Miss Rosamond Tefft
Town Clerk
Jamestown, R. I.

Dear Ros:

I am enclosing herewith a Plat of Fort Getty which was furnished me by Charles G. Callahan of the General Services Administration. This Plat shows the two parcels which were accepted from the conveyance recently made by the General Services Administration to the Town. Would you please show the enclosed Plat to Kurt Haeseler, the Town Engineer.

The enclosed Plat and all of the other Plats which you have in the file on Fort Getty should be recorded as permanent records in the Plat Book.

Very truly yours,
Daniel J. Murray
