The Town hereby recognizes that the I.B.P.O as the sole and exclusive bargaining representative for all permanent, full-time, paid police officers from the rank of Patrol Officer up to and including the rank of Captain of the Police Department, for the purpose of collective bargaining and entering into Agreements relative to wages, rates of pay and other terms and conditions of employment. The parties agree that any and all other employees of the Police Department shall not be included in the bargaining unit.

The words, "member", "members of the bargaining unit", "employee", "officer" "patrol officer", "personnel", and/or "police officer" (or plurals thereof) when used in this Agreement shall mean all the officers described in the preceding paragraph, excluding probationary officers and recruits.

All references to an employee covered by this Agreement as well as use of the pronoun "he" are intended to include both genders. When the male gender is used, it shall be construed to include male and female officers.

Section 2 - Agency shop.

All members of the bargaining unit shall have the right to voluntarily join or refrain from joining the Union. All members of the bargaining unit who choose not to join the Union, however, and who are covered by the terms of this Agreement, shall be required to pay an initial service fee and monthly service fees to the Union for the purpose of aiding the Union in defraying costs in connection with its legal obligations and responsibilities as the exclusive bargaining agent of the members of the bargaining unit.

The aforesaid fees shall be payable on or before the first day of each month, and said sums shall in no case exceed the initiation fees and the membership dues paid by those who voluntarily choose to join the Union. Other than the payment of these services fees, the members of the bargaining unit who do not choose to join the Union shall be under no further financial obligations or requirements of any kind to the Union. It shall be a condition of employment that all individuals covered by this Agreement shall, on the 30th day of this Agreement, or the first day of this month, whichever is later, pay lawful established initial and monthly service fees as shown above.

Section 3 - Dues Deduction.

The Town shall deduct Union dues and fees upon receipt of authorization form cards to be supplied by the Union. The Town shall forward to the I.B.P.O, 159 Burgin Parkway, Quincy, MA 02169, the monies so deducted. The Union shall indemnify the Town and hold it harmless against any and all claims, demands, suits and other forms of liability that may arise out of or by reason of any action taken by the Town for the purpose of complying with the provisions of this Article.

The Union agrees that it shall give the Town at least 30 days' notice of any change in the amount of dues and service charges to be deducted from employee's pay.

Section 4 - Indemnification.

The Union agrees to indemnify and hold the Town harmless against any and all claims, suits, orders and judgements brought or issued against the Town as a result of any action taken by the Town under the provisions of this Article, pursuant to the relevant provisions of Chapter 15 of Title 45, Section 16 of the General Laws, as amended.

Section 5 - Definitions.

Whenever used in this Agreement, the terms 'all Permanent Police Officers', 'employee' and 'member' shall have the same meaning: all full - time, permanent, paid police officers, but shall not include probationary officers and recruits as those terms are used herein, of the Town of Jamestown who are on the active payroll whether due to active service, vacation, or paid sick leave. Employees who are otherwise on leave of absence, retired, or absent for active military service shall be entitled to none of the benefits of this Agreement except to the extent they are expressly granted eligibility for certain benefits, by express reference, in other sections of this Agreement or as may otherwise be provided for by law.

ARTICLE II

Section 1 - Rules and Regulations.

The Town of Jamestown shall retain the right to issue rules and regulations governing the internal conduct of the Police Department, as provided by law. Said rules and regulations to be drawn up by the Chief of Police and Town Administrator.

Section 2 - Management Rights.

Except as specifically relinquished by the express terms of this Agreement, all discretion and rights to manage, direct or supervise the operations of the Police Department and its employees are vested solely in the Town. And notwithstanding any other provision of this Agreement, the Town retains the right to take any reasonable action in emergency situations, such as natural disasters, to protect the public interest, even if such action is contrary to the express terms of this Agreement.

ARTICLE III

Section 1 - Permanent Police Department.

It is hereby agreed upon by both parties that Chapter 73 of the Public Laws, passed at the 1958 January Session of the General Assembly and an Ordinance in effect at this time, both of which established a permanent police force in the Town of Jamestown, shall remain in effect, as they now read, regardless of any further change in the form of government in the Town of Jamestown. It is further agreed that said Chapter 73 of said Ordinance shall not be changed or revoked in any

manner without the consent of the Chief of Police and a representative appointed by Local 305, International Brotherhood of Police Officers.

Section 2 – Duties.

The duties for members of this bargaining unit of the Jamestown Police Department shall be the prevention of crime and the enforcement of the State Laws and Town Ordinances, and the Departmental Rules and Regulations, and such other related duties as may be assigned by the Chief of Police or Town Administrator from time to time; but nothing shall be deemed to abrogate the power of the Town Council to vary the organizational structure of the Police Department.

Section 3 - Detail to other Departments Prohibited.

The town of Jamestown agrees that employees of the Jamestown Police Department whose duties are defined in Article III, Section 2, shall not be detailed to other departments of the Town except in emergency situations. The detail from one unit to another within the Police Department shall be the responsibility of the Chief of Police except to the extent expressly limited by specific terms of the seniority provisions of this Agreement. This provision shall not be interpreted to prevent permanent offices from working details in other jurisdictions.

It is expressly understood by both parties hereto that the maintenance and upkeep of police vehicles and the Headquarters Building, with the exception of removal of trash generated during the shift are not within the scope of police duties; and it is further understood that no police officer shall be ordered to perform such duties.

