

TOWN COUNCIL MEETING
Jamestown Town Hall
Rosamond A. Tefft Council Chambers
93 Narragansett Avenue
Monday, April 15, 2019
6:30 PM

The public is welcome to participate in this Town Council meeting. Open Forum offers citizens the opportunity to clarify an item on the agenda, address items not on the agenda, or comment on a communication or Consent Agenda item. Citizens are welcome to speak to the subject of a Public Hearing, and are allowed to speak at the discretion of the Council President or a majority of Councilors present, or at other times during the meeting, in particular during New or Unfinished Business.

Anyone wishing to speak should use the microphone at the front of the room, stating their name and address for the record; comments must be addressed to the Council, not the audience. It is the Town Council's hope that citizens and Councilors alike will be respectful of each other's right to speak, tolerant of different points of view, and mindful of everyone's time.

Attachments for items on this meeting agenda are available to the public on the Town website at: <http://www.jamestownri.gov/town-government/town-council/town-council-meetings-minutes/2019-meetings-minutes/2019-meetings>

- A) Connect Greater Newport Economic Development Initiative, as led by the Newport County Chamber of Commerce, Update Report by Consultant Ashley Medeiros, and Town Council consideration of their request for funding in the amount of \$5,000; review, discussion and/or potential action and/or vote
- B) Appointment to the Jamestown Board of Canvassers (One Member with a six-year term expiring March 2025), pursuant to RIGL § 17-8-1 and RIGL §17-8-2; Democratic or Republican appointment; review, discussion and/or potential action and/or vote
 - 1) Letter of recommendation from Democratic Town Committee Co-Chair Anne Maxwell-Livingston and Co-Chair Melody Drnach
 - a) Board of Canvassers Member
 - i) Kenneth Newman
 - ii) Kitty Wineberg
 - iii) George Newman
 - iv) Marcia Lindsay
 - v) Dennis Webster
 - 2) Letter of recommendation from Republican Town Committee Chair Blake Dickinson
 - a) Board of Canvassers Member
 - i) Tyler Fandetti
 - ii) Linda Jamison
 - iii) Nancy Semco
 - 3) Letter of recommendation from Board of Canvassers Chair Carol Nelson-Lee

- C) Appointment to the Jamestown Board of Canvassers (One Alternate Member with a six-year term expiring March 2025), pursuant to RIGL § 17-8-1 and RIGL §17-8-2; Democratic appointment; review, discussion and/or potential action and/or vote
 - 1) Letter of recommendation from Democratic Town Committee Co-Chair Anne Maxwell-Livingston and Co-Chair Melody Drnach
 - i) Katherine Wineberg
 - ii) Kenneth Newman
 - iii) Marcia Lindsay
 - iv) George Newman
 - v) Dennis Webster
 - 2) Letter of recommendation from Board of Canvassers Chair Carol Nelson-Lee

X. ORDINANCES, APPOINTMENTS, VACANCIES AND EXPIRING TERMS

- A) Ordinances
 - 1) Proposed Amendments to the Jamestown Code of Ordinances Chapter 70 Traffic and Vehicles, Article II. Administration and Enforcement, Sec. 70-25 Notice of Violation; Admission of Truth and Payment of Fines at Police Station; Amounts; Article III. Specific Street Regulations, Sec. 70-52 Stop Intersections; Article IV. Stopping, Standing and Parking, Sec. 70-81 Parking Area, Lots 172 and 173 (former ambulance barn); Sec. 70-82 Two-hour Parking Limit Located upon Lot 573 Plat 8; Sec. 70-83 Standing or Parking on Steel Pier and Bulkhead; Sec. 70-86 Standing or Parking on East Ferry Wharf; and Sec. 70-87 Prohibited or Restricted Parking on Specified Streets; review, discussion and/or potential action and/or vote to proceed to advertise in the *Jamestown Press* April 25, 2019 edition for public hearing on May 6, 2019
- B) Appointments, Vacancies, and Expiring Terms; review, discussion and/or potential action and/or vote on each listed appointment, vacancy and/or expiring term
 - 1) Jamestown Conservation Commission (One vacancy with an unexpired three-year term ending date of December 31, 2020);
 - a) Letter of resignation
 - i) Ken Schadegg
 - 2) Jamestown Fire Department Compensation Committee (One Citizen-at-Large vacancy with a three-year term ending date of May 31, 2021); duly advertised; no applicants
 - 3) Jamestown Juvenile Hearing Board (One Alternate Member vacancy with a two-year term ending date of December 31, 2020); duly advertised; interviews conducted
 - a) Letters of interest
 - i) Joseph Cannon
 - ii) Bruce J. Whitehouse

XI. CONSENT AGENDA

An item on the Consent Agenda need not be removed for simple clarification or correction of typographical errors. Approval of the Consent Agenda shall be equivalent to approval of each item as if it had been acted upon separately.

- A) Adoption of Town Council Minutes
 - 1) March 29, 2019 (special meeting)
 - 2) April 1, 2019 (regular meeting)
 - 3) April 1, 2019 (executive session)
 - 4) April 2, 2019 (operating budget work session #2)
- B) Minutes of Town Boards/Commissions/Committees
 - 1) Jamestown Housing Authority (01-10-2018)
 - 2) Jamestown Housing Authority (02-14-2018)
 - 3) Jamestown Housing Authority (03-07-2018)
 - 4) Jamestown Housing Authority (05-15-2018)
 - 5) Jamestown Housing Authority (06-13-2018)
 - 6) Jamestown Housing Authority (07-11-2018)
 - 7) Jamestown Housing Authority (09-18-2018)
 - 8) Jamestown Housing Authority (10-10-2018)
 - 9) Jamestown Housing Authority (11-19-2018)
 - 10) Jamestown Housing Authority (12-19-2018)
 - 11) Jamestown Library Board of Trustees (12-11-2018)
 - 12) Jamestown Library Board of Trustees (12-18-2018)
 - 13) Jamestown Library Board of Trustees (01-08-2019)
 - 14) Jamestown Library Board of Trustees (02-12-2019)
 - 15) Jamestown Library Board of Trustees (03-12-2019)
 - 16) Jamestown Tree Preservation and Protection (12-04-2018)
- C) Board/Commission/Committee Attendance Records
 - 1) Jamestown Conservation Commission
 - 2) Jamestown Harbor Commission
 - 3) Jamestown Housing Authority
 - 4) Jamestown Traffic Committee
- D) Finance Director's Report: Comparison of Budget to Actuals as of March 31, 2019

XII. COMMUNICATIONS, PETITIONS, AND PROCLAMATIONS AND RESOLUTIONS FROM OTHER RHODE ISLAND CITIES AND TOWNS

- A) Communications
 - 1) Statewide Planning April 2019 Newsletter
 - 2) Letter of Newport County YMCA announcing Annual Golf Tournament Fundraiser for YMCA Adaptive Physical Activity and Special Olympics Team, June 10th, Montaup Country Club, Portsmouth
 - 3) Request of Newport Mental Health for Town Council adoption of a Proclamation for May 2019 as Mental Health Month in Jamestown

- B) Proclamations and Resolutions from other Rhode Island Cities and Towns
- 1) Resolution of the Smithfield School Committee requesting the RI General Assembly Support House Bill 5033 and Senate Bill 0112
 - 2) Resolution of the Smithfield School Committee requesting the RI General Assembly support legislative proposals that ban bringing firearms onto school grounds except by Peace Officers as defined in § 12-7-21
 - 3) Resolution of the Smithfield School Committee requesting the RI General Assembly pass House Bill 5252 and Senate Bill 0042 calling for a referendum amending Article XII before the voters at the November 3, 2020 general election
 - 4) Resolution of the Smithfield School Committee requesting the RI General Assembly oppose House Bill 5437 and any legislative proposals that would mandate expired teacher contracts continue at the existing terms and conditions
 - 5) Resolution of the Smithfield School Committee requesting the RI General Assembly oppose House Bill 5260 calling for binding arbitration for teacher and school employee contracts Resolution of the Charlestown Town Council in Support of additional State Funding for Education
 - 6) Resolution of the Foster Town Council in Support of Additional Funding for Education
 - 7) Resolution of the Pawtucket School Committee requesting the RI General Assembly support House Bill 5252 and Senate Bill 0042 calling for a referendum amending Article XII. at the November 3, 2020 General Election
 - 8) Resolution of the Westerly Town Council in support of House Bill 5383 and Senate Bill 0139 Sub A “Comprehensive Discharge Planning”

XIII. AGENDA ITEMS FOR THE NEXT MEETING AND FUTURE MEETINGS

- A) Paper streets in Jamestown and water access
- B) Review and Discussion of Conservation Easement on Shores Lots (May 6)
- C) Proposed Water Resources Protection Committee discussion (May)
- D) Open Meetings Act Ruling: Spodnik v. West Warwick Town Council
- E) Town Council Goals and Objectives for the 2018-2020 Council Term (May/June)
- F) Taxation items: RIGL § 44-3-12 Visually Impaired Persons – Exemption and RIGL § 44-3-5 Golf Star Parents’ Exemption (May)

XIV. EXECUTIVE SESSION

XV. ADJOURNMENT

Pursuant to RIGL § 42-46-6(c) Notice of this meeting shall be posted on the Secretary of State's website and at the Town Hall and the Jamestown Philomenian Library. Notice is also posted at the Jamestown Police Station and on the Internet at www.jamestownri.gov.

ALL NOTE: This meeting location is accessible to the physically challenged. If communications assistance is needed or other accommodations to ensure equal participation, please call 1-800-745-5555, or contact the Town Clerk at 401-423-9800, via facsimile to 401-423-7230, or email to cfernstrom@jamestownri.net not less than three (3) business days prior to the meeting.

**TOWN OF JAMESTOWN
TOWN COUNCIL MEETING
for
TOWN, WATER AND SEWER MATTERS**

March 18, 2019

A regular meeting of the Jamestown Town Council sitting as the Board of Water and Sewer Commissioners was called to order at the Jamestown Town Hall, Council Chambers, 93 Narragansett Avenue at 6:34 PM by Commission President Michael G. White.

The following members were present:

Mary E. Meagher, Vice-President
Nancy A. Beye
William J. Piva, Jr.
Randall White

Also present were:

Andrew Nota, Town Administrator
Peter D. Ruggiero Esq., Town Solicitor
Michael Gray PE, Public Works Director
Christina D. Collins, Finance Director
Cheryl Fernstrom, Town Clerk
Denise Jennings, Water and Sewer Clerk

AWARDS, PRESENTATIONS AND ACKNOWLEDGMENTS

(None)

READING AND APPROVAL OF MINUTES

1) 02/19/19 (regular meeting)

Motion was made by Commissioner Meagher, seconded by Commissioner Piva to accept the 02/19/19 regular meeting minutes. So unanimously voted.

OPEN FORUM

Commission President White noted that this open forum would be for water and sewer matters only.

1) Scheduled requests to address:

(No scheduled requests)

2) Non-scheduled request to address:

(No non-scheduled requests)

REPORT OF TOWN OFFICIALS

1) **Pumping Report:**

The Public Works Director reported the following:

- Pumping was down slightly for the month of February.
- JR-1 remains off for the winter.
- Rainfall was up slightly for the month of February and compared to previous months.
- Transfer pumping remains off for the winter.
- North Reservoir is @ capacity, usable storage-60MG
- South Pond is @ capacity, usable storage-6MG

2) **Town project reports:** *(See attached Project Update Report dated March 2019)*

Transfer Pumping/Reservoir

The Public Works Director reported the following:

- He met with a technician from Suez Water Technology, who purchased the water technology side of GE. GE was the original designer and manufacturer of the water treatment system for the plant.
- The water treatment facility was built 11 years ago and the life cycle of the membrane filtration system is approximately 10-15 years.
- Suez Water Technology inspected the membranes and discussion was had regarding their life cycle and replacement in the future.
- Town staff has begun work on the bike path which runs along the south side of North Reservoir. The path will run through the reservoir property from North Road to East Shore Road.

Distribution System

The Public Works Director reported the following:

- Hydrant flushing will begin the week of March 25th and will run through April.
- Flushing removes sediment from the system and improves water quality.

Following clarification on a few items, it was the consensus of the Commission to accept the Public Works Director's report, as presented.

LETTERS AND COMMUNICATIONS

(None)

UNFINISHED BUSINESS

(None)

NEW BUSINESS

(None)

TOWN BUSINESS

(None)

ADJOURNMENT

There being no further business before the Commission, motion was made by Commissioner Meagher, seconded by Commissioner Beye to adjourn the Water and Sewer meeting at 6:42 PM. So unanimously voted.

Attest:

Denise Jennings
Water and Sewer Clerk

xc: Commission Members (5)
Town Administrator
Town Solicitor
Public Works Director
Town Clerk

Project Update March 2019

WELLS

JR-1, JR-3

- JR-1 is turned off for winter conditions to protect equipment and piping from freezing.

TREATMENT PLANT

- Staff have been working on equipment and building maintenance within the treatment plant. The flooring was replaced in the laboratory/office, bathroom, and vestibule with tile. Staff have also repainted the rooms.
- We had a meeting with a technician from Suez Water Technology. Suez purchased the water technology side from GE, the original designer and manufacturer of our water treatment equipment at the plant. The purpose of our meeting was to inspect our membranes and discuss the life cycle for replacement. The plant has been operating for 11 years since construction and the membrane life cycle has a range between 10 and 15 years.

TRANSFER PUMPING/RESERVOIR

- The piping for our transfer pump has been disconnected to protect equipment from freezing during the winter months.
- Work on the south pond dam was postponed until the 2019 summer season.

DISTRIBUTION SYSTEM

South Pond @ 6 MG

Usable Storage, 6 Million Gallons

North Pond @ 60 MG

Usable Storage 60 Million Gallons

- There were no leaks reported for February.
- Water Department has schedule hydrant flushing to begin the week of March 25th.

WASTEWATER TREATMENT PLANT

- The monthly average daily flow at the treatment plant for February was 0.59 million gallons per day. The peak daily flow was 0.95 million gallons. The permitted monthly average is 0.73 million gallons per day as a condition of our discharge permit. There were no sanitary sewer overflows for the month of February. Rain and groundwater continue to have an impact on the sewer collection system due to I/I (Inflow & infiltration).

Project Update April 2019

WELLS

JR-1, JR-3

- JR-1 has been is turned off for winter conditions to protect equipment and piping from freezing.

TREATMENT PLANT

- The RIDOH has scheduled a sanitary survey with the staff of the water department for April 23rd. A sanitary survey is conducted every 3 years by the RIDOH as required by the EPA. The survey is a review of all components of our water system from raw water sources, pumps, treatment, storage, distribution and the management of our water systems. Staff from the RIDOH will be onsite for a day or two to complete the survey.
- I have been working on the proposed budget for water and sewer. There are three projects that will have an impact on the budget for water within the next 1-2 years; Repainting the water tower, watermain replacement project on Narragansett Avenue in West Ferry, and the replacement of the membrane filters. For the sewer side of the budget we need to address the siding on the waste water treatment plant building.

TRANSFER PUMPING/RESERVOIR

- The piping for our transfer pump has been disconnected to protect equipment from freezing during the winter months.
- Work on the south pond dam was postponed until the 2019 summer season.
- The RIDEM Dam Safety Program completed a visual inspection of the North Reservoir Dam on April 4th. The earthen Dam has experienced erosion due to wind and wave action along the face of the dam. Our engineering consultant at Pare has provided a plan to address the erosion using filter fabric and rip-rap stone. The improvements will be completed when the water level drops in the summer season and while the DPW is working on the path.

DISTRIBUTION SYSTEM

South Pond @ 6 MG

Usable Storage, 6 Million Gallons

North Pond @ 60 MG

Usable Storage 60 Million Gallons

- There were no leaks reported for March.
- Water Department has been flushing hydrants since the week of March 25th. Work should be complete the week of April 15th.

WASTEWATER TREATMENT PLANT

- Attached is a new monthly report provided by the staff at the wastewater department. The monthly average daily flow at the treatment plant for March was 0.62 million gallons per day. The peak daily flow was 1.12 million gallons. The permitted monthly average is 0.73 million gallons per day as a condition of our discharge permit. There were no sanitary sewer overflows for the month of March.

TOWN OF JAMESTOWN WWTF
MONTHLY REPORT
MARCH 2019

Douglas Ouellette, Superintendent

Parameters

	<u>Monthly Avr.</u>	<u>Permit Limit</u>	<u>Notes</u>
Flow	0.6155 MGD	.73 MGD	
Daily Max	1.124 MGD		
BOD Removal	100.00%	85%	% Removed
TSS Removal	98.07%	85%	% Removed
Fecal Coliform	1.2	No limit, report only	
Enterococci	1.1	(<35 cfu/100ml Monthly)	(<276 cfu/100ml Daily)

Environmental Compliance (Violations)

There were 0 violations to report for March 2019

Complaints

There were 0 complaints received for March 2019

Alarms

There were 0 alarms for March 2019

Septage

The facility received 2,500 gallons for March 2019

Sludge Production

The facility processed 54,000 gallons of sludge through Wastewater Services Incorporated.

Maintenance Management

Our Isco All-weather Effluent sampler required a replacement power unit (\$750.00). 58 work orders completed.

Chemical Use

The facility used 563.8 gallons of Sodium hypochlorite and 450 pounds of lime for process control.

Collection System

31 pump station inspections were completed. All stations are operating as designed. Removed top blanket (grease and rags) from wet wells of stations 1, 2 and 3 with Inland Waters.

