

# COMMUNITY EVENT

To Create a Resilient Shoreline Garden

---

**SAT. OCTOBER 19, 2024 | 9:00 AM -12:00 PM**

JAMESTOWN COMMUNITY FARM

40 ELDRED AVENUE, JAMESTOWN RI 02835

---

Please join us at Jamestown Community Farm to create a locally sourced experimental incubator garden of dune plants for climate change resilience along our shorelines. This project is facilitated by Jamestown Conservation Commission in collaboration with Jamestown Community Farm. We thank the Rhode Island Wild Plant Society whose grant made it happen.