ARTICLE IV

Section 1 - Seniority.

The Permanent Police Officers shall have seniority rights and said seniority, insofar as practicable shall prevail with regards to the following:

- (a) Shifts (but not Groups), holidays, vacations, overtime less than eight hours, extra duty of any nature; however, a senior officer may reject the right or benefit at his/her discretion without the need of any explanation on their part. Further, in the event that an employee shall reject the right or benefit, it shall not be construed as a waiver of his/her seniority rights in any subsequent situation where seniority would prevail.
- (b) The order of seniority within the bargaining unit shall be determined from the date of appointment to his/her respective rank. Regarding any future appointments to the Police Department, seniority shall be determined, if more than one (1) is appointed at the same time, by the highest to lowest ranking at the Rhode Island Municipal Police Training Academy. Seniority in the ranks is applicable for the purposes of bidding for applicable positions within the ranks, vacation, compensatory time, and personal time. In addition to seniority within the ranks, each officer shall have overall seniority based upon his/her date of appointment to the Jamestown Police Department. This seniority shall be applicable to

all regular overtime that is not rank-specific, overtime of less-than eight (8) hours, extra duty and details of any nature.

- (c) Within thirty (30) days after the execution of this Agreement, the Town shall furnish the Union and the Police Department a copy of the proposed seniority lists and the Union and/or the Police Department will have thirty (30) days in which to make any changes or corrections in said list and signify their approval thereof. After order of seniority has been approved by all parties thereto, a permanent and up-to-date list shall be posted and maintained on a bulletin board at Police Headquarters for the benefit of all police officers and all future seniority questions shall be resolved in accordance therewith. The Union also agrees to furnish to the Town an up-to-date seniority list, a copy of which is also to be posted on said bulletin board.
- (d) All training classes, schools and job responsibilities available to the Department and which will be funded by the Town shall be posted whenever practical at least one month prior to the beginning of the class. Interested officers may apply for the school or job responsibility. The Chief, the Department's second highest ranking officer and Training Officer will review all applications. It is the intention of the Department to provide training, education and new responsibilities in a way that will:

Increase the professionalism of all officers.

Fairly distribute these opportunities throughout the Department.

(A posted list will be maintained showing all schools, training, etc. and who attended.)

Employees will be selected to attend said course, schooling, etc. so as to insure the greatest potential benefit to the Department and the Town. The Chief shall make the final determination as to who shall attend. Once an employee has attended a school, training classes, etc., he/she will not be asked to attend the same school, training class, etc., except in circumstances where annual recertification is required or where the subsequent school or training class, etc. is an advanced course, for a period of five (5) years, unless all other officers have been asked to attend and they have refused.

A school is defined as an institution or place for instruction or education.

Section 2 – Special Assignments

- a. The Town and Local 305 agree that if in the future the Town wishes to create a School Resource Officer position the two parties shall meet to discuss/negotiate the schedule, pay, and benefits for said position. Section 1 - Hours.

- (a) As of March 1, 1976, the regular work schedule for all members of the bargaining unit shall be six (6) day cycles of four (4) consecutive working days of eight (8) hours followed by two (2) consecutive days off. The work schedule shall cover a twenty-four (24) hour period as follows and will be continuous: 7:00 a.m. to 3:00 p.m., 3:00 p.m. to 11:00 p.m., and 11:00 p.m. to 7:00 a.m.
- (b) There shall be a fourth shift known as a split shift. The shift will be four (4) working days followed by two (2) days off, and will consist of working as follows: two (2) 11:00 p.m. to 7:00 a.m. shifts and two (2) 3:00 p.m. to 11:00 p.m. shifts followed by two (2) consecutive days off. This will be referred to as a permanent shift and filled in accordance to Section 1(a) and (b) permanent shifts.
- (c) In the event the fourth shift is not filled, no member of the Police Department already assigned to a permanent shift will be forced to fill the shift.
- (d) There shall be a minimum of three (3) personnel of the Police Department, one of which may be a dispatcher, on duty during all shifts throughout the year. No less than two (2) police officers will be assigned on patrol each shift. For the purposes of this minimum manning staffing requirement, the Chief of Police, Detective(s), and the Department's second highest ranking officer cannot be included to fulfill this staffing requirement.
- (e) All members of the bargaining unit of the Jamestown Police Department shall be prepared for duty at the beginning of their shift.
- (f) No member of the bargaining unit shall work more than sixteen (16) hours in a twenty-four (24) hour period. Off duty employment shall not be considered as part of the sixteen (16) hours, however all employees understand that their principal employment responsibility is as a police officer with the Town of Jamestown and they will arrange their off-hour or second jobs accordingly.
- (g) Interpretation.

The members' work schedule would normally consist of four (4) weeks of forty (40) hours and two (2) weeks of thirty-two (32) hours.

- (h) Permanent Shifts.

All shift assignment shall be on a permanent basis and all Permanent Police Officers of the Jamestown Police Department shall have preference of shift assignments in accordance with seniority.

All members that are in mutual agreement may exchange shifts during the contract year,

em

with the approval of the Chief of Police, said exchange shall be for no less than four (4) months.

Officers of equal rank shall be allowed to exchange shifts for a period of one-year upon mutual agreement. Date of exchange shall be determined by the Chief.