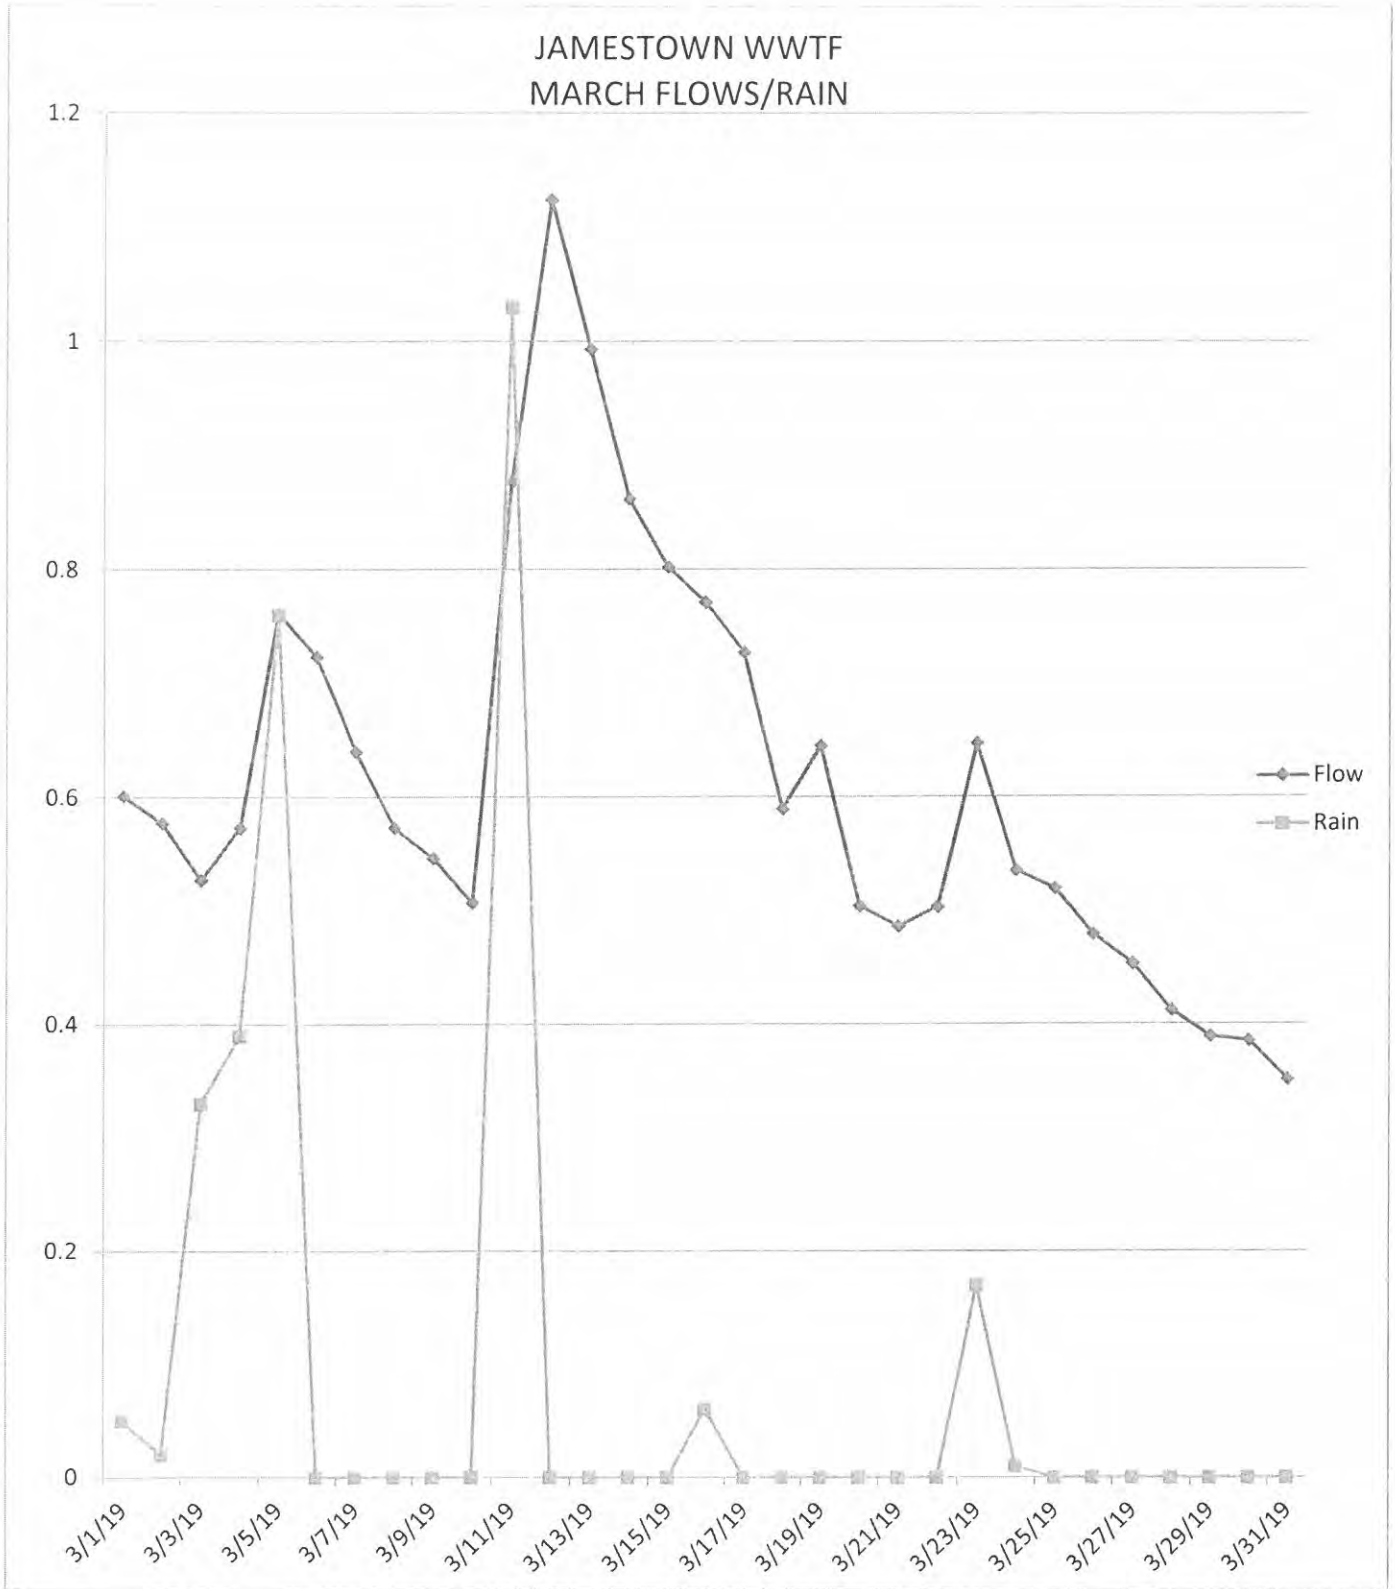

Energy Use

Energy use for March 2019 was: 217 Kwh

Precipitation

Precipitation for March was 2.84"

PUMPING REPORT

Town of Jamestown

PROCLAMATION OF THE TOWN COUNCIL

No. 2019-06

JAMESTOWN TEACHER APPRECIATION WEEK

MAY 6 – 10, 2019

- WHEREAS,** The Town of Jamestown supports our teachers in their mission to educate the children of our community; and
- WHEREAS,** Jamestown teachers motivate and encourage our students' academic, artistic, athletic and social development, providing a rigorous and relevant curriculum that prepares them to be lifelong learners, problem solvers and decision makers; and
- WHEREAS,** Jamestown teachers are committed to high standards of personal performance and continually seek to improve their own skills for the benefit of our students; and
- WHEREAS,** Jamestown teachers strive daily to provide a healthy, stable learning environment for our children; and
- WHEREAS,** Jamestown teachers should be accorded high public esteem reflecting the value our community places on public education.

NOW, THEREFORE, We, the Town Council of the Town of Jamestown, Rhode Island, hereby proclaim May 6th through May 10th **TEACHER APPRECIATION WEEK** in Jamestown and urge all citizens to pay tribute to our teachers.

By Order of the Jamestown Town Council

Michael G. White, President

Mary E. Meagher, Vice President

Nancy A. Beye

Randall White

William J. Piva, Jr.

IN WITNESS WHEREOF, I hereby attach my hand and the Official Seal of the Town of Jamestown this 15th day of April, 2019.

Cheryl A. Fernstrom, CMC, Town Clerk

TOWN OF JAMESTOWN

93 NARRAGANSETT AVENUE

P.O. Box 377

JAMESTOWN, RHODE ISLAND 02835

TO: HONORABLE TOWN COUNCIL
FROM: ANDREW E. NOTA, TOWN ADMINISTRATOR
SUBJECT: APRIL 15, 2019 - PROJECT AND BUSINESS UPDATE
DATE: April 11, 2019

The following business items are provided as part of the April 15, 2019 – Interim Administrators Report. These items reflect ongoing projects and initiatives that are under review and in various stages of development with the Town staff and some that may require further Town Council direction.

A) **2020 Census:**

Included for your review are some of the initial materials being released by the Census in anticipation of the 2020 Census drive to count all Rhode Islanders. Our State has much at stake during this Census as the population count will determine if we continue to have two Congressional seats and will impact how much Federal Funding we are eligible for in support of various state and municipal initiatives. Information includes details on the first ever on-line application, and other ways to register, Early Operations and Recruiting for Census jobs that will range in the hourly wage from \$22.50 to \$38.50 per hour and a focus on the many Undercounted segments of our statewide population. Ongoing discussion are continuing with the actual wording of the Census and whether a question regarding citizenship will be included. This matter is supposed to be resolved later this spring, before the application is finalized.

B) **Town Clerks Position – Advertisement:**

The Senior Management position of Town Clerk has been officially posted as we are in search of a replacement to fill this position in the coming months. The updated position description is attached for your review.

C) **RTG Load Evaluation Report – Steel Pile Pier:**

This spring the Town was made aware of a change in crane type and size by CMS for use on the Town's steel pile pier. The previously used crane was a Link-Belt HSP-80285 rubber tired crane with maximum estimated pick and outrigger loads of 16 and 35 kips. A new Grove RT760E Rough Terrain Crane has been purchased with loads of 20 and 55 kips respectively. The Town was unaware of this change until the crane arrived this spring.

In order to utilize a larger crane with the ability to handle heavier loads, the RTG Group was secured by the Town to perform an engineering assessment of the Steel Pier to assess its

structural integrity and ability to handle the estimated loads of the new crane. A report is included that proves significant detail on this matter with short, mid-term and long-term recommendations of needed enhancements to the pier. In addition, use and storage recommendations are also made that are proposed to relieve some of the stress on the structure from the Crane being positioned on the pier for the entire boating season.

D) Project Updates – East Ferry, Bike Path, North Road:

Several ongoing projects of interest will be coming to a close during the summer of 2019.

East Ferry: The Public Works Department is in coordination with Cardi. Corp. to complete the finish paving, stripping and installation of curb stops during the month of May/June. At the same time, the planned bench and receptacle installation will occur by Town staff, along with the finish landscaping and signage.

Bike/Shared Pedestrian Path: Significant work has been completed by Town staff this past winter with the installation of the path gravel base from Eldred Avenue to the spillway of the North Reservoir. The block to be used in the construction of the bridge abutments has been ordered, as well as the 50' ft. wooden bridge that will be installed to span the dam spillway. Public Works staff are continuing to work on this project and will be seen working on the shoulder of North Main Rd. as they complete the installation of the path base, that will run on the east side of the roadway, from the spillway to west passage. This work along with the paving of the pathway is expected to be completed this summer.

North Road: The final phase of North Road construction is anticipated to be completed in the spring/summer of 2019. The final series of steel drain pipes will be installed in the coming months in anticipation of scheduling Cardi. Corp. to fully restore and pave the final section of roadway. This four-year project will conclude with activating the newly constructed filter basins that will be used to filter the stormwater generated from runoff on North road before it enters the Reservoir. This water will be captured for recharge purposes and with any overflow amount being allowed to enter the reservoir to supplement the towns potable water supply.

E) Rhode Island League of Cities and Towns Legislative Update:

The Leagues main focus this past week was the firefighter overtime bills, that have since passed a House floor vote. All League municipal members were encouraged to contact their representatives in opposition to H5662 and H5663. Letters were also sent to each House member on Friday, and the Providence Journal has run two op-eds (from Brian Daniels, <https://www.providencejournal.com/opinion/20190406/my-turn-brian-m-daniels-labor-interests-dig-into-your-wallet> and Justin Katz, <https://www.providencejournal.com/opinion/20190407/my-turn-justin-katz-assembly-works-against-local-leaders>).

TUESDAY, APRIL 9

- House floor vote on firefighter overtime bills (H5662 and H5663) – League strongly opposes
- Senate Finance hearing on several pension-related bills, including:
- Sen. DiPalma's bill to increase state share of teacher's retirement (S0419) – League supports

- Sen. Pearson's bill to withhold state aid for communities that underfund locally administered pensions (S0555) – League has concerns
- Treasurer's bill requiring cities and towns to make pension contribution payments to the retirement system within three days (S0563)
- Full agenda at <http://status.rilin.state.ri.us/documents/agenda-16253.aspx>
- Senate Judiciary hearing on several criminal justice bills, including:
- AG's bill to make possession of numerous controlled substances a misdemeanor (S0472)

NOTE: Based on feedback from the League and solicitors, the AG will propose an amendment to retain prosecution of those cases and not shift them to cities and towns

- Sen. Metts's bill on asset forfeiture (S0229)

WEDNESDAY, APRIL 10

- Numerous election and campaign finance-related bills, including early voting bills, in House Judiciary – full list at <http://status.rilin.state.ri.us/documents/agenda-16247.aspx>
- Clerks Association is encouraged to testify on bills of interest; please share talking points with the League to coordinate efforts
- Woodland Preservation and Stewardship Act (S0663) in Senate Environment – of likely interest to Planners Association
- Joint Senate Finance/Education hearing on Governor's RI Promise proposal
League does not have a position, but some members have expressed interest

THURSDAY, APRIL 11

- Numerous zoning and building code bills in Senate Housing & Muni Govt – full list at <http://status.rilin.state.ri.us/documents/agenda-16254.aspx>
- Planners Association is encouraged to testify on bills of interest; please share talking points with the League to coordinate efforts

A much more exhaustive list of municipal related legislation is attached for your review.

2020 Census

Everyone counts, so everyone must be counted

WHAT TO KNOW

- ✓ Census data serve as baseline for the number of state legislative seats and districts. An undercount will leave portions of the state underrepresented.

And: If an undercount occurs, key populations of Rhode Islanders will not receive appropriate political representation.

- ✓ At the federal level, Census planning and outreach is underfunded and this is the first year that the Census Bureau is asking households to respond online.

*And: Providence County was the site of the only trial run for the 2020 Census but it too **was inadequately funded and resourced** which resulted in **barely more than a 50% participation rate**.*

WHAT TO DO

- ✓ **Encourage** friends, family, and constituents to **spread the word** about Census 2020 - and encourage them to be counted.
- ✓ **Follow** along and **support** the work of the Rhode Island Complete Count Committee, find more information at <http://www.planning.ri.gov/planning-areas/Census/census-2020.php>.
- ✓ **Support state funding** allocations for outreach and communications efforts around the 2020 Census - so that more Rhode Islanders know that everyone counts, so everyone must be counted.

EVERYBODY
COUNTS.
COUNTS.
CUNTS.

2020 Census

Everyone counts, so everyone must be counted

WHAT TO KNOW

- ✓ The Census is a required, once-in-a-decade count of every person living in the United States - and it must be fair and accurate.
- ✓ Government relies on Census data to guide planning around public education, public assistance, housing, health care, business development, and infrastructure.

*And: Rhode Island receives **over \$3 BILLION** in federal funding every year based on Census estimates. This is equal to 1/3 of the state's annual budget.*

- ✓ Past Censuses have **undercounted communities** of color, people living in poverty, young children, and people living in rural communities decreasing access to federal funding and accurate Congressional representation.

24% of Rhode Islanders are "Hard-to-Count"

Rhode Island has **61** hard-to-count Census Tracts

Census data will impact R.I.'s **\$3 Billion** in federal funds

Undercounted Populations	Representation of R.I. Population	
Hispanic or Latino	15%	157,342 people
Black or African American	8%	84,491
Asian	4%	42,246
Am. Indian or Alaska Native	1%	10,561
Children under 5	5%	52,807
Foreign-Born Individuals	14%	144,210
Limited English Households	6%	22,702

Dear Municipal Officials,

I am writing to invite you to the **"Rally for Rhode Islanders to be Counted in the 2020 Census" at the State House Rotunda from 3:00 pm to 4:00 pm on April 2nd (next Tuesday).**

As you may know I am co-chairing [the Rhode Island Complete Count Committee](#) alongside Dr. Nicole Alexander Scott of the Rhode Island Department of Health. The state-wide Complete Count Committee is responsible for developing, recommending, and assisting the administration of a census outreach strategy to encourage full participation in the 2020 census.

Why is this so critical for our communities?

The census will decide the future of our government's representation and billions in federal funding. Local municipalities must act NOW in making sure all Rhode Islanders are counted. The 2020 Census will decide the distribution of roughly \$700 billion in federal dollars - including over \$3.1 billion annually to Rhode Island. Inaccurate representation of our cities and towns will disrupt funding for our police and fire departments, housing, education and veterans. An inaccurate count would be the basis for inaccurate redistricting. And, we are at risk of losing one of our congressional seats if we are under counted in this upcoming Census.

With today's political climate, some of our constituents may be wary about the addition of an untested citizenship question to the Census, amongst other problems such as the 2020 Census will be the first one held online and not on paper (causing problems in urban and rural communities alike). In an effort to overcome these barriers I have compiled a few ways we can work together to make sure everyone is counted.

How can your city/town take the lead in the 2020 Census?

1. Attend the "Rally for Rhode Islanders to be Counted in the 2020 Census," at the State House Rotunda from 3:00 pm to 4:00 pm on April 2nd, 2019. Click [HERE](#) for the event's Facebook page, please share with all your networks. Flyer for the event attached
2. Attend the Rhode Island League of Cities and Town's board meeting on April 9th, 2019 to take part in a special presentation regarding the census
3. Utilizing the attached template, consider passing a resolution in support of the statewide Census 2020 efforts.
4. Join the Rhode Island Complete Count Committee's government strategies sub-committee to share your thoughts on municipal action by emailing co-chairs [Matt Jerzyk](#) and [Jeff Dana](#).
5. Create your own municipal Complete Count Committee by joining efforts with local businesses, school representatives, and faith leaders in your community to make sure your city has an accurate count. Click [HERE](#) to view a webinar on establishing Complete Count Committees.
6. For a comprehensive list of resources from the Rhode Island Complete Count Committee Click [HERE](#)

Thank you for your consideration. Together we can ensure everyone in our communities is counted.

Sincerely,
James A. Dioisa
Mayor
City of Central Falls

RESOLUTION

Encouraging all Rhode Islanders to Participate in Census 2020 and be Counted

Sponsored by:

WHEREAS, Article I, Section 2 of the United States Constitution requires every man, woman, and child in America be counted every ten years for purposes of allocating seats in Congress; and

WHEREAS, April 1, 2019 marks one year until the next decennial census of the population must be conducted; and

WHEREAS, In December 2018, the United States Census Bureau ranked Rhode Island's second congressional seat number 388, with only the top 385 districts to be seated; and

WHEREAS An undercount of the population in 2020 will likely result in the loss of fair representation for Rhode Island in the United States House of Representatives; and

WHEREAS, the Census will not only be the basis for drawing congressional, state and local voting districts, but also the allocation of \$700 billion dollars in federal funds for the next decade; and

WHEREAS, one third of Rhode Island's state budget, approximately \$3 billion, is comprised of these federal dollars, including funding for police and fire departments, small business owners, housing, healthcare, education, Medicaid, clean water, waste disposal, and other services; and

WHEREAS, the federal government allocated \$157 million to Rhode Island's elementary and secondary schools in 2017; and

WHEREAS, local jurisdictions across Rhode Island use Census data to determine social and economic characteristics of its populations, funding needs for infrastructure projects, economic development programs, job trainings and other activities; and

WHEREAS, obtaining a fair and accurate count from both rural and urban communities across Rhode Island has historically proven to be difficult in the 61 Census tracts known to be Hard-to-Count, spanning from north to south and east to west, encompassing such communities as Woonsocket, West Warwick, South Kingstown, and Newport; and

WHEREAS, the late proposal by the Secretary of Commerce to add an untested citizenship question puts the ability to achieve an accurate count at serious risk throughout the United States, leading the American Sociological Association, 6 former Census Bureau Directors from both Republican and Democrat administrations, more than 161 Mayors, and 19 State Attorneys General to all come out publicly against inclusion of a citizenship question; and

WHEREAS, for the first time in United States history the Census Bureau will be launching its survey response through electronic means, creating a risk to communities with limited internet access; and

WHEREAS, the United States Government Accountability Office has sounded the alarm in a series of reports that budget cuts, cyber-security weakness and the ongoing legal battle regarding the citizenship question may impede the accuracy of the agency's critical work; and

WHEREAS, it will take the united action of all Rhode Island towns and cities to ensure a complete and accurate count and, furthermore, it will be vitally important for local governments to support census outreach and education efforts to ensure that every Rhode Islander is counted in the 2020 Census; and

WHEREAS, The Rhode Island Complete Count Committee, ordered by the Governor, shall develop, recommend and assist in the administration of a census outreach strategy to encourage full participation in the 2020 federal decennial census of population.

NOW, THEREFORE, BE IT RESOLVED, that this Council recognizes the critical importance of Census 2020 for the future of Rhode Island and encourages all residents to participate in the 2020 Census and to become involved in peer education and outreach; and

BE IT FURTHER RESOLVED, that we support the effort of the Rhode Island Complete Count Committee to raise at least \$1.2 million to build a community outreach campaign to ensure that all of Rhode Island is counted in 2020; and

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to the Co-Chairs of Rhode Island Complete Count Committee, the Governor, the Speaker of the House, and the President of the Senate.

