Subject: 63 Conanicus Ave Condo Project Questions and Concerns for 10/27/2020 Meeting
Attachments: 63 Conanicus Ave Condo Project Questions & Concerns from Penelope Fisher.pdf

Good afternoon,

My name is Victoria McNally and my husband Mark McNally and I live at AP8-Lot 178 (4 Holmes Court) which abuts the western property line of 63 Conanicus Avenue. Please find the attached document from my mother Penelope Fisher (owner of AP8-Lot 178 4 Holmes Court.) Penelope's attached document contains a number of questions and significant concerns regarding the proposed 63 Conanicus Ave condo project to be discussed at the Zoning meeting on Tuesday October 27th as this project will affect not only AP8-Lot 178 (4 Holmes Court), but also a number of properties surrounding this property that we all hope the Zoning board will take into serious consideration. My mother Penelope, my husband Mark and myself will all be in attendance for this virtual meeting on the 27th so these questions can be answered and our deep concerns addressed as there is a lot at stake for our property which has been in the family for over 47 years and the surrounding neighborhood that will change the face of East Ferry forever.

While Mark will be dropping off a hard copy of Penelope's letter to the Jamestown Town Hall today, I kindly request that you please confirm receipt of this email and attachment as well.

Sincerely,
Victoria "Tori" McNally
Resident of AP8-Lot 178 4 Holmes Court