The town may make temporary assignments from one shift to another to fill vacancies, for a period no less than four (4) months, however the assignment must be made consistent with the seniority provision of this contract. In either case shifts may only be exchanged with persons of equal rank. Under no circumstances shall shift exchanges exceed six (6) months.

It is understood that the Lieutenant's position, as second in command, is an Administrative position, and as such, the Lieutenant shall work an administrative schedule of working Monday through Friday with weekends off. To compensate for the administrative schedule, every third week, the Lieutenant shall be allowed one additional day off to be determined by the Chief.

Upon the initial promotion of an officer to the rank of Captain that officer shall replace the Lieutenant as second in command, and the Lieutenant shall be assigned to a 4 on 2 off patrol shift.

The Captain shall work an administrative schedule to be determined by the Chief of Police. The Captain's schedule shall "flex" at the Chief's discretion to allow for the Captain's attendance at special events and emergency incidents without being compensated at an overtime rate of pay. In exchange for these circumstances the Captain shall be permitted to bank those extra hours worked as "Flex Time" at a 1 to 1 ratio of hours worked to hours off. The Captain shall be permitted to request to use banked flex hours for time-off to be approved at the Chief's discretion. Said "flex-time" shall not be considered comp-time and shall not be carried beyond two-weeks.

The Captain's schedule may not be flexed to fill patrol shift or detail vacancies that would normally be filled by overtime.

(i) Superior Officer.

General supervision over each of the three (3) shifts shall be the responsibility of a superior officer. He/she shall hold the rank of Lieutenant or Sergeant. A superior officer shall be responsible for the shift at all times. The lack of his/her physical presence does not relieve the superior of his/her general supervisory responsibilities. The superior officer of each shift shall be compensated at the rate of pay as outlined in Article XIII, Section 1 of this Agreement.

Upon the promotion of an officer to the rank of Captain the 0700 – 1500hrs patrol shift shall be supervised by a Lieutenant. The 1500 – 2300 and 2300 – 0700 shifts shall be supervised by a Sergeant.

- (j) The detective's normal work week shall be Monday - Friday, 7:00 a.m. to 3:00 p.m., subject to the Chief's discretion.

Section 2 - Substitutions.

The right of employees to substitute working hours shall be permitted, provided however, that the permission to substitute shall be obtained from, and approved by the Chief, Captain, Lieutenant or Sergeant before such substitution can take place and provided it does not result directly or indirectly in payment of overtime wages, out of rank pay or any other premium to any employee. There should be no limit on the number of substitutions taken by an employee and substitution of a partial shift will be allowed. The officer requesting the full or partial substitution must return the work for his replacement within two (2) weeks of the date of the initial substitution. Failure of the substituting officer to complete the substitution because he or she called in sick will result in that officer, who failed to make the substitution being charged sick time for the shifts he or she was to have worked. Substitutions of two consecutive days will be allowed. These substitutions are limited to two requests per year per person. Substitutions will be charged to the individual officer making the substitution request.

- (a.) Substitutions shall be made between officers of equal rank only.

ARTICLE VI

Section 1 - Vacancies.

- (a) Vacancies in the Jamestown Police Department will be filled by personnel who are recommended by the Chief of Police and appointed by the Town Administrator upon recommendation. Members of the bargaining unit shall give sixty (60) days prior to resignation or retirement. All vacancies will be filled within two hundred seventy (270) days of this notice of resignation or retirement.
- (b) For employees hired after February 28, 1996, failure to give sixty (60) day's notice will result in the loss of one (1) day of vacation for each day less than sixty (60) days of notice that is provided, or in the event the Officer has not accumulated sixty (60) days vacation, then the Officer's accumulated sick leave will be reduced by two (2) days for every day of lack of notice.
- (c) The Town and Local 305 agree that if Department staffing levels become critical the Town and/or the Union may initiate discussions/negotiations regarding the implementation of a temporary full-time position to fill one or more vacancies within the Department. No such implementation shall take place without agreement of both parties.

Section 2 - Temporary Service Out of Rank.

Permanent Police Officers of the Jamestown Police Department who are required to assume the responsibilities of a higher rank shall be compensated for this service at the same rate of pay as the officer for whom they are filling in, providing such service is for a period of more than five (5) working days. Such rate of pay shall apply for all time spent at the higher rank.

Any officer assuming the responsibility of a higher rank shall be appointed to the position by the officer's position on the promotional list, and any officer selected to assume the higher rank shall have the option of refusing or accepting the assignment within three (3) days of the time when such position is to be filled.

Supervisors who will be, or have been, absent from duty for longer than thirty (30) days will be replaced on an acting basis.

Officer in Charge (OIC): In the absence of a ranking officer, the senior patrol officer shall serve as the Officer in Charge of any shift, if not at the rank of sergeant, and shall be paid an additional \$1.00 per hour to their pay rate, as long as they have successfully completed the required supervisory training as instituted by the Chief of Police. ARTICLE VII

Section 1 - Overtime.

