RIGL 42-45.5 (a) and (b) and the Visual Artists Rights Act of 1990 (17 U.S.C. 106A and 113(d)).

Jamestown Fire Department

Fire Alarm Replacement Project

FY 2018

Conversion to Radio Call Boxes

- The Town of Jamestown currently utilizes a coded wire 100 milli-amp telegraph Master Box system powered by a Digitize Form Four (installed 1983) regulated power supply installed at the Fire Station.
- The Fire Alarm system throughout the Town is 100% aerial cable, using 2 conductor rural “C” wire and IMSA cable. There is currently 17 (square miles) of cable in the air connected to utility poles.
- There are currently (63) Master Boxes connected to various businesses and buildings throughout Town. There are an additional (33) Street Boxes connected to Utility Poles throughout Town.
- We currently have an additional (33) businesses or buildings with Local (not-municipally connected) Fire Alarm systems in Town.

AES Wireless Radio Fire Alarm System

- The proposed Wireless Radio Fire Alarm system would create a private wireless mesh radio network to transmit Fire Alarm signals from a location to the receiving equipment in the Fire Station.
- Numerous communities in Rhode Island have discontinued their “Telegraph” reporting systems and converted to Wireless Radio systems over the past 25 years due to the long-term advantages of reduced cost and lack of trained personnel to maintain cable plants.
- The Town would no longer have to maintain the cable plant, the infrastructure and receiving equipment at the Fire Station would be replaced to current day technology.

Disadvantages of Current system

- System is almost 68 years old. To maintain the system a significant capital outlay will be needed over the next 5-10 year period to replace the cable plant, the receiving equipment and the infrastructure in the Fire Station.
- One significant weather event could result in significant damage to the cable plant. Though the system is operating, it is showing significant wear and tear.
- We no longer have “volunteer” personnel to maintain the cable plant. No maintenance work has been done on the cable plant in several years. If a cable issue or problem occurred today we would have to hire an outside contractor to complete the work.

Current Fire Alarm Master Box's
Cable Plant Box's in Town

Current Infrastructure -
Connects into Fire Station

Form Four Fire Alarm Controller
Equipment at JFD - Installed 1983

Aerial Fire Alarm Cabling

Project Cost: FY2018-2019 - \$50,000

- This initial investment would purchase and install the new AES multinet Wireless Radio Box receiving system in the Fire Station. It would also address the cost to interface and connect to the Police Station dispatch center and address the technical configuration, programming and testing of the System.
- The FY 2019/20 request of \$ 25,000 would purchase and install an additional Digitize 3505 alarm receiver and decoder so the system would be redundant. The current Digitize 3505 receiver was installed in 2009.

Project Cost – continued

- Several communities who have switched over to the Radio Call box systems have offered some assistance to business/property owners, some options include:
 - Municipality addressed initial cost of the Radio Boxes and installation and offers a payment program over a 3-5 year period for property/business owners to repay the expense. The potential for bulk and coordinated pricing agreement with installation could potentially generate cost savings for all parties;
 - Extended notification timeline for installation offered - a one or two year notification period is provided and the property/business owners have a hard operation date where the Town switches over to the new system, with all required costs paid by property owner;
 - Once a decision is made several educational meetings will be scheduled with local business and property owners as to why it is important to make this transition;
 - Business/property owners maybe able to receive a trade-in credit or sell their current Gamewell Master Box at an estimated value of \$ 200-\$300.

VI. OPEN FORUM

- A) Scheduled request to address. None.
- B) Non-scheduled request to address.

Charlotte Zarlengo of Seaside Drive addressed the 32 lots in the Jamestown Shores proposed for protection. A 2006 Workshop centered on protecting as many lots in the Shores as possible to protect the water supply was referenced. Ms. Zarlengo noted water issues in the Shores, the need to protect lots located in the wetlands in perpetuity, the water supply is challenged, and the need for protection so that we don't have to come back to Council again to promote water supply protection in the Shores.

Town Administrator Nota stated Town Planner Lisa Bryer is developing a report on the Shores lots that should be ready within the next month for presentation to Council. It is expected the majority of the lots will be recommended for protection. There is no separate funding source for property acquisition, and the Shores lots acquired by the Town for protection were determined as non-buildable. The Land Trust Easement or other easement would be the focus of conversation.

Ms. Zarlengo asked that the lots be protected in perpetuity by placing them under the Conanicut Island Land Trust Easement.