Rhode Island Hard-to-Count Communities

Rhode Island's Count Risk Factors	
Total Population	1,056,138
Population in HTC areas	255,037
Percentage in HTC areas	24%
Population in Tracts NOT receiving census by mail	830
Percentage households NO internet/ dial-up only	17.3%

The goal of the census is to count "count everyone once, only once, and in the right place." But some areas and population groups are "hard to count", because they have low self-response rates, forcing the Census Bureau to send personnel to each non-responding household. This "non-response follow-up" can be difficult, time-consuming, and cost the state vital political representation and resources.

There are other enumeration operations that can also cause certain populations to be Hard to Count. Those enumeration operations include:

- **"Internet Choice"**: The 2020 census will be the first high-tech decennial count, using an online system to collect responses. Areas with low internet coverage or connectivity may experience greater difficulty in participating in the count.
- **Update/ Leave & Update/ Enumerate**: Areas without city-style addresses, in remote locations, or that have been affected by major disasters will not be mailed a census form. Instead, the Census Bureau will apply alternative enumeration practices that have previously resulted in more pronounced undercounts of up to 8%.

Traditionally Undercounted Populations	Representation in Rhode Island's Population
Hispanic or Latino	15% or 157,342 people
Black or African American	8% or 84,491 people
Asian	4% or 42,246 people
American Indian or Alaska Native	1% or 10,561 people
Children under age 5	5% or 52,807 people
Foreign-Born Individuals	14% or 144,210 people
Limited English Proficient Households	6% or 22,702 households <ul style="list-style-type: none"> ▪ 61% speak Spanish (13,795 households). ▪ 26% speak Indo-European languages (5,986 households). ▪ 10% speak Asian/ Pacific Islander languages (2,245 households). ▪ 3% speak other languages (676 households).

Limited English Proficiency Populations

Source: <https://datausa.io/profile/geo/providence-ri/#demographics>

For the 2020 census, the U.S. Census Bureau plans to provide the Internet Self-Response Instrument and Census Questionnaire Assistance in 12 non-English languages; enumerator instrument, bilingual paper questionnaire, bilingual mailing, and field enumeration materials in Spanish; and language guides, language glossaries, and language identification card in 59 non-English languages.

The Census Bureau will provide language guides, language glossaries, and a language identification card in the following languages:

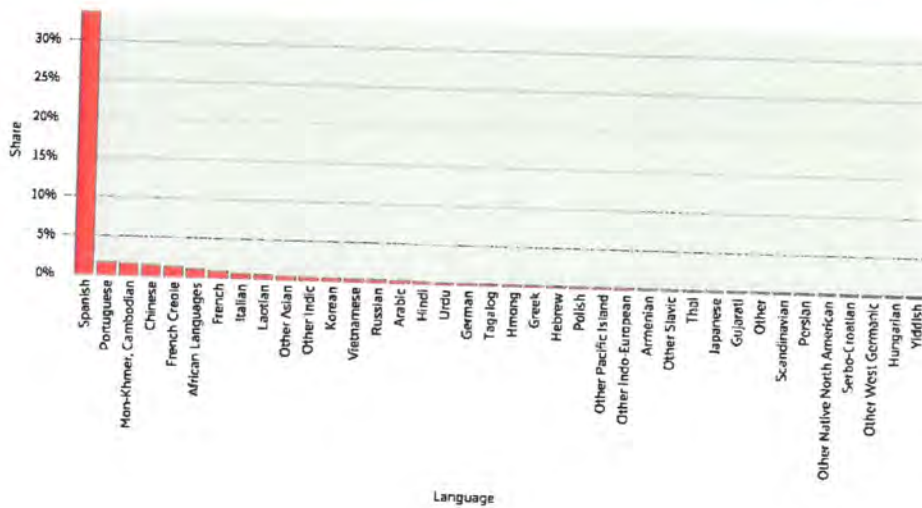

Albanian	Amharic	Arabic	Armenian	Bengali	Bosnian	Bulgarian
Burmese	Chinese	Croatian	Czech	Dutch	Farsi	French
German	Greek	Gujarati	Haitian Creole	Hebrew	Hindi	Hmong
Hungarian	Igbo	Ilocano	Indonesia	Italian	Japanese	Khmer
Korean	Laotian	Lithuanian	Malayalam	Marathi	Navajo	American Sign Language
Nepali	Polish	Portuguese	Punjabi	Romanian	Russian	
Serbian	Sinhala	Slovak	Somali	Spanish	Swahili	
Tagalog	Tamil	Telugu	Thai	Tigrinya	Turkish	
Twi	Ukrainian	Urdu	Vietnamese	Yiddish	Yoruba	

The Census Bureau will translate the Internet Self-Response and Census Questionnaire Assistance into the following 12 non-English languages: Spanish, Chinese, Vietnamese, Korean, Russian, Arabic, Tagalog, Polish, French, Haitian Creole, Portuguese, and Japanese.

In Rhode Island, the most common languages besides English are Spanish, Portuguese, and Mon-Khmer, Cambodian. Languages spoken at higher than national average include Mon-Khmer, Cambodian; Laotian; and Portuguese.

Non-English Speakers in Providence, Ri

The closest comparable data for the census place of Providence, Ri is from the public use microdata area of Providence City PLUMA, Ri

The 2020 Census and Confidentiality

Your responses to the 2020 Census are safe, secure, and protected by federal law. Your answers can only be used to produce statistics—they cannot be used against you in any way. By law, all responses to U.S. Census Bureau household and business surveys are kept completely confidential.

Respond to the 2020 Census to shape the future.

Responding to the census helps communities get the funding they need and helps businesses make data-driven decisions that grow the economy. Census data impact our daily lives, informing important decisions about funding for services and infrastructure in your community, including health care, senior centers, jobs, political representation, roads, schools, and businesses. More than \$675 billion in federal funding flows back to states and local communities each year based on census data.

Your census responses are safe and secure.

The Census Bureau is required by law to protect any personal information we collect and keep it strictly confidential. The Census Bureau can only use your answers to produce statistics. In fact, every Census Bureau employee takes an oath to protect your personal information for life. Your answers cannot be used for law enforcement purposes or to determine your personal eligibility for government benefits.

By law, your responses cannot be used against you.

By law, your census responses cannot be used against you by any government agency or court in any way—not by the Federal Bureau of Investigation (FBI), not by the Central Intelligence Agency (CIA), not by the Department of Homeland Security (DHS), and not by U.S. Immigration and Customs Enforcement (ICE). The law requires the Census Bureau to keep your information confidential and use your responses only to produce statistics.

The law is clear—no personal information can be shared.

Under Title 13 of the U.S. Code, the Census Bureau cannot release any identifiable information about individuals, households, or businesses, even to law enforcement agencies.

The law states that the information collected may only be used for statistical purposes and no other purpose.

To support historical research, Title 44 of the U.S. Code allows the National Archives and Records Administration to release census records only after 72 years.

All Census Bureau staff take a lifetime oath to protect your personal information, and any violation comes with a penalty of up to \$250,000 and/or up to 5 years in prison.

There are no exceptions.

The law requires the Census Bureau to keep everyone's information confidential. By law, your responses cannot be used against you by any government agency or court in any way. The Census Bureau will not share an individual's responses with immigration enforcement agencies, law enforcement agencies, or allow that information to be used to determine eligibility for government benefits. Title 13 makes it very clear that the data we collect can only be used for statistical purposes—we cannot allow it to be used for anything else, including law enforcement.

It's your choice: you can respond securely online, by mail, or by phone.

You will have the option of responding online, by mail, or by phone. Households that don't respond in one of these ways will be visited by a census taker to collect the information in person. Regardless of how you respond, your personal information is protected by law.

Your online responses are safe from hacking and other cyberthreats.

The Census Bureau takes strong precautions to keep online responses secure. All data submitted online are encrypted to protect personal privacy, and our cybersecurity program meets the highest and most recent standards for protecting personal information. Once the data are received, they are no longer online. From the moment the Census Bureau collects responses, our focus and legal obligation is to keep them safe.

We are committed to confidentiality.

At the U.S. Census Bureau, we are absolutely committed to keeping your responses confidential. This commitment means it is safe to provide your answers and know that they will only be used to paint a statistical portrait of our nation and communities.

Learn more about the Census Bureau's data protection and privacy program at www.census.gov/privacy.

Laws protecting personal census information have withstood challenges.

In 1982, the U.S. Supreme Court confirmed that even addresses are confidential and cannot be disclosed through legal discovery or the Freedom of Information Act (FOIA). In 2010, the U.S. Justice Department determined that the Patriot Act does not override the law that protects the confidentiality of individual census responses. No court of law can subpoena census responses.

RHODE ISLAND

In FY2016, Rhode Island received

\$3,801,279,399

through 55 federal spending programs
guided by data derived from the 2010 Census.

The **Counting for Dollars 2020 Project** aims to understand 1) the extent to which the federal government will rely on data from the 2020 Census to guide the distribution of federal funding to states, localities, and households across the nation and 2) the impact of the accuracy of the 2020 Census on the fair, equitable distribution of these funds.

The project has analyzed spending by state for 55 federal programs (\$883,094,826,042 in FY2016). Three types of programs are analyzed:

- **Domestic financial assistance programs** provide financial assistance – including direct payments to individuals, grants, loans, and loan guarantees – to non-federal entities within the U.S. – such as individuals and families, state and local governments, companies, and nonprofits – in order to fulfill a public purpose.
- **Tax credit programs** allow a special exclusion, exemption, or deduction from gross income or provide a special credit, a preferential rate of tax, or a deferral of tax liability.
- **Procurement programs** award a portion of Federal prime contract dollars to small businesses located in areas selected on the basis of census-derived data.

The four uses of census-derived datasets to geographically allocate funding are:

- **Define eligibility criteria** – that is, identify which organizations or individuals can receive funds.
- **Compute formulas** that geographically allocate funds to eligible recipients.
- **Rank project applications** based on priorities (e.g., smaller towns, poorer neighborhoods).
- **Set interest rates** for federal loan programs.

The two categories of census-derived datasets are:

- **Geographic classifications** – the characterization (e.g., rural), delineation (e.g., Metropolitan Areas), or designation (e.g., Opportunity Zones) of specific geographic areas.
- **Variable datasets**
 - **Annual updates** of population and housing variables collected in the Decennial Census.
 - **Household surveys** collecting new data elements (e.g., income, occupation) by using the Decennial Census to design representative samples and interpret results.

Reports of the Counting for Dollars 2020 Project:

- **Report #1:** Initial Analysis: 16 Large Census-guided Financial Assistance Programs (August 2017)*
- **Report #2:** Estimating Fiscal Costs of a Census Undercount to States (March 2018)*
- **Report #3:** Role of the Decennial Census in Distributing Federal Funds to Rural America (December 2018)*
- **Report #4:** Census-derived Datasets Used to Distribute Federal Funds (December 2018)
- **Report #5:** Analysis of 55 Large Census-guided Federal Spending Programs (forthcoming)*
- **Report #6:** An Inventory of 320 Census-guided Federal Spending Programs (forthcoming)

CENSUS 2020

MAKE SURE YOUR COMMUNITY COUNTS. *And is counted.*

EACH YEAR, OVER \$3 BILLION IN
FEDERAL FUNDING
TO RHODE ISLAND
IS DETERMINED BY
CENSUS-DERIVED DATA,
PROVIDING SUPPORT FOR

MEDICAID
SNAP (FOOD STAMPS)
MEDICARE PART B
SECTION 8 HOUSING SUPPORT
CHILDREN'S HEALTH INSURANCE
SCHOOL LUNCH PROGRAM
FOSTER CARE
SPECIAL EDUCATION
WIC
HEAD START
HEALTH CENTERS
ENERGY ASSISTANCE
CHILD CARE

IN CENSUS 2020,
COMMUNITY-BASED ORGANIZATIONS WILL PLAY A
CRITICAL ROLE IN EDUCATING
AND ENGAGING THEIR NEIGHBORS,
PARTICIPANTS AND PARTNERS
IN ENSURING
THAT EVERY RHODE ISLANDER COUNTS,
AND IS COUNTED.

CHILDREN, PEOPLE OF COLOR,
IMMIGRANTS, LOW INCOME RESIDENTS
AND THE HOMELESS HAVE
HISTORICALLY BEEN UNDERCOUNTED.

A DECADE'S WORTH OF FEDERAL FUNDING
FOR THE OCEAN STATE'S
MOST VULNERABLE RESIDENTS AND
COMMUNITIES
WILL BE DETERMINED BY
OUR SHARED COMMITMENT TO
ACCURATELY COUNT EVERY
RHODE ISLANDER.

NOW IS THE TIME TO PREPARE.

ENGAGEMENT, VISIT
WWW.GRANTMAKERSRI.ORG/CENSUS-2020/

Why We Ask

The 2020 Census is easy. The questions are simple.

The census asks questions that provide a snapshot of the nation. Census results affect your voice in government, how much funding your community receives, and how your community plans for the future.

When you fill out the census, you help:

- Determine how many seats your state gets in Congress.
- Guide how **more than \$675 billion** in federal funding is distributed to states and communities each year.
- Create jobs, provide housing, prepare for emergencies, and build schools, roads and hospitals.

Population Count (Number of People Living or Staying)

We ask this question to collect an accurate count of the number of people at each address on Census Day, April 1, 2020. Each decade, census results determine how many seats your state gets in Congress. State and local officials use census counts to draw boundaries for districts like congressional districts, state legislative districts and school districts.

Any Additional People Living or Staying

Our goal is to count people once, only once and in the right place according to where they live on Census Day. Keeping this goal in mind, we ask this question to ensure that everyone living at an address is counted.

Owner/Renter

We ask about whether a home is owned or rented to create statistics about homeownership and renters. Homeownership rates serve as an indicator of the nation's economy and help in administering housing programs and informing planning decisions.

Phone Number

We ask for a phone number in case we need to contact you. We will never share your number and will only contact you if needed for official Census Bureau business.

Name

We ask for names to ensure everyone in the house is counted. Listing the name of each person in the household helps respondents include all members, particularly in large households where a respondent may forget who was counted and who was not.

Sex

We ask about the sex of each person to create statistics about males and females. Census data about sex are used in planning and funding government programs, and in evaluating other government programs and policies to ensure they fairly and equitably serve the needs of males and females. These statistics are also used to enforce laws, regulations and policies against discrimination in government programs and in society.

Age and Date of Birth

We ask about age and date of birth to understand the size and characteristics of different age groups and to present other data by age. Local, state, tribal and federal agencies use age data to plan and fund government programs that provide assistance or services for specific age groups, such as children, working-age adults, women of childbearing age, or the older population. These statistics also help enforce laws, regulations and policies against age discrimination in government programs and in society.

Hispanic, Latino or Spanish Origin

We ask about whether a person is of Hispanic, Latino or Spanish origin to create statistics about this ethnic group. The data collected in this question are needed by federal agencies to monitor compliance with anti-discrimination provisions, such as under the Voting Rights Act and the Civil Rights Act.

Race

We ask about a person's race to create statistics about race and to present other statistics by race groups. The data collected in this question are needed by federal agencies to monitor compliance with anti-discrimination provisions, such as under the Voting Rights Act and the Civil Rights Act. State governments use the data to determine congressional, state and local voting districts.

Whether a Person Lives or Stays Somewhere Else

Our goal is to count people once, only once and in the right place according to where they live on Census Day. Keeping this goal in mind, we ask this question to ensure individuals are not included at multiple addresses.

Relationship

We ask about the relationship of each person in a household to one central person to create estimates about families, households and other groups. Relationship data are used in planning and funding government programs that provide funds or services for families, people living or raising children alone, grandparents living with grandchildren, or other households that qualify for additional assistance.

Citizenship

A question about a person's citizenship is used to create statistics about citizen and noncitizen populations. These statistics are essential for enforcing the Voting Rights Act and its protections against voting discrimination. Knowing how many people reside in the community and how many of those people are citizens, in combination with other information, provides the statistical information that helps the government enforce Section 2 of the Voting Rights Act and its protections against discrimination in voting.

How the 2020 Census will invite everyone to respond

What to Expect in the Mail

When it's time to respond, most households will receive an invitation in the mail.

Every household will have the option of responding online, by mail, or by phone.

Depending on how likely your area is to respond online, you'll receive either an invitation encouraging you to respond online or an invitation along with a paper questionnaire.

Letter Invitation

- Most areas of the country are likely to respond online, so most households will receive a letter asking you to go online to complete the census questionnaire.
- We plan on working with the U.S. Postal Service to stagger the delivery of these invitations over several days. This way we can spread out the number of users responding online, and we'll be able to serve you better if you need help over the phone.

Letter Invitation and Paper Questionnaire

- Areas that are less likely to respond online will receive a paper questionnaire along with their invitation. The invitation will also include information about how to respond online or by phone.

WHAT WE WILL SEND IN THE MAIL	
On or between	You'll receive:
March 12-20	An invitation to respond online to the 2020 Census. (Some households will also receive paper questionnaires.)
March 16-24	A reminder letter.
	If you haven't responded yet:
March 26-April 3	A reminder postcard.
April 8-16	A reminder letter and paper questionnaire.
April 20-27	A final reminder postcard before we follow up in person.

We understand you might miss our initial letter in the mail.

- Every household that hasn't already responded will receive reminders and will eventually receive a paper questionnaire.
- It doesn't matter which initial invitation you get or how you get it—we will follow up in person with all households that don't respond.

How the 2020 Census will invite everyone to respond

Every household will have the option of responding online, by mail, or by phone.

Nearly every household will receive an invitation to participate in the 2020 Census from either a postal worker or a census worker.

 **95%** of households will receive their census invitation in the mail.

 **Almost 5%** of households will receive their census invitation when a census taker drops it off. In these areas, the majority of households may not receive mail at their home's physical location (like households that use PO boxes or areas recently affected by natural disasters).

 **Less than 1%** of households will be counted in person by a census taker, instead of being invited to respond on their own. We do this in very remote areas like parts of northern Maine, remote Alaska, and in select American Indian areas that ask to be counted in person.

Note: We have special procedures to count people who don't live in households, such as students living in university housing or people experiencing homelessness.

Wave 2 ACOs: Taunton, MA; Boston, MA; Quincy, MA; Hartford, CT; New Haven, CT; Danbury, CT. Expected to Open: July 2019 – September 2019

Note: Timeline dates and Recruiting Goals are subject to change

TOWN OF JAMESTOWN POSITION DESCRIPTION

Class Title: Town Clerk

GENERAL PURPOSE

The Town Clerk is a member of the Town's Senior Management team. This employee serves as the secretary of the municipal corporation, as well as the keeper of the entire recorded history of the community and its people. The legal duties and responsibilities of the Town Clerk are defined by the Rhode Island General Laws, Division of Vital Statistics, the State Constitution, the Town Charter and local ordinances. By virtue of the office, the Town Clerk is also an ex officio member of the Board of Canvassers.