- (a) All hours worked in excess of the regular eight (8) hour day or any normal work schedule shall be compensated for at the rate of time and one-half. It shall be understood that a work schedule shall be considered to be an average of thirty-seven and one-third (37 1/3) hours. Any overtime worked in excess of fifteen (15) minutes shall be compensated for as one (1) full overtime hour, and any overtime thereafter, up to one (1) hour shall be compensated for as a full overtime hour. All overtime shall be assigned through the Jamestown Police Department on a rotating basis. If no one accepts available overtime, then the most junior employee available shall be ordered into work. The Captain, regardless of their seniority, shall only be ordered into work if no other officers are available.
- (b) Police officers may be assigned to work Public Safety Clerk Dispatcher overtime when all Public Safety Clerk Dispatchers have been offered and refused the overtime and in those instances when there is no Public Safety Clerk Dispatcher available to work the overtime. Police officers will not be ordered to work Public Safety Clerk Dispatcher overtime if they have been offered and have refused the overtime and there is a Public Safety Clerk Dispatcher available to work the overtime.
- (c) Probationary Police Officers may be used to replace Permanent Police Officers only when the Chief of Police deems it acceptable and when all employees have refused the assignment.
- (d) All overtime worked on the following holidays: New Year's, Thanksgiving and Christmas, shall be compensated for at the rate of double time and one-half (2 1/2) the employee's regular rate of pay. It is understood that the Christmas holiday will start at 3:00 p.m. on December 24th and end at 11:00 p.m., December 25th. New Year's Day

shall commence 3:00 p.m. December 31st and end at 11:00 p.m. on January 1st.

- (e) The sole and exclusive remedy for mis-assignment of overtime or details shall be that the officer wrongfully denied overtime or detail shall be afforded the next overtime opportunity for which he/she is qualified. Under no circumstances shall back-pay be awarded for mis-assignment of overtime or details. The only exception to the foregoing shall be if the Chief deliberately or in bad faith selects an employee out of rotation or ignores the overtime rotation.
- (f) Whenever an officer calls in sick within twenty-four (24) hours before or after an overtime shift, the officer will be compensated only at the straight-time rate of pay for that overtime shift.
- (g) No single officer may be ordered to work two (2) sixteen (16) hours patrol/dispatch shifts back to back. Once an officer has been ordered to work a double shift, whether all or only part of the double shift was ordered, they may not be ordered to work another double shift until they have had a minimum of sixteen (16) hours off-duty. (Example: An officer assigned to 1st shift is ordered to 2nd shift overtime. That same officer works their normal assigned 1st shift the following day. They shall be protected from being ordered in to 2nd shift that day) This shall not apply to required court appearances, mandatory trainings, or in cases where the Chief of Police deems there to be an emergency situation.
- (h) No single officer may be ordered in to patrol/dispatch overtime more than five (5) times per calendar month. Once an officer has been ordered to work five (5) overtime patrol/dispatch shifts in a calendar month they are exempt from being ordered to work any additional overtime patrol/dispatch shifts for the remainder of that calendar month unless no other officer is available. This shall not apply to required court appearances, mandatory trainings, or in cases where the Chief of Police deems there to be an emergency situation.
- (i) The Captain may work patrol and/or dispatch overtime, but shall not be included in the regular overtime rotation. The Captain may only work patrol or dispatch overtime after all police officers have been offered, and refused the shift. The Captain shall maintain their seniority rights as applied to detail preference, but may not modify or flex their normal working hours to accommodate working a detail. If the Captain's hours are modified prior to, and unrelated to, the posting of a detail scheduled during their normal working hours they shall be permitted to work that detail if they so choose, and in accordance with seniority. The Captain's work schedule may not be flexed/modified to cover patrol or detail shifts that would normally be filled by overtime.

Section 2 - Special Details

No member of the bargaining unit shall be compelled to parade or attend any function without pay, but may parade and/or attend any other function on a voluntary basis without pay with permission of the Chief.

This shall not apply to details scheduled for four (4) hours that go over that scheduled time period due to unforeseen consequences. Details are required to be cancelled two hours in advance of scheduled start time. Details cancelled with less than two hours advance notice shall result in the officer being compensated for a four (4) hour minimum.
4. Work in excess of 15 minutes shall be compensated as one full hour. All hours worked in excess of eight (8) hours shall be paid at the rate of time and one-half the detail rate.

5. Hours worked for all details shall be counted toward the total number of hours worked.
6. Officers may be authorized to work details in the Town of North Kingstown and Newport upon request from those agencies. Officers shall be compensated at the Jamestown detail pay rates. All Jamestown Police Department overtime and detail work shall take priority.
7. Any detail authorized as a result of grant funding in which a pay rate is established by the grant, the Town is not required to pay a higher rate unless the officer is ordered to work said detail. Such pay restriction shall be posted in advance with detail.
8. Officers may not be ordered into details with less than forty-eight (48) hour notice unless the Chief of Police deems that it in the best interest of public safety. Officers may not be ordered into Blue Riptide details other than those minimum details required by the grant. If an officer calls in sick for a detail, the Chief of Police may assign another officer to said detail.
9. The Chief of Police is authorized to detail police personnel and to require payment of an hourly amount in accordance with this contract whenever construction of, improvement of, or installation of any utility on a state highway within the Town shall in the opinion of the Chief of Police cause disruption of the normal flow of traffic and create a hazard to motorists. The Chief may, if he determines police personnel are necessary to regulate the traffic, after notifying the contractor involved, detail the number of police personnel that the Chief deems necessary to ensure the safety of motorists and the safety of employees working upon the highway and the contractor shall be responsible for the cost of the detail. The Town of Jamestown shall not be responsible for providing the detail where the State or the contractor refuses to pay for said service.
10. The Department may establish a Community Service Officer program consisting of civilian per-diem employees certified to handle traffic control details. All traffic control details shall be offered to the CSOs prior to an officer being ordered to work the detail. Members of this bargaining unit shall have first right of refusal to all details before they can be offered to CSOs. The uniform, rate of pay, training, and scheduling of the CSO program shall be at the sole discretion of the Chief of Police or their designee.