Town Administrator Nota stated the Town doesn't have enough data to render an opinion and a more comprehensive study is needed so that Council can make an informed decision going forward. An internal meeting with URI faculty is proposed to review this important issue.

Richard Boren of Intrepid Lane noted he attended the 2006 workshop referenced and Richard Pastore gave a thorough analysis of the Jamestown Shores that resulted in development and adoption of the Groundwater Overlay District ordinance. As a member of the Zoning Board for 19 years, he has encountered residents from the Shores at eight or nine meetings every year for the very issues discussed this evening.

Vice President White noted the lots are safe under Town ownership, was on the Planning Commission in 2006, and recognizes the importance. If the lots are protected it is still not all that the Town needs to do to protect the water recharge area. He shares these concerns, and that is why a comprehensive plan is in order to make the right decisions.

VII. COUNCIL, ADMINISTRATOR, SOLICITOR, COMMISSION/COMMITTEE COMMENTS & REPORTS

None.

VIII. UNFINISHED BUSINESS

- A) Appointment of Town Solicitor and Prosecutor; review, discussion and/or potential action and/or vote
 - 1) Letters of interest and resumes
 - a) Archer & Foppert; interview conducted
 - b) Ruggiero, Brochu & Petrarca; interview conducted

A motion was made by Vice President Meagher with second by Councilor Piva to appoint Ruggiero, Brochu & Petrarca to be the Town Solicitor again.

Discussion. Vice President Meagher thanked Eric Archer, Deb Foppert and Charles Beal for the interview and interest in serving the Town. The interview strengthened her thinking the current Solicitor should be reappointed. President White was happy to see another firm come forward. Based on his years of experience on the Council and the long relationship with Ruggiero, Brochu & Petrarca, he would like them to continue. Councilor Beye agreed. Councilor White stated he was pleased to have the opportunity to interview Archer, Foppert and Beal. The contrast of experience of our current Solicitor distinguishes them in the field and they should continue.

Back to the vote on the motion. **President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.**

Solicitor Ruggiero thanked the Council.

A motion was made by Vice President Meagher with second by Councilor Piva to move up Item X. A) Appointments and Vacancies 9) a) and b) in the agenda. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

IX. ORDINANCES, APPOINTMENTS, VACANCIES AND EXPIRING TERMS

- A) Appointments, Vacancies, and Expiring Terms; review, discussion and/or potential action and/or vote on each listed appointment and/or vacancy
 - 9) Jamestown Zoning Board of Review – Member (One vacancy with

a five-year term ending date of December 31, 2023); duly advertised

- a) Term limit reached
 - i) Richard A. Boren
- b) Letter of interest for reappointment (per Charter Section 1002 Subsection (3))
 - i) Richard A. Boren

President White noted Alternate Member Lisa Hough resigned today and is not seeking reappointment. Mr. Boren is seeking reappointment per Town Charter Section 1002 Subsection (3).

A motion was made by Vice President Meagher with second by Councilor White to reappoint Richard Boren to the Zoning Board of Review, as he is very skilled, there are three letters of recommendation from his fellow Zoning Board members, and as Mr. Boren has qualifications that recommend him to be reappointed to exceed the term limit.

Discussion. Vice President Meagher noted Mr. Boren should be reappointed with the loss of members Hough and Logan and with only one Alternate. President White noted it is important to have a sufficient number of members. Councilor White noted he is aware of Mr. Boren's professional qualifications, his associates reached out to him to retain him, and this would be the situation the Charter provision calls for.

Back to the vote on the motion. **President White, Aye; Vice President Meagher, Aye; Councilor Beyo, Aye; Councilor White, Aye; Councilor Piva, Aye.**

VIII. UNFINISHED BUSINESS, continued

- A) Appointment of Probate Judge; review, discussion and/or potential action and/or vote
 - 1) Letters of interest and resumes
 - a) Peter M. Cosel
 - b) Richard P. D'Addario
 - c) Stephen M. Miller
 - d) James P. Howe
 - e) Anthony F. Amalfetano
 - f) Gregory F. Fater
 - g) Mark E. Liberati
 - h) Jeffrey M. Liptrot
 - i) Richard A. Boren (removed his name)
 - j) Stephen P. Levesque
 - k) Matthew M. Mannix
 - l) Christine W. Ariel

Council members noted we are blessed to have such talented applicants with varied experiences as probate judges and attorneys; it is appropriate to interview a short list of candidates following the same format used for determining members for the Ad Hoc Town Council Meeting

Committee for Public Art; and it would be appropriate to interview three or four candidates with Probate experience, with preference to Jamestown residents.

