Do I qualify?

Scholarships are available to Jamestown residents or students based on income, housing status, employment status, health needs, or other documented need basis.

·**Income-Based Eligibility:** Low or moderate-income status as defined by Department of Treasury or local government guidelines. Proof of enrollment in income-based assistance programs, such as free or reduced lunch, SNAP, WIC, or LIHEAP.

·**Housing Status:** Residency in Section 8 housing or other subsidized housing programs. Homelessness or risk of homelessness, with documentation from a recognized organization or social service agency.

·**Employment Status:** Currently unemployed or underemployed (defined as working fewer hours or earning significantly less than the local median wage). Eligibility for workforce development or retraining programs.

·**Health-Related Need:** Enrollment in Medicaid or other health-related assistance programs indicating financial need. Disability status that limits employment or increases financial hardship.

What scholarships are available?

Program or activity scholarships are available in an amount not to exceed \$500.00 per calendar year for each recipient. If you require assistance beyond the \$500.00 limit, please provide a description in the additional details section.

Scholarships are available for any program staffed by the Recreation Department. Examples include: Summer Rec Camp, Recreational Basketball, and Teen Center Clubs/Activities. Programs that involve an independent contractor are dealt with on an individual basis.

When and how are scholarships awarded?

Scholarships are awarded on a rolling, case by case basis dependent on available funds. Scholarships for our Summer Rec Camp must be received by May 31st to be considered in the first round of awards, additional scholarships may be available after this date depending on available funding.