Section 3 - Call Back Pay:

All permanent members of the bargaining unit who are called back to duty at a time not contiguous to a shift shall be compensated for at least four (4) hours minimum. The Town will compensate all off duty Police Officers of the Jamestown Police Department four (4) hours minimum pay annually at their overtime rate of pay while certifying on the Breath Testing and may be held in conjunction with additional training. If an officer fails to certify for any reason, subsequent certification shall be scheduled on his/her own time. All Officers must remain certified on the Breath Testing.
- (c) The Town of Jamestown agrees to send Supervisors for management training within one (1) year of promotion, unless it can be shown that the newly promoted supervisor has already attended that training. Attendance by all Supervisors is mandatory.
- (d) Whenever a member of the bargaining unit is called back to duty for any reason, and an emergency develops within the Department that requires the officer's assistance for that emergency, beyond the time when he or she would have completed the task for which he or she had originally been called back to duty, the shift supervisor or the officer-in-charge on duty may require that the officer remain on duty until he or she is no longer needed to assist with the emergency. The Town recognizes that it is not the intent to hold an officer over past his or her original reason for call back duty unless there is an articulable, definable emergency. Emergency is defined as a sudden unforeseen occurrence or condition; exigency; pressing necessity.

Section 4 - Court Time and RITT Hearings.

Any time a member of the bargaining unit is required to attend court or RITT (Rhode Island Traffic Tribunal) hearing on his/her off-duty time, he/she shall be paid at the rate of time and one-half (1 1/2) his/her regular rate of pay, with a four (4) hour minimum.

For the purposes of Article V, Section 1(f), only actual Court time and travel time will be considered as part of the sixteen (16) hours. (Legitimate travel time: 1/2 hour to and from Newport, 1 hour to and from Cranston.)

When the Police Chief receives notification of a scheduled RITT hearing he will notify the officer involved of the hearing date and whether or not he intends to send the officer to the hearing. At that time the officer may discuss with the Chief his/her reasons for wanting to attend and the Chief will consider the officer's reasoning. If the Chief determines that the officer should attend, then the officer must attend.

If the Chief determines that the Department will not pursue the violation at the RITT hearing, then the matter is ended and the Chief's decision is not subject to the contract grievance procedure. The officer will receive four (4) hours minimum overtime pay for attendance at RITT hearings.

At such time as the Town establishes a Municipal Court the Union and Town agree to re-open

discussions on the logistics of sending officers to this court.

Compensatory time normally will be taken eight (8) hours at a time. Effective March 1, 2007 the Town agrees to allow employees to take compensatory time of less than eight (8) hours, but not more than four (4) hours, at a time, provided the partial shift compensatory time does not create overtime or violate any other terms of this Agreement. Compensatory time shall be requested thirty (30) days before the start of the shift requested, if the request is for three (3) days or more. Compensatory time for two (2) days or less may be taken with seven (7) days notice, submitted before the start of the shift. This staffing level-based time-off restriction shall expire on December 31, 2023, unless the Town and Local 305 agree by means of MOU to extend this language to the expiration of this Collective Bargaining Agreement.

ARTICLE X

Section 1 - Sick Leave:

- (a) All employees will be allowed eighteen (18) days of accumulation of sick leave per fiscal year on a monthly accrual, pro-rated basis, of which eight (8) days, may be used without a doctor's certificate and with no loss of pay. Of the remaining ten (10) days and any accumulation brought forward from past years, the employee will be required to present a doctor's certificate to the Chief of Police stating the date of the visit. If the employee fails to provide a signed statement by a physician licensed by the State to practice medicine, he/she will forfeit his/her pay for the sick time taken, not to exceed eight (8) hours pay. If he/she produces a doctor's certificate he/she will be paid for all sick leave days covered by the doctor's certificate.

All sick leave earned accrues on a bi-weekly prorated basis. At the beginning of each fiscal year on July 1st, the full (18) days of sick leave is made available for use by each member. Should a member of the department leave the employ of the town, prior to the conclusion of the fiscal year on June 30th, the sick leave balance will be adjusted accordingly by the prorated balance of unearned time remaining in the fiscal year. Should an individual have used more leave time than they had earned at the time of separation, a financial offset will be made based on the employee payout at that time.

Five (5) days of existing sick leave allocation may be used for 'family sick time.' 'Family sick time' is defined as absence for the purpose of attendance upon members of the employee's family (not necessarily within the household of the employee) whose illness requires the care of such employee. Any sick time used as 'family sick time' shall count towards the eight (8) days of sick leave allowed per fiscal year without the need to present a doctor's certificate, as set forth herein in the preceding paragraph. For the purpose of this section 'family sick time' is defined as that time used to care for a spouse, child, parent, or domestic partner.