SUPERVISION RECEIVED

The Town Clerk works under the general direction and supervision of the Town Administrator.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Attends regular and special meetings of the Town Council, as well as Financial Town Meetings, and maintains accurate records of the proceedings of same;

Prepares Town Council meeting agendas and packets of information for Councilors;

Provides legislative assistance to Town Council with regard to ordinances and public hearings;

Assists the Town Council in compliance with Open Meeting Laws and serves as the Open Meeting Filing Coordinator of the Town

Act as parliamentarian at Town Council meetings in absence of Town Solicitor;

Prepares warrants for Elections and Financial Town Meetings and coordinates with the Town Sergeant and Town Moderator;

Administers oaths to appointed personnel; maintains appointment records for board/commission members and provides annual reports on same to the Rhode Island Ethics Commission;

Oversees recording of land evidence documents pertaining to Jamestown real estate along with appropriate fees;

Establishes and maintains a process for microfilming, storage and retrieval of Land Evidence Records

Coordinates assistance to the general public and real estate professionals in utilizing land evidence records;

Town Clerk - Position Description Continued

Maintains vital records for community's inhabitants;

Issues marriage licenses;

Maintains record of all burials in the community;

Insures restricted access to vital records;

Issues certified copies of records of vital records to those duly authorized to receive them;

Issues dog licenses in accordance with Rhode Island General Laws and local ordinances;

Issues various business licenses upon approval of Council (alcoholic beverage, private investigator, victualing, peddling,, holiday, mechanical devices, etc.), monitors compliance and reports violations to Chief of Police;

Issues trade name certificates.;

Notarizes documents, and attests to validity of documents and signatures;

Perform and/or supervise duties of Probate Court:

- Receive and file petitions

- Advertise and schedule hearings

- Prepare probate docket

- Maintain records of Probate Court proceedings

- Issue decrees and certified copies of records

- Request police background checks for change of name petitions

- Issue citations and arrange for service by Town Constable

- Oversee all regular and special sessions of Probate Court Provide background data to Probate Judge

Certify voter lists;

Preside over elections;

Act as Clerk, of all elections and files paperwork in accordance with Rhode Island General Laws and Board of Elections regulations;

Certifies the conduct and results of elections and Financial Town Meetings;

Town Clerk - Position Description Continued

Register voters, issue voter registration cards, issue certificates of residency, assist voters with absentee and emergency ballot applications and mail ballots;

Prepare and submit payroll for the Town Clerks staff and election personnel;

Maintains payroll and attendance records for the Town Clerks office

Testify in court as the keeper of the records whenever legally called upon to do so;

Train and supervise Deputy Town Clerk/Canvasser Clerk and Clerk/Probate Clerk and any additional staff as may be provided to the department;

Provide on-going assistance to all other Town Departments as it relates to Town Clerk functions;

Promote preservation and restoration of community's records;

Seek alternate sources of funding for projects of historical significance;

Prepare annual department budgets for Town Council, Probate Court, Elections and Town meetings and Town Clerks Office, as well as capital improvements plan;

RECOMMENDED MINIMUM QUALIFICATIONS

Bachelor's Degree from an accredited college or university is preferred or the equivalent combination of education, experience, and certification. Successful candidate must have a minimum of five (5) years of direct supervisory experience. Successful candidate for this position is required to be a member of the Town Clerks Association or be able to become a Certified Municipal Clerk within three (3) years from hire.

PHYSICAL AND WORKING ENVIRONMENTS

The work environment is typically within an office setting, although the employee may meet with other employees and agencies in an outside environment.

The working conditions include those synonymous with an indoor work setting, for lighting, noise level, temperature, etc.

The employee may occasionally lift and/or move objects up to twenty-five (25) pounds. Specific physical abilities include close vision and the ability to use a computer monitor for long periods of time, as well as the ability to communicate verbally in person and on the telephone and other communication devices.

March 29, 2019

Mr. Michael C. Gray, P.E.
Public Works Director/Town Engineer
Town Offices
93 Narragansett Avenue
Jamestown, RI 02835-1120

**RE: Crane Loading Evaluation
Existing Steel Pier
East Ferry Marina, Jamestown, RI
RTG Project No. 19103.00**

Dear Mike:

About 13 years ago, RT Group, Inc. (RTG) prepared a *Load Evaluation Report* (RTG, July 19, 2006) for the existing Steel Pier (the Pier) located at the East Ferry Marina (Figure 1 and Photo Nos. 1 and 2). The subject report evaluated several load conditions, including but not limited to (1) a crane trafficking the pier without making a pick, (2) a crane supported by outriggers making a pick, and (3) a loaded boat handler.

At the time the above subject report was prepared, the crane being utilized was a Link-Belt HSP-8028S rubber tired mounted crane, and the maximum estimated pick and outrigger loads were estimated at about 16 and 35 kips, respectively. We understand that a new Grove RT760E Rough Terrain Crane has been purchased for use at the Pier, and the maximum estimated pick and outrigger loads are currently estimated at about 20 and 55 kips, respectively¹.

Purpose and Scope

The estimated outrigger load for the new Grove RT760E is about 60 percent higher than that assumed for the existing crane. Based on this, and because it has been about 13 years since the Pier was last evaluated, RTG recommended and was subsequently retained by the Town to visually assess the Pier, analyze the proposed crane loading, and assess whether or not the Pier can structurally support the new Grove RT760E crane.

Background

The original Pier (ca. 1970s assumed) was constructed of interlocking MZ-27 (equivalent to a PZ-27) steel sheet piles that formed the north, south, and east sides of the Pier. The steel sheet piles were anchored to each other using a steel wale mounted on the inboard side of the sheet piles and steel tie rods buried about 2 to 3 feet below the top of the Pier. We are assuming that a pair of steel channels was used for the wale, but there is no

¹ The estimated outrigger load is based on a pick radius of 35 feet with the outriggers extended 50 percent. While the outriggers cannot be fully extended without hitting the concrete curbs, it may be possible to extend them more than 50 percent. Therefore, the actual pick and outrigger loads are expected to vary.

information available on this structural component. Likewise, no information on the tie rods exists, except that the tie rod spacing was reportedly about 6 feet on center.

Based on the available data, it was assumed that the steel sheet piles were driven to practical refusal within the shale and/or the hard-packed silt/clay, gravel, and shale immediately above it. After the sheet pile wall was completed, earth fill (assumed granular) was placed between the sheet pile walls, and a 6-inch-thick concrete slab was placed over the earth fill to provide a working/driving surface. We are assuming that the concrete slab was reinforced with welded wire fabric (WWF), but that no other structural reinforcing was installed (e.g., rebar).

In the 1990s, the Town and the Jamestown Harbor Commission began to evaluate repair options for the Pier. Repair options were needed based on the deteriorated condition of the steel sheet piles and to prevent the loss of the earth fill that supports the Pier. By the late 1990s, the steel sheet piles reportedly had small holes (from one to several inches) at the water line. While we were not able to obtain a copy of any inspection reports that were completed at that time, we are assuming that the steel sheet piles had experienced extensive corrosion within the tidal zone.

Sometime around 1996/1997, the north and south sides of the Pier were "reconstructed". Based on the 90 percent plans provided to RTG by the Town (SAI, September 13, 1996), this reconstruction included installing new galvanized WT12x52 soldier piles at about 10 feet on center along the north and south sides of the Pier, directly in front of the MZ-27 steel sheet pile walls. The soldier piles were driven about 6 feet below the existing mudline per the plans. Based on the available data, it appears that the WT12x52 soldier piles were driven to practical refusal, similar to the MZ-27 steel sheet piles.

After the soldier piles were installed, they were reportedly anchored to each other using #9 epoxy coated steel tie rods which are located about 1.5 feet below the top of the Pier. Pre-cast reinforced concrete panels were then placed between the individual soldier piles from about 2 feet below the existing mudline to the top of the Pier. Tremie concrete fill was then placed in 4-foot-lifts between the existing steel sheet pile walls and the soldier pile panel walls. Rebar hooks that were cast directly into the back of the pre-cast panels "locked" the panels and tremie pour together.

In 2003, vinyl sheets were installed directly in front of the existing steel sheet pile wall on the east end of the Pier. The vinyl sheets were reportedly about 28-feet-long and were driven to practical refusal per our discussions with the Contractor, Specialty Diving Services, Inc. (SDS), that installed them. At the time the vinyl sheets were installed, the steel sheet piles on this end of the Pier had reportedly experienced about 80 percent section loss within the tidal zone due to corrosion. Reportedly, there were also several large holes in the sheet piles, some large enough to put a person's arm through.

In 2006, cast-in-place concrete curbing and steel railing was installed along the north and south sides of the Pier. In addition, 4-inch by 8-inch pressure treated timber chaffing blocks were installed over the existing 6-inch by 8-inch timber chaffing blocks that were installed in 1996/1997. Pressure treated timber ladders were also installed at selected locations along the face of the Pier, as well as new utility lines.

A typical section through the Pier, illustrating its assumed geometry and construction, is presented in Figure 2.

Existing Conditions

On March 23, 2019, RTG completed a visual assessment of the Pier from the concrete deck and from a kayak to assess its general condition and determine if there were any obvious signs of movement or distress. Based on the assessment, the WT12x52's, pre-cast concrete panels, and existing concrete deck appeared to be in fair condition.

While some corrosion was observed at the flanges of the WT12x52s, it appeared to be surficial in nature, and the measured flange thickness was about $\frac{3}{4}$ -inch above the water line (Photo Nos. 3 and 4). The pre-cast concrete panels appeared to be plumb and no significant cracking or spalling was observed (Photo Nos. 5 through 7). While the concrete deck is cracked and is showing signs of wear and tear, there were no signs of significant settlement or that soil was being lost below the deck (Photo Nos. 8 and 9).

Pier components that were observed to be in poor condition included the timber chaffing blocks and timber ladders. Many of the timber chaffing blocks that were installed in 1996/1997 are severely rotted (Photo Nos. 10 and 11). The timber chaffing blocks that were installed in 2006, and that are attached to the 1996/1997 chaffing blocks using galvanized lag bolts, are also beginning to rot (Photo No. 12).

In addition to the above, some of the timber ladders were missing their lower rungs and also exhibited signs of rot (Photo No. 11). Concrete spalling was also observed along the concrete curb (Photo No. 13) on the north side of the Pier, and cracking was observed in the outer face of the vinyl sheets on the east side of the Pier (Photo No. 14).

Limitations

RTG has prepared this letter report for the new Grove RT760E crane, based on information provided by the Town, and in accordance with the Limitations and Recommendations presented in the original *Load Evaluation Report* (RTG, July 19, 2006). Information on the Pier's original construction is limited, as is the condition of structural components that are buried and are no longer visible (e.g., the MZ-27 sheet piles, the wale and tie rods for the MZ-27 sheets, the WT12x52s, the No. 9 tie rods). Accordingly, several simplifying assumptions were made, including but not limited to the following:

1. That at the waterline, the original MZ-27 steel sheet piles experienced up to about 80 percent section loss at the time the north and south faces of the Pier were reconstructed in 1996/1997, and that minimal section loss has occurred since that time because the sheet piles are buried/encapsulated in tremie concrete (less section loss was assumed below the mudline);

2. That the original MZ-27 sheet piles, the pre-cast concrete panels, and the tremie concrete in-fill work together additively to resist the estimated bending moments induced by the crane loading;
3. That the original wale and tie rods for the MZ-27 sheets were severely corroded, damaged, and/or removed at the time the Pier was reconstructed in 1996/1997, and have been ignored for the purposes of our analyses (assumed conservative);
4. That the existing WT12x52 soldier piles, which are galvanized, have experienced about 10 to 20 percent section loss at the waterline (less section loss was assumed below the mudline);
5. That the existing No. 9 tie-rods, that are reportedly epoxy coated and encased in concrete, have experienced minimal section loss since they were installed ($F_y = 60$ ksi assumed);
6. That the No. 9 tie rods resist 100 percent of the lateral wale load induced by the crane loading (i.e., the original wales and tie rods for the MZ-27 sheet piles have been ignored);
7. That the crane could operate under MLW conditions, which produces the greatest load on the Pier walls;
8. That the Pier surcharge loading outside the footprint of the crane is about 250 pounds per square foot (psf); and
9. That cranes will not operate east of the Dock House and/or where vinyl sheets were reportedly installed in 2003.

Analysis of Proposed Loading

Based on our analyses, the outrigger loads from the new Grove RT760E crane are expected to induce a bending moment of about 16,000 ft-pounds/foot in the existing Pier side walls². Assuming that the above wall system acts additively (rather than compositely, assumed conservative), we estimate that the allowable bending moment to be about 23,000 ft-pounds/foot. Based on this, the induced bending moment is less than the allowable bending moment, and the side walls appear capable of supporting the anticipated crane loading.

While our analyses indicate that the Pier side walls can support the bending moment induced by the outrigger loads of the new crane, we estimate that the tension load induced in the No. 9 tie rods will be about 55 kips, which will produce a tension stress in the tie rods of about 56 ksi. This represents an overstress of about 87 percent, which is

² To help account for slight variations in the placement of the outriggers, RTG assumed a maximum outrigger load about 60 kips, applied directly behind the concrete curbs. It was assumed that the outriggers were placed on 4-foot by 4-foot by ½-inch-thick steel plates to help distribute the load, similar to the original *Load Evaluation Report* (RTG, July 19, 2006).

much greater than the tie rod overstress estimated previously for the Link Belt crane (about 15 percent) (RTG, July 19, 2006). Based on this, the estimated tie rod stress is approaching the yield stress of the steel³.

Conclusions

The operation of the new Grove RT760E crane is expected to induce excessive tension stresses in the No. 9 tie rods that connect the WT12x52 soldier piles together. The estimated tension stress is approaching the yield stress of the steel, which could result in unacceptable lateral movement and/or the failure of the Pier side walls. This overstress was found to exist even if larger/thicker steel plates or timber dunnage was placed below the outriggers.

While operational restrictions were considered to help reduce the estimated overstress, these restrictions would limit picks to MHW conditions only and the crane would need to be set-up where the existing mudline was shallower. This would unrealistically restrict operations at the Pier to two (2) high tide cycles per day and would not eliminate the risk of overstressing the tie rods.

Repair/Improvement Alternatives

Per the Town's request, we have evaluated both short-, intermediate-, and long-term repair/improvement alternatives for continued crane operations at the Pier. The short-term alternative that was developed is intended to be used on an interim basis for this boating season only (i.e., spring-summer 2019).

The intermediate-term alternatives that were developed are intended to be used for no more than about 3 to 5 years, at which time the Town should consider more long-term improvements since the reconstructed Pier components would be approaching 30 years old and the original Pier components would be approaching 60 years old.

If intermediate-term repairs are implemented in lieu of long-term repairs, it is recommended that the Pier be inspected by a Professional Engineer at least annually and/or after every major storm event to check for damage and to allow operating adjustments to be made if required.

Short-Term

Under this alternative, cranes would be operated such that the maximum outrigger load is limited to 35 kips or less. The outriggers would be supported on 4-foot by 4-foot x ½-inch-thick steel plates that are in turn supported on 4-foot by 8-foot by 12-inch thick timber crane mats. The edge of the crane mats would be placed at least 6 inches from the back of

³ For this report, an allowable tension stress of $0.5F_y$ or 30 ksi was assumed for the tie rods, which is slightly less than the $0.6F_y$ assumed for the original *Load Evaluation Report* (RTG, July 19, 2006).

the concrete curb and no other surcharge load would be allowed on the concrete deck below or within 10 feet of the crane when making a pick (Figure 3).

The maximum recommended outrigger load is the same as that presented in the original *Load Evaluation Report* (RTG, July 19, 2006). However, we added crane mats and offset them from the edge of the Pier to help account for the fact that the Pier is 13 years older, its geometry is slightly less favorable than that utilized previously (e.g., the exposed face is higher), and there are unknowns inherent in the analyses completed (the actual condition of some Pier components is unknown).

The crane owner will need to consult with the crane manufacturer in order to determine the maximum pick weight and operating radius that will limit the outrigger loads to 35 kips or less. Assuming that the outrigger loads are limited to 35 kips, and steel plates and timber crane mats are utilized as recommended above, we estimate that the tension load induced in the No. 9 tie rods will be about 34.7 kips, which will produce a tension stress in the tie rods of about 35 ksi. This represents an overstress of about 17 percent, which is comparable to the loading induced previously by the Link-Belt crane, and is considered acceptable for a short-duration loading.

Intermediate-Term

For the intermediate-term, we evaluated three (3) alternatives to help mitigate the risk associated with operating the new Grove RT760E crane with outrigger loads of up to 60 kips. These alternatives included (1) conducting a detailed subsurface investigation to determine if the MZ-27 steel sheet piles, wales and tie-rods are in better condition than assumed, (2) constructing new pile supported outrigger pads, and (3) constructing a dedicated crane pad, including new outboard wales and internal tie rods.

Alternative No. 1 would require that the existing concrete deck be removed at selected locations and that test pits be completed to expose the structural components of interest, including ultrasonic thickness measurements. This would take time, cost upwards of \$3,000.00/DAY, and may not change the results of RTG's analyses (i.e., the investigation could indicate that the subject components are in the same condition assumed).

It may be possible to forgo some or all of the above work if the Town were able to find plans and specifications for the original MZ-27 sheet pile wall system, as well as photographs that document the condition of the wale and tie rods when the Pier was reconstructed in 1996/1997. Barring the receipt of this information, and/or the completion of a subsurface investigation as discussed above, RTG has ignored the wales and tie rods of the MZ-27 sheets.

Alternative No. 2 would require that the existing concrete deck be saw-cut and selectively removed in order to drive new steel or timber support piles at new cast-in-place concrete outrigger pads. The pile supported pads would be utilized to transfer the outrigger loads directly to the till/shale layer, thus reducing the lateral load on the Pier walls and tie rods. While this alternative would be effective at reducing the tie rod loads, it would be expensive to implement.

Alternative No. 3 would require that the existing concrete deck be removed in order to construct a new dedicated crane pad, just west of the existing Dock House. At the dedicated crane pad, new wales would be installed on the existing WT12x52s and concrete panel wall, and new tie rods would be installed below the dedicated crane pad to connect the wales together (Figures 4 and 5). The wales and tie-rods would be sized to resist 100 percent of the estimated lateral load induced by the crane.

Long-Term

For the long-term, we believe that driving a new steel sheet pile wall around the perimeter of the Pier and anchoring it with new wales and tie rods offers many advantages. These advantages include, but are not limited to (1) providing a new independent wall system that can support the anticipated design loads, (2) providing a means to widen the Pier, and (3) providing a means to allow other marina enhancements to be made (e.g., revised Pier configuration, integral boat ramp). In conjunction with this or the previously mentioned intermediate-term alternatives, we recommend that the existing timber chaffing blocks and existing timber ladders be repaired/replaced as required; that the spalling observed along the north face of the Pier be repaired; and cracked vinyl sheets be assessed and repaired as required.

Moving Forward

We recommend that the Town perform a detailed alternatives evaluation, including the preparation of detailed cost estimates, in order to assess its options and determine the best course of action for continued operations at the Pier. Following this alternatives evaluation, Plans & Specifications for bidding and construction could be prepared for the selected alternative. Given that the short-term alternative that was presented is only intended for this boating season, we recommend that the Town begin this work as soon as possible.

Please do not hesitate to contact us if you have any comments or require any additional assistance.

Sincerely,

James B. Russell, P.E.
Principal / Senior Project Manager

**Testimony from Brian M. Daniels, Executive Director
In Opposition to H5437, Continuing Contract Legislation
House Committee on Labor
February 27, 2019**

Thank you, Madam Chair and members of the committee, for the opportunity to testify. On behalf of the League of Cities and Towns, I would like to reiterate our strong opposition to any legislation mandating contract continuation for municipal employees. As I said in the hearing in January for police and firefighters, contract continuation would limit the control of municipal leaders over their budgets and ultimately lead to higher property taxes. With personnel costs as much as 75% of municipal expenditures in some communities, the General Assembly should not be making it harder for local officials to balance their budgets.

To underscore those earlier points – contract continuation legislation would tie the hands of local elected officials when negotiating in the best interests of their taxpayers. The expiration date of collective bargaining agreements is important – it motivates the parties to come together and resolve their issues prior to the close of the contract. In nearly all cases in Rhode Island, when the parties do not complete negotiations prior to the contract expiration, they mutually agree to extend the existing contracts temporarily – a gesture by both sides to maintain dialogue and good working relations. Supporters have cherry-picked a few high-profile examples in the last decade to justify the need for this bill, but it is worth reiterating that these are the exceptions and not the rule. In the vast majority of municipal contract negotiations, management and employee unions mutually agree to extend the existing agreement for a limited period of time to complete negotiations.