Council voted by a showing of hands as follows:

Peter M. Cosel	2
Richard P. D'Addario	2
Stephen M. Miller	0
James P. Howe	1
Anthony F. Amalfetano	2
Gregory F. Fater	4
Mark E. Liberati	3
Jeffrey M. Liptrot	0
Stephen P. Levesque	2
Matthew M. Mannix	0
Christine W. Ariel	3

Top vote getters: Gregory Fater (4), Mark Liberati (3) and Christine Ariel (3).

A motion was made by Vice President Meagher with second by Councilor Beye to interview Christine Ariel, Gregory Fater and Mark Liberati for the position of Probate Judge. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

Interviews will be scheduled for February 22nd prior to the regular meeting.

- B) Upcoming Meetings and Sessions – dates and times
 - 1) Town Council Meeting Schedule – January 22nd, February 4th, and February 19th at 6:30 p.m.; review, discussion and/or potential action and/or vote
 - 2) Council Tour of Town Facilities, Interview sessions for Probate Judge and Board/Commission/Committee vacancies; review, discussion and/or potential action and/or vote

Town Administrator Nota outlined available dates for the tour, suggested two mornings on January 17th, 18th, 23rd and 25th based on availability of the Recreation Department vehicle. January 18th and January 25th are the dates chosen, beginning at 9:00 a.m. Mr. Nota suggested scheduling a Goal and Objectives work session prior to budget season.

X. NEW BUSINESS

- A) Jamestown Tree Warden, pursuant to RIGL §2-14-2; annual appointment; review, discussion and/or potential action and/or vote
 - 1) Letter of interest for reappointment
 - a) Steve Saracino
 - 2) Letter of recommendation for reappointment
 - b) Jamestown Tree Preservation and Protection Committee

A motion was made by Councilor Piva with second by Vice President Meagher to reappoint Steve Saracino as the Tree Warden.

Discussion. Steve has done a fine job.

Back to the vote on the motion. **President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.**

- B) Town Council Liaison Positions; review, discussion and/or potential action and/or vote
- 1) School Committee
 - 2) Library Board of Trustees
 - 3) Conservation Commission
 - 4) Harbor Commission
 - 5) Tree Preservation and Protection Committee
 - 6) Senior Services
 - 7) Chamber of Commerce/Business Community
 - 8) Gould Island Restoration Advisory Board
 - 9) Planning Commission/Affordable Housing Committee
 - 10) Zoning Board of Review

The list for liaisons was created as a guide. Lengthy discussion ensued of the need for liaisons to facilitate communication between Boards/Commissions/Committees and Council.

- Councilor Piva will serve as Affordable Housing Committee Liaison.
- Vice President Meagher will continue as Library Board Liaison.
- President White will continue as School Committee Liaison.
- Councilor Beye noted she serves on the Board of Fire Wardens and Senior Board, volunteers at the Lighthouse, and is going to join the Connect Greater Newport economic development group.
- Councilor White will serve as Harbor Commission Liaison.
- Vice President Meagher will serve as Conservation Commission Liaison.

- C) Parking at Mackerel Cove; review, discussion and/or potential action and/or vote

Parks & Recreation Director Andrew Wade gave an update on Mackerel Cove Beach parking issues. Increased use in recent summers resulted in citizen requests for a solution to the lack of parking spaces for Jamestown residents. The task is to create a policy to handle the challenges. There are 75 to 80 parking spots regulated and enforced by the Recreation Department May 15 to Oct 15 when the beach is open and staffed. The current cost is \$15 per year for residents and \$15 for a day pass for non-residents. Some people try to avoid the pass cost, and the Police Department assists with ticketing violators. Three options were proposed as follows:

- Rate Increase - \$30 for non-resident parking at Mackerel Cove; annual revenue is currently \$20,000

- Resident Only Parking/Non-Residents Prohibited - for 75 to 80 spaces during the season; the \$25 violation fee is less than the proposed daily rate
- Resident Only/Non-Resident Hybrid – Monday through Thursday and Non-holiday parking keep as \$15; reduce parking area for non-residents; parking spaces at Mackerel Cove to require Resident Parking Passes.