Required doctor's certificates need not state the nature of officer's illness, but shall set forth the date of the visit to the doctor, provided further, however, all employees must notify the Police Chief in writing immediately of any injury or illness, physical or psychological, that may in any way impair the officers ability to function as a police officer as outlined in the Department's essential job function for a police officer, or any type of injury that may affect the officer's ability to function as a police officer. The Chief of Police may require:

1. The officer to undergo an Independent Medical Examination (IME) whenever he believes that an illness or injury may affect the officer's ability to function as a police officer at that time or in the future, regardless of whether or not the injury or illness was job related.
2. If an officer is ordered to undergo an IME, the officer shall release all requested medical records to the IME physician and to the Town of Jamestown, which will become part of the officer's permanent records.
3. Any time an officer is required to undergo an IME and the IME takes place on the officer's day off, he or she shall be paid at the four (4) hours contractual minimum call-back rate of pay.

4. Any time an officer is scheduled for an IME by the Town, and the IME takes place after the officer has been cleared by his or her physician to return to work, and the IME physician concurs as to when the officer should have returned to duty, then no time shall be lost by the officer.
5. If the IME physician does not clear the officer to return to duty, the officer will remain on sick leave until such time as the IME physician determines that the officer can return to duty and perform the essential job functions.
6. An officer shall be reimbursed for any lost details and/or overtime opportunities lost as a result of being placed on sick leave by the Town after being cleared by his/her own physician and the IME physician subsequently concurs that the officer should have been cleared.
7. The formula for determining 'lost details and/or overtime opportunities lost' for the individual officer is:
 - (a) The average number of details/overtime hours actually worked per week, calculated over the previous twelve (12) month calendar period, times the number of weeks, or fractions thereof, that the officer was ordered out on sick leave by the Town.
 - (b) Once this average amount of time per week is determined, and agreed to by the Town and the Union, the officer shall receive detail/overtime pay at the rate set forth in the contract.
 - (c) Anytime an employee or spouse gives birth to or adopts a new baby, he/she shall be allowed to use up to fifteen (15) consecutive work days as parental leave and pursuant to the relevant provisions of the Family and Medical Leave Act.
 - (d) Sick leave shall be on a cumulative basis and shall be allowed to accumulate from one fiscal period to another for all unused days with no maximum accumulation. All employees hired after March 1, 1993 shall be entitled to accumulate up to 165 days of sick leave.
 - (e) Any and all sick leave time accumulated up to the date of acceptance of this contract shall be credited to each officer and shall not be lost.
 - (f) Upon retirement or death of an employee, the employee or his/her estate shall be entitled to a cash payment amounting to one-half (1/2) of his/her accrued unused sick leave at his/her regular rate of pay.
 - (g) The Town will establish a retirement account, as heretofore, for each member of the bargaining unit. The funding will be voluntary, at the discretion of the employee, and will be based upon the following formula.
 1. If the employee wishes, the Town will purchase a maximum of five (5) sick days in each fiscal year. The purchase cost will be the employee's base hourly rate times eight (8) hours for each day purchased. The purchase will occur at the end of the fiscal year, and will be reflected in the employee's paycheck during the first pay check of the next fiscal year.

2. The Town will invest this money in an account with Washington Trust with three different plans available to employees. The risk of these investments shall be borne solely by the employee. The Town and the Union will not be liable for any losses the plan or any individual employee may suffer. Upon a normal retirement, the employee will be eligible to collect sick pay principal plus interest thereon, in addition to that individual's personal investment, if any, and interest.

The Town shall issue to each participating employee an annual statement on February 1st of each year detailing the total sick days credited, which plan the employee is currently invested, the total amount of the employee's contribution into his/her plan, and the current estimated value of the employee's participation within his/her plan. Within thirty (30) days after the annual statement is received the employee shall have the right to reinvest their current plan value to another of the Washington Trust plans offered.

3. The employee may add to this fund by investing his/her own money once per year on the same date as the annual sick leave sell back. If he/she leaves prior to normal retirement, he/she may withdraw only his/her own money, and interest, in the fund. He/she is not eligible to receive his/her 'sick time' payment.
 4. Upon death of an employee, his/her estate shall be entitled to collect the employee's sick pay principal plus interest thereon in addition to employee's personal investment, if any, and interest.
 5. The risk of all of these investments shall be borne solely by the employee. The Town and the Union will not be liable for any losses the plan or any individual employee may suffer.
 6. At the end of the fiscal year, employees having more than forty (40) days annual accumulated sick leave may request payment for those days in excess of forty (40) at a rate of one (1) day's pay for each three (3) days of accumulation. At the same time, employees will be offered an opportunity to deposit fifty (50%) per cent of their unused sick days for the year in a sick leave bank, to be established by the Town on or before June 1, 1993. Payment under this section will be reflected in the employee's paycheck during the first paycheck of the next fiscal year.
 7. Any time an officer is on sick leave for a non-job related injury and has used all of his/her sick leave, he or she shall use all accrued vacation time, compensatory time and personal days before being placed on sick leave without pay.
- (h) As of July 1, 2010, the Town shall establish a "Sick Time Bank". At the beginning of each fiscal year the Town shall place a total of 4 sick days per member into the Sick Time Bank (2 from each member's original 20 days, and 2 matched by the Town). At the end of each fiscal year each member of the bargaining unit may deposit up to eight (8) days of unused sick time into the Sick Time Bank. Once sick time is deposited into the Sick Leave Bank it loses all monetary value. If a member of the bargaining unit or a member of their immediate family becomes seriously ill and the member is in danger of running out of sick

time they may withdraw sick time from the Sick Time Bank. Each member may withdraw a maximum of twenty (20) days at a time with a maximum of sixty (60) days of sick time per fiscal year. Once the member returns to work any unused sick time withdrawn from the Bank will be returned to the Bank. All requests for withdrawals from the Sick Time Bank must be approved by a Sick Leave Board consisting of the President and Vice President of Local 305 and the Town Administrator. No requests shall be granted for IOD related injuries or illnesses. It is understood that the purpose of the Sick Time Bank is to assist members and their families with serious and life-threatening illnesses.

