Subject: Application of David A. & Jennifer R. Clancy, Plat 7, Lot 22

To Zoning Board of Review,

I strongly support the application of David A. Clancy & Jennifer R. Clancy to construct an addition to the existing dwelling at Plat 7, Lot 22. It has been my experience that the Clancy's have always kept the interest of property values, neighborhood charm and character with everything they accomplish. The Clancy property has added value to our neighborhood and our town. Thank you for your attention in this regard.

Respectfully,
Joseph F. Dutra