If employee unions are concerned that they do not have the legal authority to extend contracts voluntarily, then we support legislation that allows temporary contract continuation at the agreement of all parties. Two years ago, the League supported legislation allowing that voluntary extension authority for firefighter contracts (H5973 / S0288). The Governor signed those bills into law, and we would support similar legislation for municipal employees and teachers.

Supporters have cited a decision by the East Providence School Committee to reduce employee compensation during the Great Recession as a justification for this bill. However, that decision was made when the school district was facing a massive deficit – which is prohibited by state law – and the city was in dire fiscal straits. The Superior Court later upheld that decision because of the unique circumstances. If the General Assembly expects cities and towns to live within their

budgets and not to exceed the property tax cap – particularly during a recession – then it needs to allow communities to make difficult decisions when necessary.

In the Governor's veto message of this same bill in 2017, she noted the adverse impact of perpetual contract continuation in places like New York. During the Great Recession, a majority of labor contracts expired but were not renegotiated, with labor unions deciding to stall negotiations instead of making concessions. This impasse forced municipalities to cut services and raise taxes. Rhode Island already has one of the highest property tax burdens in the country, and local leaders have been working to use taxpayer dollars responsibly. Statewide, property taxes have grown at just around 2% annually for the last five years, even while personnel and health care costs have grown. However, when the next recession comes, if current contract provisions are locked in indefinitely, municipal leaders will have very few options to control costs. Again, with personnel costs totaling as much as 75% of municipal budgets, perpetual contracts leave precious few options for local officials other than service cuts or property tax increases.

It is worth reiterating that most municipal leaders have good working relationships with their employees and support harmonious labor negotiations. We understand that contract negotiations often need additional time, which is why the League supports temporary contract continuation when agreed to by both sides. Unfortunately, the bill today would go too far and provide an advantage to employees at the expense of taxpayers. We urge the committee to oppose H5437.

March 4, 2019

Mr. Andrew Nota
Town Administrator
93 Narragansett Ave.
Jamestown, RI 02835

Dear Mr. Andy Nota,

I would like to request the opportunity to make a short presentation to the Council on the Regional Economic Development initiative, Connect Greater Newport, that is being led by the Newport County Chamber of Commerce at an upcoming Town Council meeting.

Connect Greater Newport was established in 2018 as a regional economic development partnership to address barriers reducing our region's economic strength and stability. The initiative seeks to support the growth of existing businesses and serve as a resource to attract new companies, while developing strategic recommendations to improve the overarching economic development ecosystem. Since inception, one year ago, Connect Greater Newport has developed a five-year strategy and delivered upon early action items, which will be presented to the council. Of note, we have also called on over 100 regional businesses to assist them in maintaining their economic competitiveness and support growth.

The Town of Jamestown joined this initiative and is one of seven communities in Bristol and Newport Counties that are actively participating. The initiative has been established with a public-private partnership funding model. We are hopeful that the town will continue to join us in this partnership and consider supporting this effort in the amount of \$5,000.

I look forward to formally presenting the progress of Connect Greater Newport to the Council, along with the plans moving forward for this initiative and the positive impact this project will have on the Town of Jamestown.

Please do not hesitate to contact me if you have any questions at 401-855-2214.

Sincerely,

Ashley Medeiros
Business Consultant

Tyler Fandetti
Linda Jamison
Nancy Semko

In addition, we are requesting that you not re-appoint Mr. Newman to the Jamestown Board of Canvassers nor Ms. Wineberg. Mr. Newman has several outstanding Open Meeting Act (OMA) complaints filed against him with the Rhode Island Attorney General's Office for alleged actions related to Jamestown Board of Canvassers meetings. Ms. Wineberg is part of an ongoing complaint with the RI Board of Elections for her alleged actions during a recent JBOC meeting.

We thank you for your consideration.

Sincerely,

Blake Dickinson
Chair

The Jamestown Republican Town Committee

RECEIVED
TOWN OF JAMESTOWN R.I.
19 APR -8 AM 10:17

23 Buoy Street
Jamestown, Rhode Island 02835

April 8, 2019

Jamestown Town Council
93 Narragansett Avenue
Jamestown, Rhode Island 02835

Dear Councilors:

As you know, the Jamestown Board of Canvassers is a bipartisan committee responsible for registering voters, maintaining voter lists and running our elections on the island. Free and open elections area cornerstone of our democracy.

I strongly recommend the Jamestown Town Council reappoint to the Board of Canvassers Ken Newman as a full member and Katherine Wineberg as an alternate member. Both have knowledge and experience in the increasingly complex electoral process that encompasses epoll books, photo ID, mail and emergency ballots, and Risk Limiting Audits.

Both have been conscientious and energetic in participating in our elections, helping voters navigate the process of mail ballots, emergency ballots and Election Day ballots. They do so with a cheerfulness that makes voters feel welcome and appreciated.

Unfortunately, the Jamestown Republican Town Committee has chosen to play politics with the Jamestown Board of Canvassers by filing partisan complaints against Mr. Newman and Ms. Wineberg with the Rhode Island Board of Elections and the Rhode Island Attorney General's office. The Jamestown Republican Town Committee has filed these complaints based on distorted and inaccurate information. To use these skewed complaints to miscast Mr. Newman's and Ms. Wineberg's character is, at best, disingenuous.

Please reappoint Mr. Newman and Ms. Wineberg to the Board of Canvassers.

Thank you.

Sincerely,

Carol Nelson-Lee
Chairwoman
Jamestown Board of Canvassers

REC'D - TOWN CLERK
19 APR 10 AM 9:51

TITLE 17

Elections

CHAPTER 17-8

Local Canvassing Authorities

SECTION 17-8-1

§ 17-8-1. Appointment of bipartisan authority.

The legislative body of each city and town shall appoint a bipartisan canvassing authority of three (3) qualified electors of the city or town, not more than two (2) of whom shall belong to the same political party, and may appoint two (2) alternate members, not more than one of whom shall belong to the same political party. At any meeting of the canvassing authority at which a member is to be absent, the member may request that an alternate replace him or her for that meeting; provided, that the alternate member must be of the same political party as the member. The mayor or the president of the town council shall nominate the members of the canvassing authority from lists of party voters submitted by the respective chairpersons of the city or town political committee, which lists shall contain the names of five (5) times the number of persons to be appointed. If the legislative body refuses to approve the nomination of any person to the canvassing authority, the mayor or the president shall submit to the legislative body another person named on one of the lists, and so on until a person is appointed. If the chairperson of the city or town committee of a political party entitled to an appointment fails or refuses to submit a list, the mayor or the president shall nominate any party voter of the political party entitled to the appointment.

History of Section.

(P.L. 1956, ch. 3754, § 1; G.L. 1956, § 17-8-2; G.L. 1956, § 17-8-1; P.L. 1958, ch. 18, § 1; P.L. 1988, ch. 151, § 1.)

TITLE 17

Elections

CHAPTER 17-8

Local Canvassing Authorities

SECTION 17-8-2

§ 17-8-2. Term and qualifications for office.

Each member of a local canvassing authority shall be appointed to serve for a term of six (6) years beginning on the first Monday of March succeeding the date of his or her appointment and until his or her successor is elected and qualified. No person shall be appointed or serve as a member of the authority who is an officer or employee of the United States or of this state, or who is an officer or employee of the authority's city or town; provided, that in any city a member of the authority may be employed as its clerk. Any member of the authority who becomes a candidate for election to any public office and who fails to file a declination of the candidacy within the time allowed by law shall be disqualified from holding membership upon the authority and his or her successor shall be immediately elected.

History of Section.

(P.L. 1951 (s.s.), ch. 2870, § 18; G.L. 1956, § 17-8-15; G.L. 1956, § 17-8-2; P.L. 1958, ch. 18, § 1; P.L. 1988, ch. 84, § 74; P.L. 2007, ch. 301, § 1; P.L. 2007, ch. 436, § 1.)

PUBLIC HEARING NOTICE TOWN OF JAMESTOWN

Notice is hereby given that the Town Council of the Town of Jamestown will conduct a public hearing on **Monday, May 6, 2019 at 6:30 p.m.** at the Jamestown Town Hall, 93 Narragansett Avenue on the following proposed amendment to the Code of Ordinances regarding Chapter 70 Traffic and Vehicles. Opportunity shall be given to all persons interested to be heard upon the matter at the public hearing. The following proposed ordinance amendment is under consideration and may be adopted and/or altered or amended prior to the close of the public hearing without further advertising, as a result of further study, or because of the views expressed at the public hearing. Any alteration or amendment must be presented for comment in the course of the public hearing. The proposed amendment is available for review and/or purchase at the Town Clerk's Office between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday, excluding Holidays.

Section 1. The Town Council of the Town of Jamestown hereby ordains that the Jamestown Code of Ordinances, Chapter 70 Traffic and Vehicles Article II. Administration and Enforcement Sec. 70-25 Notice of Violation; Admission of Truth and Payment of Fines at Police Station; Amounts; Article III. Specific Street Regulations Sec. 70-52 Stop Intersections; Article IV. Stopping, Standing and Parking Sec. 70-81 Parking Area, Lots 172 and 173 (former ambulance barn); Sec. 70-82 Two-hour Parking Limit Located upon Lot 573 Plat 8; Sec. 70-83 Standing or Parking on Steel Pier and Bulkhead; Sec. 70-86 Standing or Parking on East Ferry Wharf; and Sec. 70-87 Prohibited or Restricted Parking on Specified Streets; as the same may have been heretofore amended, is hereby amended.

The following is a summary description of the proposed amendments:

To revise the schedules of fines for violations, set parking hour limits, set parking area restrictions and parking restrictions on specified streets for enforcement of Chapter 70 of the Jamestown Code of Ordinances.

Section 2. This amendment shall take effect upon its passage.

A copy of the entire amendment as proposed is available for review at the Jamestown Philomenian Library, 26 North Road; Jamestown Town Hall, 93 Narragansett Avenue; and online at <http://www.jamestownri.gov/town-government/town-council/town-council-meetings-minutes/2019-meetings-minutes/2019-meetings>.

This meeting location is accessible to the physically challenged. If communications assistance is needed or other accommodations to ensure equal participation, please call 1-800-745-5555, facsimile to 401-423-7230, or email to cfernstrom@jamestownri.net not less than three (3) business days prior to the meeting.

**PUBLIC HEARING NOTICE
TOWN OF JAMESTOWN**

Notice is hereby given that the Town Council of the Town of Jamestown will conduct a public hearing on **Monday, May 6, 2019, 6:30 p.m.**, at the Jamestown Town Hall, 93 Narragansett Avenue on the following proposed amendment to the Code of Ordinances regarding Chapter 70 – Traffic and Vehicles. Opportunity shall be given to all persons interested to be heard upon the matter at the public hearing. The following proposed ordinance amendment is under consideration and may be adopted and/or altered or amended prior to the close of the public hearing without further advertising, as a result of further study or because of the views expressed at the public hearing. Any alteration or amendment must be presented for comment in the course of the public hearing. The proposed amendment is available for review and/or purchase at the Town Clerk’s Office between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday, excluding Holidays and on the Town’s web site at www.jamestownri.gov.

Section 1. Be it hereby ordained by the Town Council of the Town of Jamestown that the Jamestown Code Of Ordinances, Chapter 70, as the same may have been heretofore amended, is hereby amended by changing the text of the Chapter, as follows:

NOTE: words set as ~~striketrough~~ are to be deleted from the ordinance; words underlined are to be added to the ordinance.

See Exhibit A, attached hereto and incorporated herein by reference.

Section 2. The Town Clerk is hereby authorized to cause said changes to be made to Chapter 70 of the Town of Jamestown’s Code of Ordinances.

Section 3. This Ordinance shall take effect upon its passage.

EXHIBIT A

ARTICLE II. ADMINISTRATION AND ENFORCEMENT

Sec. 70-25. Notice of violation; admission of truth and payment of fines at police station; amounts.

Each such police officer shall attach to such vehicle or tender to the operator of such vehicle written notice that such vehicle has violated a certain provision of such traffic or parking ordinance or of such parking regulations, notifying such person to appear on a day and hour stated in such notice, to answer such charge before the district court of the second division and, except as otherwise provided in this chapter or state law, instead of personally appearing in court, such person may, in person or by mail admit the truth of such charge and pay to the officer in charge of such police station \$15.00 for parking over the posted time, \$75.00 for parking within eight feet of a fire hydrant, \$100.00 for parking within an area designated as handicap parking and \$25.00 for all other offenses.

~~Notwithstanding anything to the contrary contained in this section, any violation of [section 70-87](#), with respect to vehicular parking in the East Ferry Wharf, West Ferry Wharf, on Conanicus Avenue between the intersection with High Street and the intersection with Hawthorne Road, and boat trailer parking on Conanicus Avenue, Walcott Avenue and Knowles Court, shall be punishable by a fine of \$25.00 for the first violation, \$50.00 for the second violation, and \$75.00 for the third violation.~~

If an appeal or payment is not made within 14 days, an additional fine of \$25 shall be imposed ~~fine shall double~~. If an appeal or payment is not made with 30 days, an additional fine of \$25 shall be imposed ~~fine shall triple~~.

Five dollars of every parking fine shall be placed in a segregated account maintained by the finance department. This account shall be maintained exclusively for the purpose of establishing and maintaining municipal parking.

ARTICLE III. SPECIFIC STREET REGULATIONS

Sec. 70-52. Stop intersections.

Watson Avenue and Pemberton Avenue ~~Pemberton Avenue~~ 4-way stop

ARTICLE IV. STOPPING, STANDING AND PARKING

Sec. 70-81. Parking area, lots 172 and 173. (former ambulance barn)

~~No person shall allow, permit or suffer any vehicle registered in such person's name to stand or park in the parking area located on the south side of Knowles Court and defined as lots 172 and 173 on the tax assessor's plat 8, as presently constituted, in violation of the provisions of this section.~~

~~The provisions of this section shall be in effect during the time period from May 15 to September 30 annually.~~

~~All boat trailers are prohibited from being stored or placed in the parking area except for an area in such parking area designated by the town administrator.~~

~~All vehicles in the parking area must be registered.~~

~~No vehicle may be placed or kept in the parking area continually for more than 48 hours.~~

~~The police department is hereby authorized to remove and tow away, or have removed and towed away, by commercial towing service, any car or other vehicle illegally parked in the parking area. Cars so towed away for illegal parking shall be stored in a safe place and shall be restored to the owner or operator of such car upon payment of fee for towing and storage.~~

~~The town administrator shall reserve parking in a clearly designated area for the exclusive use of ambulances and personnel associated with the ambulance service.~~

~~No parking for more than eight hours. No boat trailer parking. No overnight parking.~~

Sec. 70-82. Two-hour parking limit located upon lot 573 plat 8

~~No person shall allow, permit or suffer any vehicle registered in such person's name to stand or park in the parking area located on Narragansett Avenue and defined as lot 573 on the tax assessor's plat 8, as presently constituted, for a period in excess of two continuous hours between the hours of 8:00 a.m. and 6:00 p.m.; four hours between the hours of 6:00 p.m. and 8:00 a.m. (no overnight parking), in violation of the provisions of this section.~~

~~Parking of any vehicle in such lot shall be limited to private passenger cars, pickup trucks, motorcycles and passenger vans, with no vehicle having more than two axles.~~

~~All boat trailers are prohibited from being parked in the parking area.~~

~~No parking for more than two hours between 10:00 a.m. and 6:00 p.m. No boat trailer parking. No overnight parking.~~

~~The police department is hereby authorized to remove and tow away, or have removed and towed away, by commercial towing service, any car or other vehicle illegally parked in the parking area for a continuous time in excess of two hours between the hours of 8:00 a.m. and 6:00 p.m.; four~~

~~hours between the hours of 6:00 p.m. and 8:00 a.m. (no overnight parking). Cars so towed away for illegal parking shall be stored in a safe place and shall be restored to the owner or operator of such car upon payment of the fine provided in subsection (e) of this section and upon payment of a fee for towing and storage.~~

~~Any violation of this section with respect to vehicles parked illegally in such parking area shall be punishable by a fine of \$25.00 for the first violation, \$50.00 for the second violation, and \$75.00 for the third violation, committed within the consecutive period of 12 months next preceding the date of such violation all in accordance with the provisions of G.L. 1956, § 12-14-10.~~

~~(Code 1982, § 18-27.1; Code 2003, § 70-82)~~

Sec. 70-83. Standing or parking on Steel Pier and Bulkhead

~~No person shall allow, permit or suffer any vehicle registered in such person's name to stand or park on the Steel Pier, which extends easterly from Conanicus Avenue to the waters of Narragansett Bay, being southerly 11 feet of such Steel Pier extending 315 feet easterly from the easterly line of Conanicus Avenue.~~

Steel Pier-No parking

Bulkhead-North side in designated areas, no parking for more than two hours between 10:00 a.m. and 6:00 p.m. No overnight parking. No boat trailer parking. No parking on south side.

Notwithstanding anything to the contrary contained in this section, it shall be permissible for cranes to park temporarily in such area on the condition that such vehicles are used in marine related activity and are attended by an operator.

The police department is hereby authorized to remove and tow away, or have removed and towed away, by commercial towing service, any car or other vehicle illegally parked in the area described in ~~subsection (a)~~ of this section. Cars so towed away for illegal parking shall be stored in a safe place and shall be restored to the owner or operator of such vehicle upon the payment of the fine, towing and storage fee.

All Town owned and emergency vehicles are exempt from all time restrictions.

Sec. 70-86. Standing or parking on East Ferry Wharf.

~~*Prohibited generally; description of wharf area.* No person shall allow, permit or suffer any vehicle registered in such person's name to stand or park on the portion of East Ferry Wharf in that certain area immediately south of the sidewalk extending to the Wood Pier and particularly described as follows:~~

~~Commencing at the westerly terminus of such sidewalk and running easterly 61 feet, bounded northerly by the described sidewalk in this subsection; thence turning and running southerly 20~~

~~feet; thence turning and running westerly 61 feet; thence turning and running northerly to the point or place of beginning.~~

~~*Towing of vehicles.* The police department is authorized to remove and tow away, or have removed and towed away, by commercial towing service, any car or other vehicle illegally parked in the area described in subsection (a) of this section. Cars so towed away for illegal parking shall be stored in a safe place and shall be restored to the owner or operator of such vehicle upon the payment of the towing and storage fee.
(Code 2003, § 70-86; Ord. of 9-14-1998)~~

~~*East Ferry, town's public parking areas, no parking of any boat trailer at any time.*~~

~~*East Ferry Wharf, no parking on the easterly side and southerly side for more than two hours between 8:00 a.m. and 6:00 p.m. daily with the exception of two parking spaces at the southwesterly corner of East Ferry Wharf, where there shall be no parking for more than 15 minutes between the hours of 8:00 a.m. and 9:00 p.m. daily, and five parking spaces on the southeasterly corner where there shall be no parking for more than 30 minutes between 8:00 a.m. and 6:00 p.m. daily.*~~

~~*East Ferry Wharf, no parking on the westerly side for more than two hours between 8:00 a.m. and 6:00 p.m. of any day.*~~

~~*East Ferry Wharf, parking only for the loading and unloading of vehicles and, in no event, for more than 30 minutes, in the area designated and posted as such by the town council in the general area of the so-called "Old Ferry Dock" as more particularly described on that certain plan entitled, "Marine Perimeter Plan," prepared for Jamestown Harbor Commission, dated December 5, 1994, and filed at the office of the town clerk in Hanging File No. 126B.*~~

Southerly side, no parking for more than 30 minutes between the hours of 10:00 AM and 6:00 PM daily with the exception of two parking spaces at the southwesterly where there shall be no parking for more 15 minutes.