Section 2 - Emergency Leave:

Employees shall be granted up to three (3) days off total, from the date of the death of a member of their immediate family until the date of the funeral or memorial service, where it is necessary in order to make arrangements and to attend the funeral or memorial service. Such employees shall suffer no loss of pay during this period. The term 'immediate family' shall mean for purposes of this provision: child, spouse, mother, father, mother-in-law, father-in-law, grandparents, sister or brother. In the event of a death of any other near-relative (first cousins or closer, but including brother or sister-in-laws) one (1) day off with pay will be granted in order to attend the funeral. In the event of the death of an individual other than those specified in this Section, permission to attend during duty status will be at the discretion of the Chief of Police.

Additional time off may be granted at the Chief's discretion. Any additional time off shall be from the officer's accrued time off (vacation, comp-time, personal, sick). Restrictions as to deadlines for when these accrued time-off requests must normally be submitted may be waived by the Chief in these circumstances.

Section 3 - Retirement Account:

The Town agrees to provide to each individual employee a statement of his/her retirement account annually.

Section 4 - Buy Back:

Any buy back of unused sick time as described in Article X Section 1 (f) and unused vacation as described in Article IX Section 1 (c), other than those arising from normal retirement, shall be paid in the first pay period of the next fiscal year on a monthly accrued pro-rata basis. Any buy back under this Section other than retirees will be prorated at the time of termination/departure from town employment. Personal leave time is lost, cannot be subject to buy-back and is provided on a use it or lose it basis.

- (a) Employees of the Police Department who are injured or who contract illness in the line of duty shall receive such benefits as provided by Section 45-19-1 of the General Laws of Rhode Island, 1956, as amended.
- (b) Medical care for injuries and illnesses for those injured or who contract illness in the line of duty shall be as follows:
 - 1. Employees injured or who contract illness in the line of duty whose condition requires admittance to a hospital shall have the right to select a hospital in the State of Rhode Island and physician from the staff of that hospital. The choice shall be made by the employee, or if his/her conditions prevents him/her from making his/her choice it shall be made by his/her nearest relative who may be available at the time.
 - 2. In other cases which do not require hospitalization, the employee shall have the right to a specialist of his/her choice from the staff of a hospital in the State of Rhode Island for initial treatment at the hospital and for subsequent treatment at the selected physician's office.
 - 3. In cases which are of a minor nature (minor lacerations, abrasion, contusions, etc.) the judgment of the attending physician shall be followed regarding the necessity of calling a specialist.
 - 4. When an employee has suffered a minor injury which does not require the care of a physician, in the line of duty and has been treated by a member of the emergency medical services (EMS) squad, the officer shall authorize release of the EMS report and all other reports of the injury and the treatment to the Chief of Police and they shall become a part of the record of the Department. Any subsequent worsening of the injury shall entitle the individual to the benefits of this Article.
 - 5. When an employee has suffered a previous injury and an occasion arises when that injury reoccurs in any nature, the employee shall be entitled to immediate examination by the physician who attended him/her for the original injury at the Town's expense. In the event the physician who treated the employee for the original injury is not available by reason of illness, death or from other circumstances, the employee shall have the right to engage a specialist of his/her own choice duly licensed and qualified to practice medicine in the State of Rhode Island. If the attending physician determines that the employee is actually suffering from a recurrence of the injury, the employee shall be entitled to the benefits of this Article, provided however, the Town of Jamestown shall have the right to have said employee examined by a physician selected by the Town to determine whether or not said employee is actually suffering from a recurrence of the injury. If there is a difference of opinion between the employee's physician and the Town's physician, then the two physicians shall pick a neutral physician who will examine the Permanent Police Officer or Clerk/Dispatcher and his/her decision shall be final and binding. The total cost paid for by the Town.

6. It is agreed by and between the parties that the Town may select a physician to examine an employee who reports an illness or original injury and also to determine whether or not an employee ill or injured, is ready to return to work.
7. It is agreed by and between the parties that the Town may assign 'light duty' status after suffering a job related or non-job related illness or injury. The Town may assign light duty if both the Town's physician and the employee's physician agree that returning to work on light duty will not further aggravate the illness or injury. Officers on light duty may leave the Station, but cannot be ordered to do so.

Section 2 - Light Duty:

For any employee whose physical condition prevents him/her from performing his/her normal work assignments, the Employer agrees to make a reasonable effort to place him/her in work he/she can perform within the Police Department upon release from his or her physician and upon presentation of said release to the Chief and concurrence by the Employer's physician. Said assignment shall be as directed by the Chief.

The intent of this provision is to return to work as soon as is medically possible employees who are affected as set forth in the above paragraph. Further, the parties understand that 'limited duty' refers to duty other than normal outside patrol duties and that it is not the intent that said light duty is to be of a 'make work' nature.

