

This is to certify that the roads laid out and designated on this plat, excepting North Main Road, are not dedicated or open to the public, but are private roads held by the Jameson Land Company for the use of owners of lots in said plat, subject to reservations and conditions fully set forth in the conveyances made and to be made by said Company to such owners or purchasers; and it is further certified that said Company reserves the right to dedicate and open to the public any of the roads or parts of roads laid out and designated on this plat, and with the consent of abutting proprietors owning a majority of front foot on any road or part thereof indicated upon said plat, the boundaries or location of such road may be changed at any time or such road may be wholly closed.

In testimony whereof said Jameson Land Company has caused these presents to be executed by its President and attested by its Secretary, with its corporate seal this

Attest: *Secretary*, Secretary.  
*President*, President.