All other areas within the lot; no parking for more than two hours between the hours of 10:00 AM and 6:00 PM.

No boat trailer parking. No overnight parking.

All Town owned and emergency vehicles are exempt from all time restrictions.

Sec. 70-87. Prohibited or restricted parking on specified streets.

Conanicus Avenue, no parking for more than eight two hours in designated parking area from 6:00-10:00 a.m. to 6:00 p.m. on east side from Narragansett Avenue north to "Boat Ramp." No boat trailer parking. No overnight parking.

Fort Getty Road, no parking on either side from the intersection of the existing boat ramp north 500 feet to the beginning of the Fort Getty Dock, except by special permit as issued by the Recreation Department. No parking on north side or within the median beginning at the intersection with Beavertail Road and continuing to the entrance of the park.

Mackerel Cove Beach Parking Area, as permitted pursuant to [section 70-90](#) or daily pass as required beginning at the eastern most end and continuing west for a distance of 660 feet. From this point continuing west for distance of 590 feet shall be restricted to resident only pass pursuant to [section 70-90](#).

No double parking entire area. No boat trailer parking. No overnight parking.

Narragansett Avenue, no parking for more than two hours between 10:00 a.m. and 6:00 p.m. on the north side from Coronado Street east to Conanicus Avenue, except as otherwise posted.

Narragansett Avenue, no parking for more than two hours between 10:00 a.m. to 6:00 p.m. on the south side from Clinton Avenue east to Conanicus Avenue, except as otherwise posted.

Narragansett Avenue, no parking for more than 30 minutes on the south side of Narragansett Avenue between New England Telephone Pole Number 2 easterly to New England Telephone Pole Number 1.

~~Seaside Drive, no parking on either side from Hull Street north to Spindrift Street. No parking even numbered side, south of Hull Street. Overnight parking permit required 11:00 p.m. to 6:00 a.m. in accordance with [section 70-91](#).~~

~~Valley Street, no parking on the south side of Valley Street from North Main Road to Douglas Street.~~

Valley Street, no parking for more than two-hours on south side from North Road to Douglas Street.

Walcott Avenue, no parking on ~~west~~ east side from Brook Street to High Street.

~~*Weeden Lane*, no parking on either side of its intersection with East Shore Road westerly a distance of 800 feet.~~

West Ferry, a 15-minute loading zone shall be designated by signage at the west most portion of the wharf. Restricted parking for Harbor Master only as designated. No parking of any boat trailer, at any time.

TOWN COUNCIL SPECIAL MEETING
March 29, 2019

I. ROLL CALL

Town Council Members present:

Michael G. White, President
Mary E. Meagher, Vice President
Nancy A. Beye
Randall White
William J. Piva, Jr.

II. CALL TO ORDER, PLEDGE OF ALLEGIANCE

Town Council President White called the special meeting of the Jamestown Town Council to order at 10:03 a.m. in the Rosamond A. Tefft Council Chambers of the Jamestown Town Hall at 93 Narragansett Avenue and led the Pledge of Allegiance.

III. UNFINISHED BUSINESS

- A) Town Council review, discussion and/or possible action and/or vote to Authorize the Town Administrator to sign a Lease Agreement for operation and management of the Jamestown Golf Course

Town Administrator Nota reviewed Golf Course discussions/negotiations with Mr. Mistowski's legal counsel Christian Infantolino. Discussion ensued of the terms to be expedited in a formal lease agreement in the coming weeks. Articulated is a five-year lease at \$125,000 per year, with a five-year renewal option at \$180,000 per year for years six through ten.

Town Administrator Nota reviewed the Operator's obligations, Town's obligations, and General Lease Provisions in detail including:

Operator Obligations

- Provide labor to rebuild 10 USGA Greens
- Expand existing practice green and construct secondary green (working with Architect Burgin)
- Provide labor to install irrigation system
- Remove 54,000 tons soils from existing greens; expansion of existing pond on 2nd fairway to generate 38,000 tons material to be used to expand approximately 17 tees
- Expand current irrigation system in rough areas (8 heads); areas to be cultivated and seeded
- Install aeration system in effluent pond
- Face of select bunkers to be constructed and sodded with tall fescue

- Sliding doors on maintenance barn to be replace and building washed and stained
- Application of 54,000 lbs. of gypsum to be applied over five-year term
- Construct a 10' x 14' shelter on the 7th Tee
- Reconstruct 12 bunkers and sod with fescue.

Town Obligations

- Supply materials for irrigation system
- Supply materials to rebuild 10 greens
- Permitting, engineering and construction of fresh water ponds
- Responsible for effluent pump (per existing lease); Operator responsible for damage to pumps caused by proven negligence
- Provide permit, if necessary, for electrical cable for new irrigation system.

General Lease Provisions to be Discussed and Agreed Upon

- Provision that work agreed to be completed by Operator during the five-year lease not completed an Operator does not exercise option for five-year renewal, Operator to complete agreed upon work
- Provision if Golf Course is able to function without effluent water the \$8,000 charge for effluent water would go away
- Possible second five-year option to be exercised by Tenant with terms agreed upon by both parties (exercisable as early as Year 9).

Open communications will continue to achieve goals outlined for the agreement. Discussion ensued of freshwater for irrigation, use of effluent water to remain in place at this time, projects articulated in the lease to be contracted during the five-year period, and mechanism for a third five-year lease included in the Agreement.

Attorney Infantolino stated his client's agreement with the terms of the Lease Agreement that provides for longevity and continuity of operations going forward.

Councilor Piva asked for a timeline. Solicitor Ruggiero stated upon authorization for the Town Administrator to sign the Lease Term Sheet, there would be a one-week to two-week time period to prepare the full Lease Agreement to go before the Town Council for ratification at the 2nd meeting in April.

A motion was made by Councilor White with second by Vice President Meagher to authorize Andy Nota on behalf of the Town to enter into this term sheet agreement with the hope and expectation that by the second meeting in April we will have the full lease itself for our review and/or approval.

Discussion. Vice President Meagher would like to open the discussion to the public.

Public Comment.

Sterling Dintersmith of Emerson Road commented as a twenty-year-old resident she hears this decision by the older generation and wishes to advocate for use of the golf course site for open space recreational activities that are more inclusive to all residents of Jamestown, as golf is diminishing nationwide, and a sensitive salt marsh environment exists there. She asked the Council not to sign any agreement that restricts the use as a golf course for fifteen years under one type of management, as five years would be a good time to review alternatives for future generations.

Vice President Meagher thanked Sterling for expressing her point of view. She feels this lease provides us that bridge from one use to another so that we can take a look at future uses. She feels strongly a golf course is a good use at this time, is appropriate, and she will vote that way.

Steve Heath of Columbia Avenue stated he doesn't hear anything in the lease that addresses recreation options for future use of the Golf Course. He feels there is a way to integrate recreational use along with the operation of a golf course, including a walking path, bike path or other options.

President White stated the Town is always looking at options and alternatives and we have committed to the Golf Course. The effluent has been used successfully for many years and saved money, and perhaps its use can continue in another format. The pathway could be used, and the Town is not forgetting there are alternatives for use of Town properties. We need more young people to come forward to volunteer, become involved, attend meetings, and serve on Town boards/commissions/committees.

Mel Whittaker of Friendship Street stated he plays golf and it is a great pastime. The Operator should be given an opportunity to continue, based on their willingness to make improvements to the Golf Course. He would like to see the revenue derived from the golf operation.

Councilor White noted his appreciation for efforts put into the negotiations. He noted the second five-year option described on Page 2 of the terms, and suggests it be eliminated.

Attorney Infantolino explained that option must be agreed upon by both parties and there is no obligation to continue. Lengthy discussion ensued.

Solicitor Ruggiero stated there is no obligation to continue for the second five-year lease option, neither party is required to give a reason for not continuing, but to avoid any entanglement that phrase could be removed.

Town Administrator Nota gave further explanation of the lease and the option for renewal. The Operator will know in Year 9 if the Town is looking in a different direction for the future.

Councilor White asked if this would be a deal breaker to remove the option.

Attorney Infantolino stated the intent was to provide a mechanism for discussion, was never to bind either party, and if either party is not comfortable, it would not continue. Councilor Piva stated he has no problem with the renewal options. Vice President Meagher noted this gives an option for both parties and would facilitate an easy transition.

Councilor White stated the second five-year option would be an incentive for the tenant to make the golf operation work, and if it didn't, the lease could be terminated by the Town. Vice President Meagher commented it gives the Town the opportunity to think about other options and uses.

Councilor White noted alternate uses that could be negotiated during the lease that do not interfere with golf operations.

Attorney Infantolino stated leases can be amended at any time, the lessee is open to discussions and working together, and language could be included to allow collaboration and mutual agreement.

Councilor Piva asked why such language needs to be included. Councilor White stated he would like language that allows for negotiation. Lengthy discussion ensued of language that allows discussions/negotiations for other uses.

Town Administrator Nota stated such flexible language could be included in the final Lease Agreement. President White feels this should go forward.

Back to the vote on the motion. **President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.**

IV. OPEN FORUM

- A) Scheduled request to address. None.
- B) Non-scheduled request to address.

John Plowden of Calvert Place, an abutter for over 20 years, stated the Operator has had very generous contracts in the past with no oversight by the Town over day-to-day operations with no benefits for us as citizens of Jamestown. Often you are denied golf privileges as golf leagues have tee times reserved, and other municipal golf courses give a preference to residents. Vice President Meagher stated the Golf Course was purchased for open space by a unanimous vote at a cost of \$1.7 million, as the prior owner threatened to divide the property into house lots. Any concerns should be addressed with Town Administration.

Town Administrator Nota explained this is not a municipally-run golf course, this is a commercial lease, the Operator maintains insurance, the liability is on the Operator not the Town, and past legal actions were covered by the Operator's insurance carrier. Past leases have paid for the property. Since 2007 the Town has generated net income of \$150,000 per

year that goes into the general fund. If there are issues they can be brought to Town Administration to be addressed with the Operator. The new building will have non-golf related access for Town residents. Discussion continued.

Steve Heath asked what happens in Year 5 or Year 10. Is this rubber stamped? Vice President Meagher stated no, and other visions for the Golf Course need to be brought to the attention of the Town. Town Administrator Nota explained the renewal option following Year 5, and unless there are significant issues, the lease will be renewed. That is not the case with Year 10, where the Town or Operator can option not to continue without explanation.

Sterling Dinkersmith asked that the lease language be clear the Town is not bound to renew at Year 10.

V. ADJOURNMENT

A motion was made by Vice President Meagher with second by Councilor Piva to adjourn. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

The special meeting was adjourned at 10:58 a.m.

Edward A. Mello, Police Chief
Peter D. Ruggiero, Town Solicitor
Cheryl A. Fernstrom, Town Clerk

II. CALL TO ORDER, PLEDGE OF ALLEGIANCE

Town Council President White called the regular meeting of the Jamestown Town Council to order at 6:35 p.m. in the Jamestown Town Hall Rosamond A. Tefft Council Chambers at 93 Narragansett Avenue, and led the Pledge of Allegiance.

**III. TOWN COUNCIL SITTING AS THE BOARD OF
WATER AND SEWER COMMISSIONERS**

None.

**IV. ACKNOWLEDGEMENTS, ANNOUNCEMENTS, PRESENTATIONS,
RESOLUTIONS AND PROCLAMATIONS**

A) Proclamations

- 1) No. 2019-04: April 26, 2019 as Arbor Day in the Town of
Jamestown

President White read the Proclamation.

A motion was made by Vice President Meagher with second by Councilor Beye to approve this Proclamation. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

V. PUBLIC HEARINGS, LICENSES AND PERMITS

A) Public Hearing

- 1) Amendment of the Jamestown Code of Ordinances, Chapter 78

Waterways, Article II. Harbor Management Ordinance, Sec. 78-22 Definitions; Sec. 78-23 Areas Under Jurisdiction; Sec. 78-24 Harbor and Mooring Area Boundaries; Sec. 78-34 Appendix A; duly advertised in the March 21, 2019 edition of the *Jamestown Press*; review, discussion and/or potential action and/or vote

A motion was made by Vice President Meagher with second by Councilor Piva to open the Public Hearing at 6:38 p.m. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

The legal advertisement for the Public Hearing was read by President White. Harbor Executive Director/Police Chief Mello provided background information for the proposed ordinance revision that began in February 2018 with five-year approval of the Town's Harbor Management Plan and Ordinance by CRMC and their directive to remove moorings within the Conservation Zone. Conforming the Town Conservation Zone to the State Conservation Zone (500 ft. perimeter) resolved 98% of the moorings in question. Language clean up removed Mackerel Cove as a Harbor, leaving East Harbor and West Harbor. Appendix A that defines jurisdiction is cross-referenced in the Comprehensive Harbor Management Plan and is geographically defined.

Town Council comments. Appendix A was reviewed for content and clarification.

Public comments. None.

A motion was made by Vice President Meagher with second by Councilor Piva to approve this change to the Harbor Ordinance. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

A motion was made by Vice President Meagher with second by Councilor Piva to close the Public Hearing at 6:44 p.m. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

VI. OPEN FORUM

- A) Scheduled request to address. None.
- B) Non-scheduled request to address

Chris Museler of Westwind Drive asked Council how enforcement in the Conservation Zone will be handled with adoption of this amendment. Town Administrator Nota will confer with Chief Mello and follow-up with Mr. Museler.

VII. COUNCIL, ADMINISTRATOR, SOLICITOR, COMMISSION/COMMITTEE COMMENTS & REPORTS

- A) Town Administrator's Report: Andrew E. Nota
The Town Administrator's Report covered the following:
Town Council Meeting Agenda

04-01-2019

Page 2 of 10

1) RI League of Cities and Towns Legislative Update

Mr. Nota referenced the update of Legislative issues provided by the League of special interest to municipalities. Updates will continue during the 2019 legislative session. Discussion ensued of storefront retail sales of marijuana, EMS and Fire Services, evergreen clauses in Collective Bargaining agreements and proposed fee increases by RIDEM and how that may affect Jamestown.

2) Parks and Recreation Department Staffing

Mr. Nota reported on Parks and Recreation Department staffing realignment based on current demands and the hiring of two full-time Laborers. Two qualified candidates have accepted the Town's offer and will be joining the staff, with additional information on the two new employees in the coming weeks. Town Council members commented this is a terrific decision and long overdue.

3) Jamestown Shores Association Meeting

Mr. Nota reported on the March 27, 2019 meeting he attended at the Senior Center highlighting ongoing issues and initiatives, including topics specific to the Jamestown Shores. A lot of good discussion and questions came from the productive two-hour session. Ann Gagnon was thanked for coordinating the session.

4) Parks and Recreation Success Stories

Mr. Nota reported on the National Parks and Recreation Association Newsletter article "Active Living comes to the Seaside Community of Jamestown" written by Senior Services Director Betsey Anderson and Parks and Recreation Department Program Director Deb Hagie. Kudos to Betsey and Deb.

B) Ad Hoc Committee on Public Art Report: Town Planner Lisa Bryer

Mr. Nota reviewed the report. The Ad Hoc Committee is meeting twice monthly to develop an overall Public Art Policy and a comprehensive list of sites appropriate for public art. Chair Duncan Pendlebury acts as the Committee Spokesperson and will attend an upcoming meeting. Discussion ensued of the placement of the gift of the Whale's Tail sculpture.

VIII. UNFINISHED BUSINESS

A) Upcoming Meetings and Sessions – dates and times

- 1) Town Council Meeting Schedule: April 15th, May 6th, and May 20th at 6:30 p.m.; review, discussion and/or potential action and/or vote
- 2) Budget Work Sessions for FY 2019-2020: Operating Budget Hearing and Work Session #2 April 2nd; Budget Review Hearings, if needed, April 4th, April 8th and April 11th; Town Council Budget Adoption April 15th (tentative); review, discussion and/or potential action and/or vote

The second Operating Budget Work Session is tomorrow at 6:00 p.m. An additional session may be needed and can be scheduled for next week, with budget adoption slated for the April 15th regular meeting.

- B) Town Council Rules and Procedures for the 2018-2020 term; review, discussion and/or potential action and/or vote

Vice President Meagher highlighted the Rules and Procedures revised in March 2017 and how the agenda is developed. Discussion involved the agenda development, posting, meeting packet preparation, and revising the schedule so that the agenda is finalized on Wednesday and packets prepared on Thursday. This would give Council additional time for review and preparation for meetings. Discussion involved the two business meetings held monthly and board/commission/committee appointments and annual attendance records for Council. Discussion ensued of formalizing a Town Administrator's performance review in the Rules and Procedures (late summer or early fall), as this is appropriate for both sides.

Councilor White commented on amending the Rules and Procedures. Solicitor Ruggiero stated the Council has the ability to revise the Rules at any time and can waive them in various situations as needed.

A motion was made by Vice President Meagher with second by Councilor White to approve these Rules and Procedures as amended. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

- C) Golf Course Status Update; review, discussion and/or potential action and/or vote

Mr. Nota reported on the March 29, 2019 special meeting and the terms for a five-year Agreement term sheet signed today. Legal Counsel Infantolino and Solicitor Ruggiero are working to finalize the Agreement for approval at April 15th meeting. The five-year lease agreement articulates responsibilities for the Operator and Town. Jon Mistowski in attendance stated the golf course is slated to open May 1st.

IX. NEW BUSINESS

- A) Floating Tidal-Powered Upweller Proposal by Joseph and Antonio Pinheiro to construct a 4' by 20' floating platform with attached upweller system at Fort Getty Pier, as supported by the Jamestown Harbor Commission with the conditions outlined; review, discussion and/or potential action and/or vote
 - 1) Memorandum of Police Chief/Harbor Executive Director Edward A. Mello
 - 2) Harbor Commission recommended conditions for granting of the Pinheiro Upweller Proposal at Fort Getty Pier

Chief Mello referenced his memorandum and discussions with the Harbor Commission and Facilities Sub Committee. The Pinheiro's have permits for two vessels at the Fort Getty pier and propose to construct a 4' by 20' foot floating platform with attached upweller system. This would facilitate the raising of oysters to a sufficient size for placement at their oyster farm. The Harbor Commission recommended approval with conditions as follows:

- One-year pilot program with reassessment in December 2019
- No equipment shall be left on the pier deck outside of designated work area
- Sorter and equipment to be removed from pontoon boat and deck when not in use
- Insurance and/or Bond requirement to be established by Town
- Harbormaster shall have full authority to remove equipment at any time
- Required removal of equipment based on predicted inclement weather conditions
- Rate shall be consistent with current vessel rate, subject to reassessment in December 2019
- Vessels and all equipment when not in use shall be removed from Town property.

Council comments.

Councilors asked about space allowed for vessels at the pier, monitoring by the Harbormaster and Town staff, year-round operation, and seeding of shellfish. Antonio Pinheiro noted the seeding period will vary depending on water flow and temperature, and the growth is quicker than using the nursery process prior to placement in the oyster farm. Most of the seeding will be transferred to their farm and some will be sold to other oyster farmers. As the equipment is portable it can be removed easily during weather emergencies. This is the first part of the permitting process, and if the Town approves the pilot program, they can go before CRMC for their approval. Town Administrator Nota affirmed oversight by Harbormaster Campbell and Town staff and CRMC will be notified of Town support. Chief Mello noted no electrical service is required for the proposed upweller system.

A motion Councilor White with second by Vice President Meagher to approve and support the proposal as laid out in the documents we have in our packages, subject to the conditions expressed by the Chief tonight that had been previously laid out by the Harbor Commission. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

- B) Approval of an Appropriation of \$5,900,000 and Authorization for the Town of Jamestown to Finance Replacements, Renovations and Improvements and Related Equipment at the Jamestown Public Schools and to Issue not more than \$5,900,000 Bonds and Notes and enter into a Financing Agreement with the Rhode Island Health and Educational Building Corporation; review, discussion and/or potential action and/or vote
 - 1) Adoption of Resolution No. 2019-05

Town Administrator Nota explained the borrowing process through RIHBEC and the required Resolution prepared by the Town's Bond Counsel. This will be authorized by the School Committee and will be back on a future agenda for final approval of financing.

