Dear Mr Floor,

Thank you very much for meeting with representatives from the town of Jamestown on April 7. We appreciate your interest in our concern for our two great state parks, Beavertail and Fort Wetherill. We thank you for sharing the news about DEM'S efforts at the parks, including some that will be funded by the recent successful state bond and others that may benefit from private funds, through a trust currently being developed by the RI Foundation.

We recognize the difficult challenges you and the agency face. Your work force has been significantly reduced over these past ten years. We have witnessed that in Jamestown, where one employee is responsible for our two state parks. He does a fabulous job, by the way, but we know that even with the seasonal assistance that he receives in late spring and summer, both parks need more help.

We believe there are specific areas of concern where our community can step in to help. You described the nascent fund raising program at the RI Foundation; we can help to promote that effort here in Jamestown. In addition, we have a thriving volunteer community, including some great Eagle Scouts, who can work with our DPW and Conservation Commission to build boardwalks, (see attached photo) lay gravel and drain pipes and improve the trails at Beavertail. We recognize that Fort Wetherill has long been the focus for taggers and graffittees. We understand beauty is in the eye of the beholder, but there is no beauty to be found in the sight of spray paint on rocks and trees. We would like to help DEM begin to clean up that mess.

We ask that, in return, DEM work with us to provide some resources for this effort. These include a clear pathway for permitting these efforts at Beavertail, mindful that CRMC and our local Conservation Commission must be in the loop of these decisions. We ask for access to your stockpile of gravel at the park and approval to bring small equipment onto the trails. At Fort Wetherill, we suggest that rather than starting by improving the roads and the entrance as you described, DEM should begin at the fort itself, cleaning out the overgrowth and invasives that impinge on the view of the fort from the street and of the water from the park roadways. We can organize support for that effort. And we ask that you begin the laborious process of cleaning up graffiti.

We understand that these two great parks, with their wondrous views of Narragansett Bay, are resources for all Rhode Islanders. We welcome our friends' visits. But these parks are particularly dear to those of us who live in Jamestown. During your visit, you met one of our residents whose concerns are so prominent, he felt compelled to interrupt our conversation. We met with him later and he showed us the areas that trouble him. We can assure you, he is joined by hundreds of Jamestowners who treasure these parks and visit them daily. As a town, but more importantly as a community, we look forward to contributing to their improvement.
