

**Town of Jamestown**  
Town Administrator  
93 Narragansett Avenue  
Jamestown, Rhode Island 02835-1199  
401-423-9805

Edward A. Mello  
Interim Town Administrator

**Date: March 31, 2023**

**The Jamestown Newport Ferry will operate without interruption effective immediately.**

On March 29, 2023, the Jamestown Town Council agreed to allow the Jamestown Newport Ferry to operate for the upcoming 2023 season without interruption.

The Town Council recognizes the Public Scheduled Routes of the ferries and has agreed to allow them to land on the Town owned facility located in East Ferry in order to embark and disembark passengers.

The Town will also allow the charter and event vessel land on the Town owned facility on a limited basis.

The Town Council will allow for the ferries to dock overnight for a fee.

**Future Development:** The Town will work to assess the best use of the south side of the woodpile pier for future development, including **re-establishing public touch and go** space, defining rules for the use of all public docks in Jamestown.