A motion was made by Vice President Meagher with second by Councilor White to waive reading of the Resolution. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

A motion was made by Vice President Meagher with second by Councilor White to approve the appropriation as described in this Resolution. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

Finance Director Collins noted the Resolution is required prior to moving forward. The School Committee can now begin the process to go out to Bond and seek the lowest rate available.

X. ORDINANCES, APPOINTMENTS, VACANCIES AND EXPIRING TERMS

A) Ordinances

- 1) Proposed Amendments to the Jamestown Code of Ordinances Chapter 70 Traffic and Vehicles, Article II. Administration and Enforcement, Sec. 70-25 Notice of Violation; Admission of Truth and Payment of Fines at Police Station; Amounts; Article III. Specific Street Regulations, Sec. 70-52 Stop Intersections; Article IV. Stopping, Standing and Parking, Sec. 70-81 Parking Area, Lots 172 and 173 (former ambulance barn); Sec. 70-82 Two-hour Parking Limit Located upon Lot 573 Plat 8; Sec. 70-83 Standing or Parking on Steel Pier and Bulkhead; Sec. 70-86 Standing or Parking on East Ferry Wharf; and Sec. 70-87 Prohibited or Restricted Parking on Specified Streets; review, discussion and/or potential action and/or vote to proceed to advertise in the *Jamestown Press* April 4, 2019 edition for public hearing on April 15, 2019

Vice President Meagher noted concern that some provisions did not go before the Traffic Committee. The Melrose Avenue revision restricts parking on the west side and would prohibit residents from parking in front of their homes. Perhaps there are options for summer parking at Ft. Getty Road, including road closure, non-resident parking, two-way traffic, and parking attendants collecting fees.

Chief Mello stated this is a starting point for discussion and any portion can be referred to the Traffic Committee for an opinion. Town staff determined a majority of the issues were related to parking lots and didn't belong before the Traffic Committee. Revisions were proposed to clean up outdated language and streamline the process. Lengthy review and discussion ensued.

Vice President Meagher suggested tabling this to the next Town Council Meeting to allow further review and input from the Traffic Committee. Chief Mello stated if the Traffic Committee could act quickly it would be appropriate so that signage could be prepared for the season. Lengthy discussion ensued.

The proposed Ordinance amendment will be revised by Chief Mello based on this evening's discussions and brought back before Council for review and possible vote to proceed to advertise for public hearing at the May 6th Town Council Meeting. The Traffic Committee can review the revised ordinance amendment to be prepared by Chief Mello and submit their recommendations for review at the Public Hearing.

- B) Appointments, Vacancies, and Expiring Terms; review, discussion and/or potential action and/or vote on each listed appointment and/or vacancy
 - 1) Jamestown Affordable Housing Committee (One vacancy with a three-year term ending date of May 31, 2021; duly advertised;
 - a) Letter of interest
 - i) Nicholas Radesca

Mr. Radesca interviewed for the Harbor Commission.

A motion was made by Vice President Meagher with second by Councilor Beye to appoint Nicholas Radesca to Affordable Housing. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

- 2) Jamestown Fire Department Compensation Committee (One Citizen-at-Large vacancy with a three-year term ending date of May 31, 2021); duly advertised; no applicants
- 3) Jamestown Juvenile Hearing Board (One Alternate Member vacancy with a two-year term ending date of December 31, 2020); duly advertised;
 - b) Letters of interest
 - ii) Joseph Cannon
 - iii) Bruce J. Whitehouse

Interviews will be scheduled prior to the next meeting.

XI. CONSENT AGENDA

A motion was made by Vice President Meagher with second by Councilor Piva to approve and accept the Consent Agenda. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

The Consent Agenda approved consists of the following:

- A) Adoption of Town Council Minutes
 - 1) March 18, 2019 (interview session)
 - 2) March 18, 2019 (regular meeting)
 - 3) March 19, 2019 (capital budget work session)
 - 4) March 21, 2019 (school budget work session)
 - 5) March 25, 2019 (operating budget work session #1)
 - 6) March 26, 2019 (golf course tour/site visit)

- B) Minutes of Town Boards/Commissions/Committees
- 1) Jamestown Ad Hoc Committee on Public Art (11-28-2019)
 - 2) Jamestown Ad Hoc Committee on Public Art (12-10-2018)

 Dates: May 27, July 4, August 12, October 8, and December
 7, 2019; January 15, 2020
 Locations: Watson Avenue/Lawn Avenue/North Road/Narragansett
 Avenue/Conanicus Avenue/Veterans Square
 - 5) Applicant: Jan Washburn
 Event: Jamestown Seaside Family Cruise
 Date: September 1, 2019
 Location: Fort Getty

XII. COMMUNICATIONS, PETITIONS, AND PROCLAMATIONS AND RESOLUTIONS FROM OTHER RHODE ISLAND CITIES AND TOWNS

A motion was made by Vice President Meagher with second by Councilor Piva to receive the Communications, Petitions, and Proclamations and Resolutions from other Rhode Island Cities and Towns, noting none of them will go on our next agenda. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

The Communications, Petitions, and Proclamations and Resolutions from other Rhode Island Cities and Towns consists of the following:

- A) Communications
 - 1) Letter of RIDEM Office of Water Resources Principal Sanitary Engineer Jay Manning re: Project Priority List Request for Project for Fiscal Year 2020
 - 2) State Planning Council Transportation Advisory Committee Public Notice of RI Metropolitan Planning Organization Public Participation Plan 2019 public hearing on April 25, 2019, 5:30 p.m., RI Department of Administration, One Capitol Hill, Conference Room A, Providence
 - 3) Letter of the Armenian National Committee of RI re: Observance of April 24, 2019 as Armenian Genocide Remembrance Day
- B) Proclamations and Resolutions from other Rhode Island Cities and Towns
 - 1) Resolution of the Glocester Town Council in Support of stabilization and equity in the distribution of State Aid to all RI Communities
 - 2) Resolution of the Charlestown Town Council in Support of additional State Funding for Education

XIII. AGENDA ITEMS FOR THE NEXT MEETING AND FUTURE MEETINGS

- A) Paper streets in Jamestown and water access
- B) Proposed Water Resources Protection Committee Discussion (April/May)
- C) Review and Discussion of Conservation Easement on Shores Lots (April)
- D) Town Council Goals and Objectives for the 2018-2020 Council term (May/June)

Conservation Easements in the Shores will be on the next agenda

XIV. EXECUTIVE SESSION

- A) Pursuant to RIGL § 42-46-5(a) Subsection (5) Real Estate (acquisition of property for open space); review, discussion and/or potential action and/or vote in executive session and/or open session

A motion made by Vice President Meagher with second by Councilor Beye to enter into Executive Session at 7:56 p.m. pursuant to RIGL § 42-46-5(a) Subsection (5) to discuss Real Estate.

Pursuant to RIGL § 42-46-5(a) Subsection (5) the following vote was taken to discuss Real Estate: President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

The Town Council reconvened the regular meeting at 8:07 p.m. President White reaffirmed the actions taken in Executive Session to accept the donation of the parcel of land in the Jamestown Shores and authorize the Town Administrator to sign an agreement in order to proceed with the acquisition.

A motion was made by Councilor Piva with second by Vice President Meagher to seal the Minutes of the Executive Session. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

XV. ADJOURNMENT

A motion was made by Vice President Meagher with second by Councilor White to adjourn. President White, Aye; Vice President Meagher, Aye; Councilor Beye, Aye; Councilor White, Aye; Councilor Piva, Aye.

The regular meeting was adjourned at 8:08 p.m.

Attest:

Cheryl A. Fernstrom, CMC, Town Clerk

 Finance Director

TOWN COUNCIL BUDGET WORK SESSION

April 2, 2019

I. ROLL CALL

Town Council Members present:

Michael G. White, President
Mary E. Meagher, Vice President
Nancy A. Beye
Randall White
William J. Piva, Jr.

Also in attendance:

Andrew E. Nota, Town Administrator
Christina D. Collins, Finance Director
Edward Mello, Police Chief
Donna Fogarty, Librarian
James Bryer, Fire Chief
Howard Tighe, Deputy Fire Chief
Andrew Wade, Director of Parks and Recreation

II. CALL TO ORDER

The Town Council Operating Budget Work Session Part II was called to order at 6:00 p.m. in the Rosamond A. Tefft Council Chambers of the Jamestown Town Hall at 93 Narragansett Avenue by President White.

III. TOWN COUNCIL WORK SESSION

A) Town Operating Budget Part II and Outside Agency Contribution Requests. President White announced that public health agencies would be addressed first and formal requests will be addressed this evening. Town Administrator Nota gave a PowerPoint Presentation to review the Operating Budget continuation and Outside Agency Contribution requests.

1) Public Health and Outside Agencies	
Visiting Nurses	\$ 4,000
South County Home Health	\$ 7,000
Prevention Coalition	\$ 4,000
East Bay Community Action	\$ 5,000
Thundermist	\$ 4,000
Housing Hotline	\$ 1,500
Church Community Housing	\$ 5,000
Miscellaneous	<u>\$ 1,000</u>
	\$31,500

Several representatives explained about the programs that they have including Flu clinics, social services, home care programs, hospice, fuel and food assistance, and medical and dental services among other programs.

Jennifer Fairbank of Visiting Nurses thanked the Council for their continued support. In 2018 Visiting Nurses provided over 135 services to Jamestown residents.

Susan Jameson of South County Home Health thanked the Council for their help in funding their services to Jamestown residents. SCHH offers skilled home health intervention to residents in Jamestown, from nursing, rehabilitation services, nutritionists, medical social worker, telemedicine and home health aides.

Jessica Null of Thundermist thanked the Council for their continued funding to Thundermist's programs. In 2018 they served nearly 140 Jamestown residents, a 28% increase from the previous year.

Senior Project Manager, Christian Belden, of Church Community Housing has requested and is very grateful to have received funding from the Town.

District Manager, Sara Churgin, of Eastern RI Conservation District thanked the Council for their support these last few years. This agency works to promote a healthy environment and sustainable use of natural resources in coordination with partners and the community, to provide technical, educational and financial resources.

Chamber of Commerce Board Member Claudine Charron appreciates the ongoing support from the Town.

2) Library Services

Recommended is an annual adjustment to the insurance line item, and a reduction in recommended Books & Periodicals of (\$9,000) as the balance is funded with state grant-in-aid funding. In FY2020 the Library is projected to receive an increase of \$6,175 in aid or \$104,748, after the FY2019 overstatement, that in FY2019 lowered the grant amount by (\$25,143) to \$98,573 in resetting the base amount for this category of aid.

3) Parks and Recreation

Proposed increase of \$11,197 or 2.11%

4) Senior Services

Proposed increase of \$34,356 of 33.48%

5) Public Safety

- a) Fire Department
Proposed increase of \$22,726 or 5.93%
- b) EMS Division
Proposed increase of \$53,663 or 12.98%
- c) Police Department
Proposed increase of \$53,444 or 2.99%
- Animal Control
Proposed decrease of \$1,500 or -6.67%

6) Debt Services

- Overall increase in debt service line item of 18.93% or \$180,053.50;
- Increase of \$145,813 in new year 7 – year capital equipment lease;
- Increase of \$6,875 (interest only) on PV solar installations;
- Increase of \$51,959 (interest only) for Golf Course Clubhouse project.

7) Capital Budget Review

Town Council Vice President Meagher is interested in increasing the Affordable Housing allocation. Her recommendation is \$75,000.

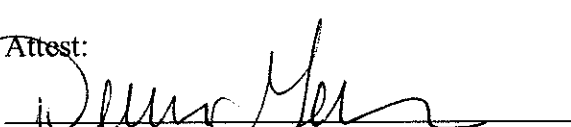

Open Forum

- 1) Scheduled to address. None
- 2) Non-scheduled to address. None

IV. ADJOURNMENT

There being no further business to address, the work session was adjourned at 7:05

TREE WARDEN REPORT

November/December 4, 2018

FORT GETTY PLANTING PROJECT

Additional plantings appear to be on hold till Spring of 2019. A meeting will be set up with Jeff Boal to discuss continuing a Spring 2019 Planting Plan.

TRANSFER STATION

Additional plantings on hold till Spring 2019, any further planting plans moving forward will be discussed at that time.

JAMESTOWN TREE NURSERY

General clean-up and maintenance work as well as work on irrigation lines and deer fencing will begin in Spring 2019. A request has been made to Mike Gray and the DPW for assistance with the deer fence and irrigation line repairs. Selected existing trees in nursery will be relocated to the Transfer Station as part of a phase 2 planting and an assortment of new trees will be selected and planted at the nursery for future use. Tagging and selection of some remaining trees in nursery to be completed with residents through the tree planting program in Spring 2019.

Tree City USA

Application to be completed and submitted.

AMERICA THE BEAUTIFUL GRANT 2019

Subjects up for discussion for potential grant submission.

April 2019

Census Solutions Workshop

The RI Division of Statewide Planning, along with the RI Office of Library & Information Services and the RI Complete Count Committee, is holding a free half-day workshop to help educate local government officials and community leaders about strategies they can use to ensure that every

resident is counted during the 2020 Census. Rhode Island receives over \$3 billion in federal funding every year based on Census estimates: this is equal to one-third of the State's annual budget. Attend this workshop and help raise awareness about the Census in our communities, starting now. See "Events," below, for more details and registration.

Planning Our Next UPWP

Staff at the Division of Statewide Planning are currently working on our annual UPWP, or "Unified Planning Work Program," which is a statement of work identifying the planning priorities and activities to be carried out within a given year. As Rhode Island's only Metropolitan Planning Organization (MPO), we are required to develop a UPWP to govern work programs for the expenditure of Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) planning funds, according to the FHWA Policy Guide (23 CFR 450.308)(b)). A UPWP includes a description of the planning work and resulting

products, who will perform the work, time frames for completing the work, the cost of the work, and the source(s) of funds. When completed, the UPWP must be approved by the [RI State Planning Council](#); the approved work program will then be posted on our RI Planning [website](#).

Providence Freight Field Trip

On March 27, a group from State and local government and the private-sector participated in a half-day field trip in Providence to learn about the impact freight movements have on the City and Rhode Island. The group took a bus trip through the Port of Providence, which handles cargoes such as cement, used cars, heavy machinery, petroleum, and scrap metal. Participants then toured the Central Post Office on Corliss Street (the first automated post office in the US), and saw how the facility handles between three-and-a-half to four million letters and packages *per day*.

More municipal freight field trips will be scheduled in the future and are open to anyone interested in understanding freight and goods movement and issues within their community. If you want to hold a freight field trip in your community, please contact Supervising Planner Josh O'Neill at joshua.oneill@doa.ri.gov. Also check out our [freight planning webpage](#) for more information.

From the Associate Director

Delegation: the act of empowering to act for another. A simple definition, and yet I struggle with the actual act. My to-do list keeps growing and it gets harder and harder to limit my hours of work, get through the essential items on the list, and triage what is less important to subsequent days. I feel a little like I'm mid-avalanche, rolling along, stuck in the middle of a giant cartoon snowball. You get the picture. It's times like these that I recognize the need to slow down, step back, and take a deep breath. Just because one

employee is retiring one is out on medical leave, one is going on maternity leave, and there are six vacancies...

I believe it is evident where my next push is going to have to be, after budget hearings, EFSB, legislation, census, and keeping everything else rolling. Most important, we're going to be hiring several staff members, and finally announcing our reorganization, and looking forward to bringing new staff on board.

So, this month, I'm delegating to all of you and looking for your help: what are your best tips for bringing new staff on board, and handing them responsibilities without micromanaging them? Please send me an e-mail - meredith.brady@doa.ri.gov, and I'll compile and share next month. I can't be alone here in trying to improve my processes. What do you want to suggest?

RI Planner Spotlight

David Westcott currently serves as the Town Planner in North Providence. He is an AICP-certified professional planner, an environmental scientist, and an educator. Employed by Mason & Associates of Scituate, RI, he provides planning and natural resource consulting services to clients throughout Southern New England. He previously worked at CE Maguire in Providence for over thirty-two years, managing environmental compliance for public works and private development projects throughout the U.S. and U.S. territories. Dave is an adjunct instructor at New England Institute of Technology in East Greenwich, teaching courses in science, civil engineering technology, and construction management technology. In his spare time, he is the President of Rhode Island "Envirothon," an annual national and international student competition in the environmental sciences. When he isn't working, he relaxes by spinning wool and other fibers to make yarns with which he weaves textiles. Asked why he's still working at age sixty-five, Dave said, "I guess I've been doing it for so long, I don't know how to stop!" Contact Dave at planner@northprovidenceri.gov.

Upcoming Meetings

[State Planning Council](#)

April 11 at 9AM

DOA Conference Room 2A
One Capitol Hill, Providence

See the answer at the bottom of the newsletter.

[Transportation Advisory Committee](#)

April 25 at 5:30PM

DOA Conference Room 2C
One Capitol Hill, Providence

[Technical Committee](#)

April 5 at 9AM

DOA Conference Room 2A
One Capitol Hill, Providence

All meetings are open to the public.

Events

April 2 [Rally for the 2020 Census](#). Join top business, community, government and labor leaders from across Rhode Island for a rally to urge everyone to be counted in the 2020 Census, which begins in just one year on April 1, 2020.

- Location: State House Rotunda, 82 Smith Street, Providence.

April 5 ["The Future of Transportation Funding: 2019."](#) Speaker: Terrance J. Regan, Adjunct Professor, City Planning & Urban Affairs- Boston University. Time: 12:15PM-1:15PM. For more information and to RSVP, contact Roberta.Groch@doa.ri.gov. Sponsored by the RI Division of Statewide Planning and APA-RI (1.0 CM).

- Location: DOA Conference Room 2A, 1 Capitol Hill, Providence.

April 6 ["Preservation, Recreation and Sport: The 34th Annual RI Statewide Historic Preservation Conference"](#). All conference updates, registration and information are on the conference website. For more information, contact ripresconf@gmail.com or call Janet Balletto at 401-222-2078.

- Location: East Providence, multiple locations (see website for [details](#)).

April 8 [RI Transit Master Plan update](#). Join RI Transit Riders (formerly RIPTA Riders Alliance) for a presentation and discussion of progress to date on the State's first-ever Transit Master Plan, *Transit Forward RI 2040*. Representatives from RIPTA, RIDOT, and the Division of Statewide Planning will share their research and ideas and invite feedback as they continue to envision how the State's passenger transportation network should look and operate in the future. Time: 4:30P-6:30P.

- Location: The Providence Foundation, 1 Union Station, Providence.

April 10 ["Census Solutions" Workshop](#). Join community leaders, planners and other government officials to learn about strategies for counting every person in your community during the 2020 US Census in RI. Time: 9AM-1PM. Free, but [registration](#) is requested.

- Location: Warwick Public Library, 600 Sandy Lane.

April 11 [Aquidneck Island Legislative Forum](#). A conversation with Aquidneck Island's State elected officials, focusing on issues important to Aquidneck Island. Moderated by Neil D. Steinberg, President & CEO of the Rhode Island Foundation. Time: 8AM-10AM. RSVP [online](#).

- Location: CCRI- Newport campus, 1 John H. Chafee Boulevard, Newport..

[URI Landscape Architecture Lectures:](#)

April 11 "Resilient Landscapes: Rethinking Urban Open Space in an Era of Rapid Climate Change." Pippa Brashear, Director of Planning and Resilience of Scape, NYC. Time: 7P

April 25 Anne Spirn, Professor, MIT. Lecture Title: "This Garden is a Town." Time: 7P.

