Dear Residents, Businesses, and Community Partners:

We hope that you are staying safe and feeling healthy. Throughout the COVID-19 pandemic we have done our best to keep Jamestown informed with the latest information and guidance offered from the State of Rhode Island to ensure the safety of our residents. Please take some time to read the below information relative to the spread of COVID-19, current guidelines and restrictions, and pertinent Town Government updates. Unfortunately, Rhode Island is seeing an uptick in the number of COVID-19 cases. Fortunately, this uptick can be managed with your help.

- All gatherings must be limited to 15 people or less;
  - Violations are punishable by a fine of up to \$500 per person.
- Limit your circle of contacts to 15 people or less;
- Masks and face coverings should be worn when distancing is not possible;
- Common surfaces should be cleaned frequently; and
- Hands should be washed or sanitized often.
- Stay home if you are sick.
- For more guidance on Phase III, visit: <https://reopeningri.com/>

Governor Raimondo outlined additional information for travelers coming to Rhode Island, and Rhode Islanders traveling to other states.

- **If you are planning to travel to a state that requires a COVID-19 test** in order to avoid extended quarantine, you can schedule a test through [portal.ri.gov](https://portal.ri.gov). Individuals will receive their results within 24-48 hours.
- **Rhode Islanders who travel** to or from the states listed [here](#) must quarantine for 14 days upon arrival in Rhode Island and schedule an asymptomatic test.
- **Travelers coming to Rhode Island** from one of [these states](#) with a COVID-19 positivity rate of higher than 5%, must quarantine for 14 days and self-monitor for symptoms.
  - As an exception, you may provide proof of a negative test for COVID-19 that was taken within 72 hours prior to arrival in Rhode Island.
- For more information, please visit: <https://health.ri.gov/covid/travel/>

We ask that those using our town's outdoor recreational facilities to follow safety guidelines and the signage posted. First, if a person is sick or not feeling well please do not visit our athletic fields, beaches, parks or courts. Secondly, people are reminded to please keep 6 feet apart from

each other. Reconnecting with people is important and fights the feeling of isolation, but please do it at a safe distance. Lastly, please wear a face covering and sanitize hands often. Masks should be worn by spectators when they are within less than 6 feet of others and when walking to and from parking lots and seating areas.

Please always remember to keep our first responders and healthcare workers in mind. Every time you put your own health at risk, you are putting their health at risk, as well.

We remind local businesses to familiarize themselves with the Phase III [guidelines](#). The R.I. Department of Health will continue their enforcement of restaurants/bars/businesses. Beginning today Friday, August 7, bars are required to close at 11pm.

Also, emergency financial grants for Rhode Island's small businesses are now open. Learn more about the process at <https://commerceri.com/about-us/restore-ri/>.

All Town of Jamestown government buildings remain locked with limited access. However, all services are available by telephone, appointment only, drop box, window service, email and other electronic means.