Discussion ensued of informing the public of new restrictions enacted, resulting traffic issues with drop-offs and pick-ups due to increased fees, and restrictions. Council asked if there are figures defining the ratio of residents to visitors, and Mr. Wade noted this information is difficult to track. Of the 1,600 day passes issued, \$9,000 of the \$20,000 annual revenue is for weekend parking. Discussion ensued of resident parking passes, number of passes issued per household, and parking pass use by guests. Discussion ensued of resident-only parking to noon or 1:00 p.m., use of sandwich board signs rather than permanent signs for weekend and holiday restrictions, and parking issues along Fort Getty Road. The Town only owns the road surface and Fort Getty Road property owners expressed concern that people make their own parking spaces on private property. Chief Mello noted ordinance revision is required for enforcement of resident-only and non-resident parking provisions. Discussion involved the potential to add 6 to 8 parking spots along the guardrail for residents-only, proper signage to help prevent unauthorized parking on private property, and an additional Community Service Officer in the next budget for regulation and enforcement. Town Administrator Nota commented a \$25 parking violation fee is not a deterrent for a day at the beach. Town Council comments included adding additional resident parking for Saturday, Sunday and holidays, portable signage, fair rates, and adjusting parking regulations as needed.

XI. ORDINANCES, APPOINTMENTS, VACANCIES AND EXPIRING TERMS

- A) Appointments, Vacancies, and Expiring Terms; review, discussion and/or potential action and/or vote on each listed appointment and/or vacancy
- 1) Jamestown Affordable Housing Committee (Two vacancies with One vacancy with a three-year term ending date of May 31, 2021, One vacancy with an unexpired three-year term ending date of May 31, 2020 and One vacancy with an unexpired three-year term ending date of May 31, 2019); duly advertised

 - 2) Letter of Constance P. Rainone requesting reduction of interest charged for late payment of taxes
 - 3) RI League of Cities & Towns brochure for 2019 Annual Convention on Thursday, January 24, 2018 from 8:30 a.m. to 4:00 p.m., The Crowne Plaza Hotel, 801 Greenwich Avenue, Warwick, RI

XIII. AGENDA ITEMS FOR THE NEXT MEETING AND FUTURE MEETINGS

- A) Town Council Rules and Procedures (January 22)
- B) Town Council Goals and Objectives (January 22)
- C) Veterans' Exemptions (January 22)
- D) Proposed Department of Seniors (January 22)
- E) Water Resources Protection Committee (January/February)
- F) Conanicut Island Sanctuary Trail improvements (February)
- G) Authorization to proceed to 100% design and bid document development for Golf Course Clubhouse project (January/February)
- H) Budget Work Sessions for FY 2019-2020 (March)
- I) Future Improvements to East Ferry boat ramp

- J) Paper streets in Jamestown and water access
- K) Fire Alarm Box Replacement Program (January 22)

Discussion involved the following:

- Rules and Procedures – January 22nd for review with potential revision/adoption.
- Goals and Objectives – a separate work session between now and February, to be coordinated with the Clerk.
- Veterans Exemptions – to be scheduled after the Ethics Commission makes a ruling. There is a hearing tomorrow morning at 9:00 a.m. and a decision may be made. This information is important for budgeting purposes and setting the tax rate.
- Department of Seniors – Mr. Nota will have a presentation at the next meeting.
- Water Resources Protection Committee – Mr. Nota recommends waiting until we have information from the URI group to better understand the scope of any future study that would be used in developing the charge for this committee.
- Conanicut Island Sanctuary Trail improvements – Chris Powell is working with an Eagle Scout and will come back to Council in March or April.
- Authorization to proceed to 100% design and bid document development for Golf Course Clubhouse project – Architect Bill Burgin will be at the next meeting for a presentation on the final design and bid documents in order to proceed to go out to bid in the spring, award the contract, and begin construction in late fall. The project will take a year to complete, with the current building operational during that time.
- Budget Work Session dates – on the February 4th agenda.
- East Ferry boat ramp – to be postponed for Harbor Commission review.
- Paper Streets in Jamestown – Mr. Nota highlighted two requests for road abandonment of Nautilus Street and Orient Avenue that will be on the next agenda for a vote to proceed to advertise for public hearing. Parts of the roads are approved and parts are undeveloped, and Town staff research will commence.
- Fire Department Alarm Box Replacement – on the next agenda. Many of the boxes are no longer needed and the project needs to go out to RFP. This would be a \$2,000 to \$3,000 investment for businesses, and a potential payment program is being developed by Finance Director Collins.