- Location of lectures: The Richard E. Beaupre Center for Chemical & Forensic Sciences, Room 105A, 140 Flagg Road, Kingston.

April 30 [Rhode Island Flood Mitigation Association Conference](#). 8AM to 4:30PM. Join floodplain management, hazard mitigation, and other professionals to learn and share experiences. This year's theme is "What Works? Implementing Lessons Learned."

- Location: Fidelity Investments, 900 Salem Street, Smithfield.

May 3 [RI Planners' Round-table Discussion](#). Presentation by RIDEM on RI's new wetlands regulations, to be followed by discussion (and adjournment to Duffy's Tavern for networking?!?)

Time: 2:30-4PM. For more information and to RSVP, contact Roberta.Groch@doa.ri.gov

- Location: North Kingstown Public Library, 100 Boone Street.

Grant Opportunities

April 11 [Archives Collaboratives: Planning Grant](#) deadline. The National Historical Publications and Records Commission seeks projects that will make collections from small and under-represented archives more readily available for public discovery and use. The grant program will fund best practices, tools, and techniques among member organizations; assess institutional strengths and opportunities; and develop plans and management structures for long-term sustainability and growth.

April 11 [National Endowment for the Arts' Challenge America](#) grant deadline. offers support primarily to small and mid-sized organizations for projects that extend the reach

of the arts to under-served populations -- those whose opportunities to experience the arts are limited by geography, ethnicity, economics, or disability. Grants are for a fixed amount of \$10,000 and require a minimum \$10,000 match.

April 17 [AARP Community Challenge](#) grant deadline. The program funds community-based "quick-action" projects related to housing, transportation, smart cities and public spaces. The goal is to spark change and build momentum to improve livability for people of all ages. Grants can range from several hundred dollars for smaller short-term activities to several thousand for larger projects. All projects must be completed by November 4, 2019.

April 19 [NRCS Agricultural Land Easement Program](#) (ACEP) deadline. The Natural Resources Conservation Service (NRCS) provides financial assistance to eligible partners for purchasing Agricultural Land Easements. Cropland, rangeland, grassland, pastureland and industrial private forest land private forestland are eligible. State and local governments, non-governmental organizations and Native American Tribes that have farmland or grassland protection programs are eligible to partner with NRCS to purchase conservation easements. For more information, contact [Diane Petit](#), NRCS-RI Public Affairs Officer, at 401/822-8843.

May 1 [Arts, Culture and Transportation Fellowship](#) application deadline. Transportation for America- a program of Smart Growth America— announces a year-long Arts, Culture, and Transportation Fellowship. Between ten and fifteen professionals will be selected who are looking to increase their knowledge of the transportation planning and design process and develop creative placemaking skills to serve as fellows. Fellows must apply in teams composed of a minimum of two and a maximum of four persons and must represent the same city or town.

FOR SOCIAL RESPONSIBILITY**

April 2019

We are writing on behalf of the Newport County YMCA Adaptive Physical Activity (APA) and Special Olympics team. Our team is starting its ninth season. Over the past nine years, we served the needs of over one hundred Newport County children and adults athletes with special needs. Without the support of our community, this would not have been possible.

Our major fundraiser is the Newport County APA Golf Tournament. This event will be held on Monday, June 10th at Montaup Country Club in Portsmouth, RI. All proceeds support our athletes. The monies enable us to support new and innovative adaptive programs for our athletes, paying for needed equipment, lane fees for the bowling team and uniforms. All of this gives our athletes a sense of pride and goes towards building a successful team. Please consider playing in our tournament, donating an auction item or becoming a sponsor. Any help you can give will be greatly appreciated.

If you have any questions please call Megan Leonard, Special Olympics Director, at 631-766-8639 or meganl@newportymca.org

Thank you for your generosity.

Subject: May Mental Health Month Proclamation
Date: Friday, April 5, 2019 10:57:40 AM
Attachments: [MENTAL HEALTH proclamation 2019 JAMESTOWN.docx](#)

Hi Cheryl,

I am writing to request to acknowledge May as National Mental Health Month, and I was wondering if we could get on May's council agenda. Could you let me know as soon as you know, if we would be able to announce/read this proclamation?

Thanks in advance.

Sincerely,

Sandy Oxx

School Committee Resolution on Financial Literacy

WHEREAS: Every Rhode Islander deserves the opportunity to achieve financial security and;

WHEREAS: Thirty-six states guarantee access to personal financial education in their public-school curriculum, and it is time for Rhode Island to join them and;

WHEREAS: A decade after the most recent financial crisis, Rhode Islanders continue to struggle and;

WHEREAS: Rhode Island has the second highest student loan debt burden in the country, the ninth highest mortgage delinquency rate in the US, and continues to lag the nation and region in personal retirement savings and;

WHEREAS: Research shows that students who receive high-quality personal finance education in school are more likely to manage their finances effectively as adults, resulting in lower debt, higher credit scores and greater personal income and;

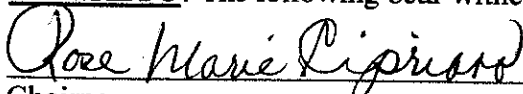

WHEREAS: Most high schools in Rhode Island already offer courses that include personal finance, but not all students have access to these important lessons and;

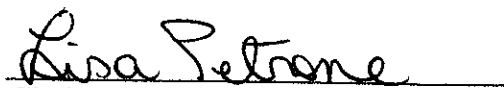

WHEREAS: 2019 – H 5033 and 2019 – S 112 will ensure that students have the opportunity to receive instruction in personal finance, while also directing the state Department of Education to provide educators with links to professional development and classroom resources to assist in this effort.

NOW, THEREFORE, BE IT RESOLVED: That the Smithfield School Committee respectfully requests the Rhode Island General Assembly to support 2019 – H 5033 and 2019 – S 112.

RESOLVED: That a copy of this Resolution be forwarded to every Rhode Island Municipality, School Committee, State Senator, State Representative, and the Governor.

Smithfield School Committee Resolution On Gun Free Schools

WHEREAS: Forty states do not permit firearms on school grounds, including persons with permits to carry and conceal a weapon; and

WHEREAS: The Executive Board of the Rhode Island Association of School Committees believes that students must have a safe and supportive climate and learning environment that support their opportunities to learn and that is free from abuse, violence, bullying, weapons, and harmful substances including alcohol, tobacco, and other drugs; and

WHEREAS: The Rhode Island Association of School Committees' Executive Board have voted to support banning concealed weapons on school grounds, except by Peace Officers as defined in § 12-7-21; and

WHEREAS: The Rhode Island School Superintendents' Association has adopted the School Superintendents Association "AASA Position Paper on School Safety: A response to the Tragedy at Sandy Hook Elementary"; and

WHEREAS: The Rhode Island Association of School Principals Executive Board has voted to endorse and support the ban on weapons on school grounds, except for authorized members of law enforcement, holding to its core belief that school environments should be devoid of all conditions that may compromise the safety of students and staff; and

WHEREAS: Rhode Island education leadership has carefully considered and implemented regularly audited school and district-wide building safety plans and emergency protocols inclusive of first-responders, local law enforcement, and the school community; and

WHEREAS: Rhode Island General Law § 16-2-17 (a) guarantees "Each student, staff member, teacher, and administrator has a right to attend and/or work at a school which is safe and secure, and which is free from the threat, actual or implied"; and

WHEREAS: Rhode Island General Law § 16-2-9.1 (11) entitled, Code of basic management principles and ethical school standards, states that School Committees must "Recognize that the first and greatest concern must be the educational welfare of the students attending public schools"; and

WHEREAS: Rhode Island General Law § 16-2-9 (a) provides that the entire care, control, and management of all public school interests of the several cities and towns shall be vested in the school committees of the several cities and towns, including the right to ban any and all weapons in public schools and on public school grounds, except by Peace Officers as defined in § 12-7-21

NOW, THEREFORE, BE IT RESOLVED: That the Smithfield School Committee respectfully requests the Rhode Island General Assembly to support any and all legislative proposals that would ban bringing firearms onto school grounds, except by Peace Officers as defined in § 12-7-21.

RESOLVED: That a copy of this Resolution be forwarded to every Rhode Island Municipality, School Committee, State Senator, State Representative and the Governor.

Amend Article XII Resolution

WHEREAS: Article XII, entitled Of Education, was first adopted in 1842 and;

WHEREAS: In 1993, the Massachusetts Supreme Court found that the Commonwealth had a constitutional duty *"to ensure the education of its children in the public schools."* Shortly thereafter the Massachusetts Legislature passed and then Governor Weld signed into law the Education Reform Act. Massachusetts also provided an additional \$2 billion in school aid over several years. The Reform Act ushered in an era of accountability and the increase in funding significantly narrowed the achievement gap.

WHEREAS: In 1995, the Rhode Island Supreme Court overturned Justice Needham's decision and contended that the language in Article XII...*"the education clause did not intend to guarantee on "equal, adequate, and meaningful" education because both at the time article 12 was adapted, and for decades afterward, there was no requirement that public education be provided at all in this state."*

WHEREAS: In 2014 the Rhode Island Supreme Court reaffirmed their 1995, ruling, in a suit again brought by the Cities of Pawtucket and Woonsocket, but stated that *"We emphasize that we are deeply concerned by the conditions of the schools in Pawtucket and Woonsocket..."* and;

WHEREAS: We believe education should be fundamental right for all Rhode Island residents and;

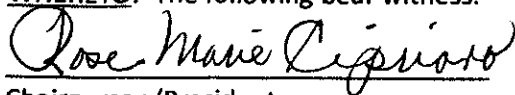

WHEREAS: Representative Mary Messier and Senator Roger Picard have introduced 2019 – H 5252 and 2019 – S 0042 House and Senate Resolutions that would amend Article XII *"...to guarantee on equitable, adequate and meaningful education to each child."* and;

WHEREAS: Amending Article XII would make education the paramount duty of the General Assembly and recognize that public education is a fundamental right.

NOW THEREFORE BE IT RESOLVED: That the Smithfield School Committee respectfully requests the Rhode Island General Assembly to pass 2019 – H 5252 and 2019 – S 0042 and cause a referendum amending Article XII to be placed before voters at the November 3, 2020, general election; and be it further;

RESOLVED: That a copy of this Resolution be forwarded to every Rhode Island Municipality, School Committee, State Senator, State Representative and the Governor.

School Committee Resolution Contract Continuation

WHEREAS: Current state law does not provide for the mandatory continuation of an existing teacher collective bargaining agreement; and

WHEREAS: Whereas a Superior Court justice recently ruled that state statute, defining when a contract ends, obviates any clause, agreed to, allowing for a continuation of a public employee contract and;

WHEREAS: School districts and cities and towns have seen an increase in employee health care benefits and retirement costs and;

WHEREAS: The state is facing an estimated budget gap of over \$200 million in FY 2020 and;

WHEREAS: School districts and cities & towns must comply with RIGL §44-5-2, that caps the property tax levy, for FY 2013 at 4%, and;

WHEREAS: According to § 16-2-9 (d) "The school committee of each school district shall be responsible for maintaining a school budget which does not result in debt." and;

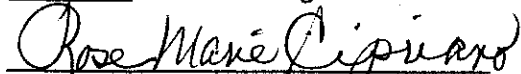

WHEREAS: School committees are required to implement mandated Rhode Island Department of Education's regulations, including the Basic Education Plan, teacher evaluations, the Common Core, assessments, and other RIDE rules and regulations and;

WHEREAS: Contract continuation would serve as a disincentive for unions to bargain in good faith and allow existing employee wages and benefits to continue unchanged indefinitely forcing districts to possibly violate state-mandated property tax caps and RIDE's rules and regulations; now, therefore, be it

RESOLVED: That the Smithfield School Committee respectfully requests the Rhode Island General Assembly to oppose 2019 – H 5437 and any and all legislative proposals, that would mandate expired teacher contracts must continue at the existing terms and conditions; and be it further

RESOLVED: That a copy of this Resolution be forwarded to every Rhode Island Municipality, School Committee, State Senator, State Representative and the Governor.

School Committee Resolution on Binding Arbitration

WHEREAS: The Binding Arbitration legislation proposed by Representative Camille Vella-Wilkinson, 2019 -- 5260 would not take into account the needs of students and taxpayers; and

WHEREAS: Management would have to honor a binding decision by an arbitrator and unions would not, and could continue to work to rule or stage sickouts; and

WHEREAS: Current state law does not provide for mandatory binding arbitration on monetary matters for school teachers and other school employees; and

WHEREAS: Payroll cost is the largest single expenditure in school budgets; and

WHEREAS: School districts and cities and towns have seen a calamitous reduction of state aid and;

WHEREAS: It is projected that an over \$200 million dollar shortfall in the projected FY 2020 Budget and;

WHEREAS: Taxpayers are already burdened by some of the highest property taxes nationally and;

WHEREAS: School districts and cities & towns must comply with RIGL §44-5-2, that caps the property tax levy imposed by municipalities and;

WHEREAS: According to § 16-2-9 (d) "The school committee of each school district shall be responsible for maintaining a school budget which does not result in debt." and;

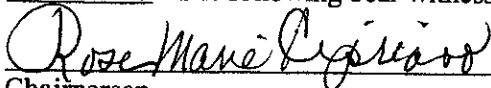

WHEREAS: Mandatory binding arbitration would take away from locally elected officials the ability to control the biggest component of local budgets; and

WHEREAS: The proposed mandatory binding arbitration legislation being advanced by its proponents does not take in to account student welfare, adheres to existing property tax caps (R.I.G.L. 44-5-2), recognizes management's responsibilities to students, the cost of implementing the Common Core, the BEP, the RIDE's new assessments and other unfunded mandates; now, therefore be it

RESOLVED: That the Smithfield School Committee respectfully requests the Rhode Island General Assembly to oppose and reject 2019 – H 5260 and all binding arbitration legislation currently being considered for teacher and other school employee contracts; and be it further

RESOLVED: That a copy of this Resolution be forwarded to every Rhode Island Municipality, School Committee, State Senator, State Representative, and the Governor.

TOWN OF FOSTER, RHODE ISLAND

RESOLUTION IN SUPPORT OF ADDITIONAL STATE FUNDING FOR EDUCATION

Resolution #2019-04

WHEREAS, education is the cornerstone of our society, the rights and liberties of all citizens, our various levels of government and the multitude social programs available to all citizens; and

WHEREAS, the Rhode Island Constitution provides for, in relevant part, as Article XII, Section 1 that it is the duty of the General Assembly to promote public schools and to secure to the people the advantages and opportunities of education; and

WHEREAS, over time, the General Assembly and the Rhode Island Department of Education have passed an assortment of laws and regulations mandating minimum education curriculum requirements for all public schools without providing for associated funding from state revenues; and

WHEREAS, the General Assembly and the Rhode Island Department of Education have provided less and less state revenue funds to assist regional and local community organized public school programs to meet the mandated educational curriculum requirements; and

WHEREAS, regional and local community organized public school programs have, by law, been required to cover the funding gap created by the insufficient state funding for mandated educational curriculum programs; and

WHEREAS, local governments have had to increase local property and tangible tax revenues to raise additional revenue to fulfill their legal obligations for minimum public education curriculum requirements imposed on them by the State; and

WHEREAS, the Foster community has been forced to unfairly and disproportionately tax their residents and businesses to make up the State funding shortfalls for State required public education programs.

NOW, THEREFORE, BE IT RESOLVED that the Town Council of the Town of Foster hereby requests that the General Assembly, the Office of the Governor and the Rhode Island Department of Education initiate a statewide dialogue to address the issue of public education curriculum requirements and state sponsored funding for these requirements to establish a fair, equitable and sustainable state funded program to support public education.

BE IT FURTHER RESOLVED that a reduction in local tax burdens will reduce a regressive tax burden and provide local property owners with much needed tax relief.

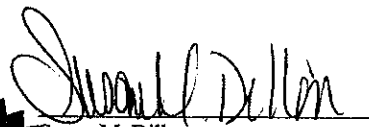

AND BE IT FURTHER RESOLVED that the Town Clerk is hereby instructed to submit a copy of this resolution to the Town of Foster's State Senator and State Representative in the Rhode Island General Assembly, all the Cities and Towns in the State of Rhode Island, all of the School Committees in the State of Rhode Island and all Superintendents of Schools in the State of Rhode Island in consideration of their support of additional State Funding for Education.

The RESOLUTION shall take effect upon passage.

By resolution of the Foster Town Council at a meeting held on March 28, 2019.

Attest:

Denise L. DiFranco
Town Council President

Susan M. Dillon
Town Clerk

Amend Article XII Resolution

WHEREAS: Article XII, entitled Of Education, was first adopted in 1842 and;

WHEREAS: In 1993, the Massachusetts Supreme Court found that the Commonwealth had a constitutional duty *"to ensure the education of its children in the public schools."* Shortly thereafter the Massachusetts Legislature passed and then Governor Weld signed into law the Education Reform Act. Massachusetts also provided an additional \$2 billion in school aid over several years. The Reform Act ushered in an era of accountability and the increase in funding significantly narrowed the achievement gap.

WHEREAS: In 1995, the Rhode Island Supreme Court overturned Justice Needham's decision and contended that the language in Article XII *"... the education clause did not intend to guarantee an "equal, adequate, and meaningful" education because both at the time article 12 was adopted, and for decades afterward, there was no requirement that public education be provided at all in this state."*

WHEREAS: In 2014 the Rhode Island Supreme Court reaffirmed their 1995, ruling, in a suit again brought by the Cities of Pawtucket and Woonsocket, but stated that *"We emphasize that we are deeply concerned by the conditions of the schools in Pawtucket and Woonsocket..."* and;

WHEREAS: We believe education should be fundamental right for all Rhode Island residents and;

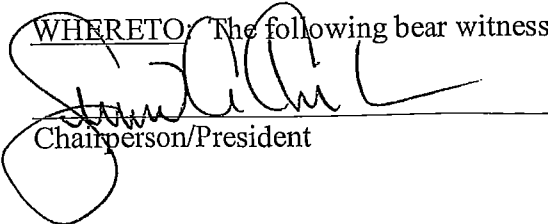

WHEREAS: Representative Mary Messier and Senator Roger Picard have introduced 2019 – H 5252 and 2019 – S 0042 House and Senate Resolutions that would amend Article XII *"...to guarantee an equitable, adequate and meaningful education to each child."* and;

WHEREAS: Amending Article XII would make education the paramount duty of the General Assembly and recognize that public education is a fundamental right.

NOW THEREFORE BE IT RESOLVED: That the Pawtucket School Committee respectfully requests the Rhode Island General Assembly to pass 2019 – H 5252 and 2019 – S 0042 and cause a referendum amending Article XII to placed before voters at the November 3, 2020, general election; and be it further;

RESOLVED: That a copy of this Resolution be forwarded to every Rhode Island Municipality, School Committee, State Senator, State Representative and the Governor.

RESOLUTION IN SUPPORT OF AN AMENDMENT TO RHODE ISLAND
GENERAL LAW CHAPTER 23-17-26 ENTITLED
"COMPREHENSIVE DISCHARGE PLANNING"

WHEREAS, two bills have been introduced in the General Assembly relating to health and safety, namely H 5383 and S 0139 Substitute A; and

WHEREAS, the enactment of the aforesaid bills would amend the current law so that, as part of a comprehensive discharge plan, a hospital or an emergency care facility would be allowed to attempt to contact the patient's emergency contact and the certified peer recovery specialist, in accordance with federal law; now therefore, be it hereby

RESOLVED: That the Westerly Town Council supports H 5383 and S 0139 Substitute A and urges our local legislators to seek passage of same; and be it further

RESOLVED: That this resolution be forwarded to our local legislators and to the Town Councils of the several cities and towns in Rhode Island requesting support.

ADOPTED: April 8, 2019