An injured employee or an employee, who is temporarily disabled in any circumstance where the employee is not confined to their home and where the employee is determined capable of performing light duty assignments, may be required to work light duty status, providing the following conditions exist:

1. Capability to perform light duty shall be determined by the employee's physician and the Town's physician. If they fail to agree, then a third physician, a specialist in the area of the injury, mutually agreeable to the employee's physician and the Town's physician, shall examine the subject employee and the opinion of the third physician shall be conclusive on the parties. The Town shall pay for the cost of the examination. However, the Town and/or the Union shall have the right to have said determination reviewed by a single arbitrator in accordance with the arbitration provision set forth in this agreement. The event a dispute arises as to whether the employee can perform light duty; the employee shall be allowed to remain out of work until such time as a final determination has been rendered.
2. Prior to reporting to light duty, the employee must be informed in writing of the type of work they shall be assigned to perform. This written notice must be provided to the employee prior to the examination by the impartial physician referred to in subparagraph 1 preceding. Said employee cannot be required to perform any task or duty not enumerated in the light duty description provided in writing by the Town to the employee.
3. No employee shall be required to leave the station while on light duty unless the officer is

physically capable of wearing his/her duty weapon. If an officer is not capable of wearing his/her duty weapon it shall be their own decision whether or not they are comfortable leaving the police station unarmed. It is understood that if an officer does choose to leave the police station to perform an assigned task it is the Department's responsibility to provide this officer with a vehicle that is not immediately recognizable as a police vehicle. The Town further recognizes that when an officer is capable of leaving the station while on light duty, that the officer's physical capabilities are limited and that all precautions shall be made not to have the officer perform tasks that could cause the officer further harm.

4. The employee must be granted time off for doctor's visits or therapy.
5. Light duty assignments shall in no way further impair the employee's recovery or aggravate the employee's injury.
6. Light duty assignments cannot be in conflict with the Department's rules and regulations or policies and procedures. This section is not intended to circumvent or impair the terms provided for in R.I. General Laws 45-19-1, as amended.

Light duty will include desk clerk, administrative duties as assigned by the Chief of Police, prosecution and other similar light or clerical tasks in accordance with a doctor's recommendation or the employee's physical limitation, within the essential job functions of the employee. Any employee assigned to light duty shall be placed on an administrative four and two schedule.

- I. Employees who retire after completing at least twenty (20) years of service (having reached their normal retirement date) will receive individual health care benefits as outlined above, and may purchase family coverage and benefit rider packages at the rate the Town pays for the coverage by reimbursing the Town the difference between the costs of the two health plans. This benefit will remain the same until such time as the employee would have completed twenty-five years of service. At that time the employee will receive an individual or family plan health benefit package, whichever is applicable, and may purchase benefit rider packages at the rate the Town pays for the coverage by reimbursing the Town for the cost of the riders. Any retiree receiving health insurance will be responsible for a percentage of the premium equal to the co-pay they are paying at the time of retirement.
- J. Upon retirement under the twenty (20) years of service provision in Section 1, preceeding, an officer may keep his or her present family health benefits package by reimbursing the Town the difference between the two health plans until such time as the retired officer reaches what would have been twenty-five (25) years of service; provided, however, this privilege will be forfeited by any retiree who fails to make his/her monthly payment as prescribed by the Town.

Beyond Benefits

When you visit us at deltadentalri.com, you can access a wealth of important dental health information and manage your plan by:

- Checking your benefits and claims
- Reviewing your deductibles and maximums
- Using our Find A Dentist tool to find a dentist in your area

Out-of-Network Coverage

You have the freedom to choose any dentist, but it is important to know that your out-of-pocket costs may be higher when you visit a dentist who does not participate in our network. Non-participating dentists have not agreed to accept the Delta Dental allowance as payment in full, so services from an out-of-network dentist may cost you more. You may also have to pay the dentist at the time of service and file a claim yourself. In Rhode Island, nine out of 10 dentists participate with us. To find a participating dentist near you, use our Find A Dentist tool at www.deltadentalri.com.

Note: This plan does not include a missing tooth clause. In addition, if covered, crowns, bridges, partials and complete dentures are paid when the permanent structure is inserted (seated) by the dentist. Member coverage must be active on the date that the permanent structure is inserted and payment is based on benefits available on that day — for example, if the member's annual maximum has been paid prior to the insertion of the permanent structure, the service will not be paid.

* Time limits on services (e.g. 6, 12, 24, 36, or 60 months) are figured to the exact day. Services are then covered the following day. For example, when a service is covered once every 12 months, if the service was done on July 1, it will not be covered again until the following year on July 2 or after.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	For In Network providers \$250 for an individual plan / \$500 for a family plan. For Out-of-Network providers \$250 for an individual plan / \$500 for a family plan.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Doesn't apply to preventive services, services with a fixed dollar copay, prescription drugs, diagnostic testing, imaging services and outpatient mental health services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No	You don't have to meet deductible for specific services.
What is the out-of-pocket limit for this plan?	For In Network providers \$6350 for an individual plan / \$12700 for a family plan. For Out-of-Network providers \$6350 for an individual plan / \$12700 for a family plan.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket</u> limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> limit.
Will you pay less if you use a network provider?	Yes. See www.BCBSRI.com or call 1-800-639-2227 or (401) 459-5000 for a list of <u>network</u> providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No	You can see the <u>specialist</u> you choose without a referral.

• All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