Charlotte Zarlengo asked if paper streets are owned by the Town or the neighborhoods. Mr. Nota will provide pertinent information for Ms. Zarlengo.

**TRANSPORTATION ADVISORY COMMITTEE
PUBLIC NOTICE**

**Transportation Conformity Determination for the 1997 Ozone NAAQS
FFY 2018 – 2027 State Transportation Improvement Program**

The State Planning Council's Transportation Advisory Committee (TAC) is accepting comments on the proposed Transportation Conformity Determination Report for the 1997 ozone National Ambient Air Quality Standard (NAAQS).

On February 16, 2018, the United States Court of Appeals for the District of Columbia Circuit in *South Coast Air Quality Mgmt. District v. EPA* ("South Coast II," 882 F.3d 1138) held that transportation conformity determinations must be made in areas that were either nonattainment or maintenance for the 1997 ozone National Ambient Air Quality Standards (NAAQS) and attainment for the 2008 ozone NAAQS when the 1997 ozone NAAQS was revoked. These conformity determinations are required in these areas after February 16, 2019. The Providence 1997 ozone NAAQS area (all of Rhode Island) was classified as nonattainment at the time of the 1997 ozone NAAQS revocation on April 6, 2015 and was designated attainment for the 2008 ozone NAAQS on May 21, 2012. Therefore, per the *South Coast II* decision, this conformity determination is being made for the 1997 ozone NAAQS on the FFY 2018-2027 State Transportation Improvement Program (STIP).

The conformity determination was completed consistent with Clean Air Act requirements, existing associated regulations at 40 CFR Parts 51.390 and 93, and the *South Coast II* decision, according to the U.S. Environmental Protection Agency's *Transportation Conformity Guidance for the South Coast II Court Decision* issued on November 29, 2018. The conformity determination applies to the Providence (all of Rhode Island) "orphan" area for the *FFY 2018-2027 STIP's* conformity determination for the 1997 ozone standard.

Transportation conformity is required under CAA Section 176(c) to ensure that Federally-supported transportation activities are consistent with ("conform to") the purpose of a State Implementation Plan (SIP). Transportation conformity establishes the framework for improving air quality to protect public health and the environment. Conformity to the purpose of the SIP means Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) funding and approvals are given to highway and transit activities that will not cause new air quality violations, worsen existing air quality violations, or delay timely attainment of the relevant air quality standard, or any interim milestone.

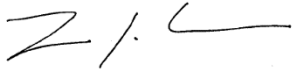

The draft Transportation Conformity Determination Report for the 1997 Ozone NAAQS is available for review at www.planning.ri.gov or at the R.I. Division of Statewide Planning's Office between 8:30 a.m. and 4:00 p.m., Monday through Friday. A copy may also be obtained by calling (401) 222-2177.

The TAC will be accepting public comments on the proposed Transportation Conformity Determination at its meeting scheduled for:

Thursday, January 24, 2019 at 5:30 p.m.
RI Department of Administration
One Capitol Hill, Providence RI
Conference Room A, 2nd Floor

All persons may present their views on this Transportation Conformity Determination in person or through a representative at the TAC meeting referenced above. Written statements may also be filed with the Secretary of the Transportation Advisory Committee and mailed to Michael D'Alessandro, RI Dept. of Administration, Division of Statewide Planning, One Capitol Hill, Providence, RI 02908 or email to Michael.DAlessandro@doa.ri.gov. All comments on the Transportation Conformity Determination must be received prior or during the TAC's meeting on January 24, 2019 at 5:30 p.m.

The public meeting location is accessible to individuals with disabilities. Any individual requiring a reasonable accommodation in order to participate in this meeting should contact Thomas Mannock, Ph.D. at 401-222-6377 (voice) as soon as possible. Dear Council Members,

In accordance with RI State Statute 42-105-11, we have enclosed a copy of our consolidated fifteen-month period ended June 30, 2018 annual audit report. I am pleased to report that we received an unmodified opinion and had no significant deficiencies or material weaknesses.

If you would like an electronic copy of the audit report, please contact me at aadkins@discovernewport.org.

Sincerely,

A handwritten signature in black ink, appearing to read "Alyson C Adkins". The signature is fluid and cursive, with a large loop at the end.
